

The "devil and a real one too," has at last arrived at our office. His name is Wave. Truth too!

Mr. J. S. Addy of Priceville called to see us Saturday. Mr. Addy is one of the live at home farmers and they are the ones that succeed. The Advocate will pay him a weekly visit hereafter.

Mr. Dan Boatwright of the Mt. Ebel section, was in town last week. Mr. Boatwright is a good friend of ours and Deputy Sheriff Corley of Lexington was in town last week on business.

Never have we seen so much rain in so short a time as fell in our town on Friday morning. The streets presented the appearance of young rivers. We may say here, that some change should be made in the drainage of the town. This is of great importance and should have the earnest attention of our city fathers.

Rev. N. N. Burton, of Graniteville, spent two days with his daughter Mrs. L. D. Cullum, last week. Mr. Burton is one of our pilgrims, but nevertheless one of us. No man is more highly regarded by our people than he.

"Last winter I was confined to my bed with a very bad cold on the lungs. Nothing gave me relief. Finally my wife bought a bottle of One Minute Cough Cure that effected a speedy cure. I cannot speak too highly of that excellent remedy."—Mr. T. K. Houseman, Tananay, Pa. F. B. Gunter.

He is taking steps to inaugurate a movement that will be a great help to Johnston and this entire section as well. We shall cooperate with him, as far as is our power.

THE HOME GOLD CURE An Ingenious Treatment by which Drunkards are Being Cured Daily in spite of Themselves.

No Nauseous Gases. No Weakening of the Nerves. A Pleasant and Positive Cure for the Liquor Habit.

It is now generally known and understood that Drunkenness is a disease and not weakness. A body filled with poison, and never completely shattered by derelict or constant use of intoxicating liquors, requires an anti-toxic capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants.

"HOME GOLD CURE" which has been perfected after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of Drunkards into sober, industrious and upright men.

WIVES CURE YOUR HUSBANDS!! CHIL DREN CURE YOUR FATHERS!! This remedy is in no sense a nostrum but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of Drunkards have cured themselves with this priceless remedy, and so many more have been cured and made temperate by having the "CURE" administered by loving friends and relatives without their knowledge in coffee or tea and believe today that they discontinued drinking of their own free will. DO NOT WAIT. Do not be deluded by apparent and misleading "improvement." Drive out the disease at once and for all time. The "HOME GOLD CURE" is sold at the extreme low price of One Dollar, thus placing it within reach of every body a treatment more effective than others costing \$25 to \$50.

Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address Dept. 1, Edwin B. Giles & Company, 2330 and 2332 Market Street, Philadelphia. All correspondence strictly confidential.

A WORTHY SUCCESSOR "Something New Under The Sun" All Doctors have tried to cure CATARRH by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up in the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the diseased parts.
