A WORTHY SUCCESSOR

Something New Under The Sun?

All Doctors have tried to cure CATARRH by the use of powders and gels, inhalers and drugs in paste form. Their powders dry up in the mucous membrane causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membrane that their makers have aimed to cure, while pastes and ointments cannot reach the cause. And old and experienced practitioners who have for many years made a specialty of the cure of this disease, have at last perfected a treatment which when faithfully used not only relieves at once, but permanently cures Catarrh, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the diseased part. This wonderful remedy is known as "SNUFFLES, THE GUARANTEED CATARRH CURE" and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"SNUFFLES" is the only CATARRH CURE ever made and is now recognized as the only safe and positive cure for that annoying disease known as Catarrh, which is a complete treatment which is positively guaranteed to cure Catarrh in any form or stage if used according to the directions which accompany each package. Don't delay, but send for it once, and write full particulars as to your condition, and you will receive special attention from the discoverer of this wonderful remedy regarding your case without cost to you. Beyond the regular price of "SNUFFLES" the "GUARANTEED CATARRH CURE."
