Dull authors will measure judgment, not by our abilities, but by their own conceit. To admire their avidity is to have superior taste; to despise it is to have none.

LINLEY & CO., THE SOUTHEASTERN ADVOCATE.

There is soon to be a paper entitled as above, issued from this office, and published in the interests of the M. E. Church in this portion of our work.

Since the unwise removal of the Charleston Advocate, our work has been enlarging and extending in this section, and demands multiplying for a local organ.

The Charleston Advocate was for two years published in Charleston. It was during this eventful period in the history of our cause in the South, one of the most important auxiliaries of our work.

Its removal left a vacant place here which has not since been filled. It is an old saying, "that blessings brighten as they take their flight."

This was emphatically true in reference to our paper for this coast. Many were taken by surprise at its sudden removal and were anxious for its return.

If we had been as fully advertised of the wants and wishes of the people in this section, before the transfer of that paper to Atlanta, Ga., as we were after it was done, it would never have gone from us.

Their Own Paper, that lives and sympathizes with them, than can be procured for one coming to them from a distance, and managed by comparative strangers.

It will be larger than the Free Citizen, and will be

Issued Bi-weekly, at the low price of ONE DOLLAR A YEAR. Payment in advance.
