TAKE THE PAPERS.

BY N. P. WILLIS.

Why don't you take the papers?
They're the light of my delight;
Except about election time,
And then I read for spite.

Subscribe, you cannot lose a cent;
Why should you be afraid?
For cash thus paid is money lent
At interest four-fold paid.

Go, then, and take the papers,
And pay to-day, nor pray delay,
And my word for it is inferred,
You'll live until you're gray.

An old neighbor of mine,
While dying of a cough,
Desired to hear the latest news
While he was going off.

I took the paper and I read
Of one new pills in force;
He bought a box—and he is dead?
No—hearty as a horse.

Now two men, as much alike
As e'er you say two stumps;
And no phrenologist could find
A difference in their bumps.

One takes the papers, and his life
Is happier than a king's;
His children all can read and write,
And talk of men and things.

The other took no paper, and,
While strolling through the wood,
A tree fell down and broke his crown
And killed him—"very good."

Had he been reading of the news,
At home like neighbor Jim,
I'll bet a cent that accident
Would not have happened him.

Why don't you take the papers?
Not from the printer sneak,
Because you borrow from his boy
A paper every week.

For he who takes the paper,
And pays his bills when due,
Can live in peace with God and man,
And with the printer too.

TOWN CRIER.

OFFICE HOURS AT ORANGEBURG DEPOT.

From 8 o'clock A. M. to 2 P. M.
From 3 o'clock P. M. to 6 P. M.

Goods received and delivered only in office hours.

—The post office will not be open to-night for the delivery of the Columbia mail.

—During the week including last Saturday, Geo. H. Cornelson has purchased 332 bales and Bull, Snovill & Pike 242 bales of cotton. It is now selling from 11 3-4 to 12 cents, per pound.

—Some things have been transpiring in our burg which rival the famous Arabian Nights Entertainment. We reserve that local till our next issue.

—Dr. Webster's return has been delayed by the illness of Mrs. Webster. But we are glad to state that Mrs. Webster has so far recovered that they may be expected by the first of next week.

TEMPERANCE ORGAN.—Messrs. J. C. & E. Bailey are making arrangements to supply a long-felt want in this State—a temperance journal. They propose to publish the *Temperance Observer* at Greenville as soon as 1,000 subscribers are secured.

—The property formerly owned by I. P. Thompson has been purchased by T. D. Wolf for $1,000 cash. It is considered an excellent bargain for Mr. Wolf.

—T. S. Weeks has been appointed by the Governor Trial Justice, *vice* Edward Argo, resigned.

—J. W. Patrick is building a fine residence near the depot, on Amelia street. We are glad to chronicle any improvements in this growing section of the town.

—We notice our city authorities are making an effort "to mend their ways." This is gratifying, but we would suggest that, when a load of sand or clay is dumped in the road, that the "ups and downs" would be less if it were evened off a little. As it is now left, the road is made worse. We hope some of the city fathers will personally inspect the intended improvements near the depot.

CAMP MEETING AT TRENHOLM'S GROVE.—The annual meeting at Trenholm's Grove, on the South Carolina Railroad, on Thursday, October 7, 1875. The public are invited to attend. Trains will run from Columbia to Hopkins's. Rev. Spencer Wilson will conduct the meeting.

—We hear that Dr. A. S. Hydrick intends opening a first-class drug store in Mrs. Olivero's new building, in Orangeburg. His experience as city physician of Columbia for several years, and assisting in dispensing the drugs in Heinitsh's store here, should recommend him to the people of that burg.—*Union-Herald.*

The reading of a good and well-conducted newspaper, for the space of one-quarter of a year, brings more sound instruction and leaves a deeper impression than would probably be acquired at the best school in twelve months. Talk to the members of a family who read the papers, and compare their intelligence and information with those who do not. The difference is beyond comparison.

THE DEATH OF AN OLD RESIDENT.—W. R. Bull died very suddenly last Monday morning. Mr. Bull has been confined to his house for several months from a severe bronchial affection, but his sudden death came very unexpected. He was 57 years of age and a native of Barnwell county, but was for many years a resident of this county. He was highly respected as a citizen, and his loss is deeply mourned by a large circle of relatives and friends.

A telegram from Washington, dated the 30th ult., states:

The Commissioners of the Freedman's Savings and Trust Company will commence paying a dividend of twenty per cent. upon all audited claims upon the first of November next, at their office in Charleston upon the presentation of pass-books or other evidences of indebtedness. Depositors residing in this vicinity should present their claims in person. All checks will be drawn to the order of the original depositors. Assignments will be recognized only so far as the delivery of checks, as originally drawn to the assignee, goes.

—The Board of School Trustees of this township held a meeting on last Saturday, and also on yesterday, to elect teachers and make arrangements to start the free schools on next Monday. They had a difficult and important duty to discharge, and we give below the result of their action. There were seemingly many conflicting interests to harmonize, but we believe fairly and impartially, considering all facts and circumstances before them, they have endeavored to promote the educational interests of the whole district, without catering to the personal wishes of any person or to the prejudice of class. It could not be expected that they would suit all parties who may be influenced by personal interest, but they have aimed to promote the best interests of the whole district. They may have left undone some matters which can be brought to their attention hereafter.

On motion it was agreed to discontinue the white school at Jamison's, and that a school be established at Pine Grove, and Major W. A. O'Cain be elected teacher. T. E. Sasportas was duly elected principal teacher and Mrs. Sarah Humbert assistant teacher of the Brown school. P. E. Govan was elected to teach the little Bull Swamp school for two months, but, if satisfaction be given, to be continued beyond that time.

Mrs. Charles S. Bull was elected to teach the railroad school, in the village.

Mrs. E. M. O. Bozardt was elected to teach the Bozardt school.

V. D. Bowman and E. J. Bowman were elected to teach the Pity Hill school.

Mrs. Albergotti was elected to teach the lower town school, to be located at the Fair Building, and Miss Jenney's application as assistant in said school was disapproved.

Miss V. A. Pinckney teacher in Mt. Carmel school. Miss E. S. Pierce to teach the Jamison school, and A. S. Hibler assistant teacher. Mrs. D. E. Glover to teach the Shady Side school.

The application of Mr. J. B. Thompson was disapproved.

STAMPED ENVELOPES.—The manufacture of stamped envelopes was begun in 1853 by the government, and has so increased that during the past year 149,766,400 were made. The work was done in New York, by Geo. H. Reay & Co., for eight years previous to last September, and since by the Plimpton and the Morgan envelope companies combined, at Hartford. Uncle Sam undersells the trade, furnishing envelopes exclusive of the stamps, at lower prices than the stationers can afford. A large proportion of the stamped envelopes used are printed to order, with the names and addresses of the purchasers, and a request to return the letter if uncalled-for. In the manufacture, 225 persons, 36 stamping machines and 70 printing presses are employed. A government inspector has a general supervision of the manufacture, his being to exact a rigid compliance with the contract.

Dull authors will measure judgment, not by our abilities, but by their own conceit. To admire their vapidity is to have superior taste; to despise it is to have none.

THE

SOUTHEASTERN

ADVOCATE.

There is soon to be a paper entitled as above, issued from this office, and published in the interests of the M. E. Church in this portion of our work.

Since the unwise removal of the Charleston *Advocate*, our work has been enlarging and extending in this section, and demands multiplying for a local organ. The Charleston *Advocate* was for two years published in Charleston. It was during this eventful period in the history of our cause in the South, one of the most important auxiliaries of our work. Its removal left a vacant place here which has not since been filled. It is an old saying, "that blessings brighten as they take their flight." This was emphatically true in reference to our paper for this coast. Many were taken by surprise at its sudden removal and were anxious for its return. If we had been as fully advertised of the wants and wishes of the people in this section, before the transfer of that paper to Atlanta, Ga., as we were after it was done, it would never have gone from us. The *Methodist Advocate* is a good paper and ably conducted, but it is too distant from the Atlantic coast to meet our local wants in this section. Our work on this coast differs in some particulars from our work in the section of Atlanta, or the valley of the Mississippi. Its peculiar phases cannot be met by those who live at a distance from us, and are not conversant with the exigencies and demands of this section. The people will have greater interest for

Their Own Paper,

that lives and sympathizes with them than can be awakeded for one coming to them from a distance, and managed by comparative strangers.

It will be larger than the FREE CITIZEN, will be
