CHANGE IN WOMAN'S Made Safe by Lydia E. Pinkham's Vegetable Compound.

 has received such wide-spread and un-
qualited endorsement. No other med
inine we know of has suah record
of cures as has Lydia E. Pinkhar's
Vegetable Compound. Fror more than 30 years it has been
Fring woundins ills such as inflammn2
tion ulueration fibroid tumors, irreg. ularities, periodic pains and ninervous
prostration, and it it in unqualed for
carryng women safely through the
period of change of life. Mrs. Pinkham, at Lynn, Mnss,
invites alt sick women to writo
her for advice. Herad
