WEDNESDAY May 29, 1901. Entered as second class matter at the Batesburg Post Office.

The Epworth League-a young pecples religious organization, effected in 1891; and acting under the auspices of the Methodist Episcopal Church South, honored Batesburg by holding their annual meeting last week with the Methodist church here. This is an organization, peculiar to the encouragement and development of christian thought and activity along the various lines of work in which the membership is engaged.

One and all, extended a cordial greeting and a warm welcome to all the delegates and visitors, who assembled here, during the sessions of this body.

The League is named in honor of the birth place of the Wesley's-the founders of the Methodist denomination; if we are not mistaken. The remarkable growth of the League in chapters and members, is an index of raise-worthy work
