Mr. Charlie Wright, who for several years has had charge of one of the sections on the C. M. Ry, came over from Blackville via Sevierville yesterday and while here gave us a call. The License ordinance enacted by the Town Council, has caused considerable comment, but looking at it from a general standpoint we fail to see where it could prove detrimental to any one. The amounts exacted are small, and accord so nearly as possible with the amount of business done by each one, and while they do not amount to much to the ones who pay them, yet they will prove a source of considerable help to those in authority who are supposed to look not only to the protection, but to the development and advancement of the town as well.

## Asthma Cure Free!!

Asthmalene Brings Instant Relief and Permanent Cure in All Cases.

Sent absolutely Free on receipt of Postal. Write your Name and Address Plainly

There's nothing like Asthmalene! It brings instant relief, even in the worst cases. It cures when all else fails. The Rev. C. F. Wells, of Vicksburg, Miss., says: "Your trial bottle of Asthmalene received in good condition. I cannot tell you how thankful I am for the good derived from it. I was a slave, chained with putrid sore throat and Asthma for ten years. I despised of ever being cured. I saw your advertisement for the cure of this dreadful and tormenting disease. As I thought you had over-promised your-elves, and resolved to give it a trial. To my astonishment, the trial acted like a charm. Send me a full size bottle."

### Rev. Dr. Morris Wechsler

Rabbi of Cong. Bnai Israel, New York, Jan. 8, 1901. Dr. Taft Bros' Medicine Co. Gentlemen: Your Asthmalene is an excellent remedy for Asthma and Hay Fever, and its composition alleviates all troubles which combine with Asthma. Its success is astonishing and wonderful. After having it carefully analyzed, we can state that Asthmalene contains no opium, morphine, ether or other.

Very truly yours, DR. MORRIS WECHSLER.

AVON SPRINGS, N. Y., Feb. 1, 1901.

Dr. Taft Bros' Medicine Co. Gentlemen: I write this testimonial from a sense of duty, having been afflicted with spasmodic Asthma for the past 12 years. I have exhausted my own skill as well as many others. I changed to see you, your window on 180th street, New York. I at once obtained a bottle of Asthmalene. My wife commenced taking it about the first of November. I soon noticed a rational improvement. After using one bottle her asthma disappeared, and she is entirely free from all symptoms. I feel consistently recommend the medicine to all who are afflicted with this distressing disease. Yours respectfully, O. D. PERRY.

Dr. Taft Bros' Medicine Co. Gentlemen: I was troubled with Asthma for 22 years. Numerous remedies, but they have all failed. I ran across your medicine and started with a trial bottle. I found relief at once.
