DEATH OF MRS. CULLUM.

Beloved Woman Passes at Batesburg — Friends of Summerland Rejoice. Special to The Dispatch-News.

Batesburg, Nov. 4.—Mrs. Lorenzo D. Cullum, Jr., died at her home in this town Tuesday morning after an illness of one week. She is survived by her husband and son of Batesburg and one sister, Mrs. R. H. Holstein of Monetta. Mrs. Cullum was a native of Florida, where her parents and other relatives reside. She was a woman of fine Christian character and a social favorite among her friends and acquaintances. The sympathy of the entire town and community is extended to the bereaved family.

The first attraction given by the Lyceum at Summerland College Monday night was largely attended and greatly enjoyed. The friends of the college rejoice to know that a "greater Summerland" is no longer a dream but a reality. The success of the recent drive by the Lutheran denomination to raise \$300,000 for Newberry and Summerland colleges has caused rejoicing among the friends of both institutions all over the state. The enrolment of Summerland is the largest this season since the establishment of the college seven years ago.

This Means You.

When you get up with a bad taste in your mouth, a dull tired feeling, no relish for food and are constipated, you may know that you need a dose of Chamberlain's Tablets. They not only cause an agreeable movement of the bowels, but cleanse and invigorate the stomach and improve the digestion.

COMMISSIONER FURTICK ENDORSES RIDGELL PLAN FOR GOOD ROADS

Says People Are Willing to Pay Taxes for Roads if They Get Results. Editor Dispatch-News:

Please allow me space to express my views as to good roads. I think that the plan Dr. Ridgell suggested is a good plan, and is the only way we could get our roads worked at the present time, owing to the scarcity of labor.

I have been talking with the people of my section and they tell me that they don't object to paying taxes for building and maintaining roads if they can get the proper results on their roads. I hope to see such a plan adopted at the earliest possible time.

Respectfully,
WM. W. FURTICK.

We desire to express our most sincere appreciation and heart-felt thanks to all those who rendered aid and tendered their sympathies to us during the prolonged illness and subsequent death of our husband and father, the late John M. Caughman. We cannot properly express our true feelings in this manner, but we wish to assure you that no act of kindness and helpfulness however small, has been overlooked, and we shall hold them all as great treasures. We cannot thank each one individually, so we use this method for all.

Constipation.

Most laxatives and cathartics afford only temporary relief and should be used only for that purpose. When you want permanent relief take Chamberlain's Tablets and be careful to observe the directions with each package. These tablets not only move the bowels, but improve the appetite and strengthen the digestion.

Rub-My-Tism is a great pain killer. It relieves pain and soreness caused by Rheumatism, Neuralgia, Sprains, etc.
