

ENROLL FOR PENSION DATA.

Commission Sends Blanks and Instructions to Probate Judges.

Columbia, Sept. 8.—D. W. McLaurin, State pension commissioner, has sent out to all judges of probate and members of county pension boards, a letter and application blanks, calling for the enrollment of all Confederate soldiers and sailors, who were on the old pension rolls. The work is to be completed during the months of September and October.

This work is necessitated because of the creation of the pension commission last session of the general assembly. This year it handled only those who had never before been on the pension rolls, all other pensioners being paid out of the comptroller general's office last spring, because the work had advanced so far. The full pension business is now concentrated in the office of the pension commission, and a full re-enrollment is necessary. The letter follows:

"Under separate cover I am sending you application blanks for re-enrolling all Confederate soldiers and sailors and widows of soldiers and sailors who have been on the old pension roll.

"These blanks are in different colors, as you will see, one for the men and one for the women.

"If you have an applicant who has never been on the pension roll before you are to use the white form, the same as were used by you in enrolling new applicants this year.

"Should a widow apply for a pension whose husband was on the old roll, you will use the new blanks which we are sending you under separate cover.

"I would suggest that you have a meeting of your board during the second and fourth week in each month. I am giving September and October in which to complete this work, and I would earnestly request that you send in the applications as soon as they are passed upon by the board at each meeting, so that the work in this office will not be congested.

"I am enclosing herewith a copy of the comptroller general's report for 1918, giving the company and regiment of every pensioner on the old roll. Each applicant will have to verify his record in accordance with instructions, copy of which is herewith enclosed.

"I respectfully request your prompt attention to the enrollment of these veterans and their widows. After this enrollment is completed, it will not be necessary to make up any more rolls. I feel sure that I will have your hearty cooperation in this work, and wish to assure you that this office stands ready to assist you in every way possible to this end.

THE NORTH AND THE COLORED MAN.

(Fort Wayne, Ind., Journal Gazette)
There is something which sheds illumination on our northern hypocrisy, regarding our fairness to the colored people, in the fact that serious race troubles are feared—in the north. Please take note that these serious race troubles are feared—in the north. And Carl Ackerman, the famous correspondent, in explaining why, presents several reasons as follows:

1. The influx of negro laborers from the South during the war which resulted in the overcrowding of colored districts.
2. Lack of proper housing facilities and the antagonism of white citizens to an extension of the negro neighborhood."
3. The general policy of negro la-

CALOMEL SALEVATES AND MAKES YOU SICK

Acts like dynamite on a sluggish liver and you lose a day's work.

There's no reason why a person should take sickening, salivating calomel when a few cents buys a large bottle of Dodson's Liver Tone—a perfect substitute for calomel.

It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can not salivate.

Children and grown folks can take Dodson's Liver Tone, because it is perfectly harmless.

Calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tone instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tone acts better than horrible calomel your money is waiting for you.

borers, especially those from the South, to arm themselves and prepare for the day when they fear they will be attacked and massacred.

4. Unscrupulous city politicians who, because of the negro vote, hesitate to do anything toward adjusting any disagreements between white and black neighbors.

And so we, who have been so indignant over occasional mobs in the South, usually following attacks on women, are ready to mob colored people because they want to work. Dear me, how strange—from we people of the north. One might almost fancy that there is a touch of hypocrisy in our blood. The colored man has a right to work. He has to work or starve. He has a right to the protection of our laws. And it is remarkable that he seems to have better protection in his economic rights in the South than in the north. The fact is that northern politicians, twin brothers of the carpet-baggers, the most infamous breed ever developed in America, are only interested in the colored man's right to vote. Some day the colored man will realize something of this.

PIG CLUB PRIZES.

State Fair Premiums Very Attractive

Clemson College, Sept. 2.—The premium list for the Boys' Pig Club department of the State Fair for this year is unusually attractive, and L. L. Baker Supervising Agent of Club Work, is working to make this the best Boys' Pig Show ever held in South Carolina.

There will be 5 classes in the regular premium list as follows:

- Brood sow and litter \$12, \$10, \$7.
 - Gilt four to twelve months, \$10, \$8, and \$5.
 - Boar four to twelve months, \$10, \$8, \$5.
 - Boar over one year old, \$10, \$5.
 - Sow over one year old, \$10, \$5.
- The American Poland China Record offers five special prizes of \$10 each for the best Poland China exhibits corresponding with the five classes named above.

The Hampshire Record also offers five special prizes of \$10 each for the best exhibits of that breed, and the Chester White Record offers five \$10 life-time memberships for the best showing with animals of that breed.

The Poland China Journal offers a \$5 prize for the grand champion Poland China and five yearly subscriptions to the Poland China Journal for the next five best Poland Chinas. If the grand champion over all breeds is a Poland China, a special silver trophy will be awarded.

Only pure bred of all breeds will be eligible this year, and they will be judged according to the standard of the respective breeds.

Mr. Baker is arranging to get free transportation for all pigs exhibited by club members, and the State Fair or officials are preparing for the comfortable housing of all pigs shown by club members. Mr. Baker hopes that at least 100 of the best pigs in South Carolina will be shown in the Boys' Pig Club Department.

"What part of the scenery around here seems to attract the most attention?"

"Well," said Farmer Cornstassel, "I've studied the boarders pretty close. I should say it's the ham and eggs on the breakfast table."—Washington Star.
