Sympathy for the teacher, love for children, and a tender regard for the future welfare and happiness of the Parent as well as the child, is my incentive. Discipline as a noun means education, instruction, subjection to laws, correction, chastitemen t. As a verb it means to instruct or educate; to correct or chastise; to accustom to order and subordination. Parents are to-day making a more serious mistake than did they in years gone by, when Announcement, teachers used the rod (often unmercifully) in order that pupils might be disciplined.
