The weather during the week has been cold, rainy and disagreeable.

We notice the Presbyterian church is being repaired.

An infant child of F. M. Melette, died yesterday.

We have tried Dr. Bull's Cough Syrup in our family, and can assert that it is the best remedy for a cough or cold ever introduced. Price, 25 cents.

One of the parties that attempted to break in the store of J. W. Cannon last week, has been arrested and dealt with according to law by trial justice Girardeau.

REFORM! REFORM!!—We gladly give place in our columns to the following local from last week's *News and Times*:

Senator Andrews left here on Monday last for Columbia, where he will remain until the Legislature adjourns. Senator Andrews is a hard working representative, and we hope to record many good things of him during the present session.

POPULATION OF ORANGEBURG COUNTY.—According to the last census the population of Orangeburg County is as follows: Whites, 10,555; Colored, 23,515.—Total 34,070.

In 1870 according to the census then taken the population was; Whites, 5,709; Colored, 11,156.—Total 16,865.

This gives an apparent increase of about 111 per cent. If these figures are a true index of the increasing prosperity of our county and this ratio is only continued for a few years, the whole county will become one vast city, in comparison with New York City would pass for a little country town. But this enormous increase cannot be accounted for on any other hypothesis than that the census of 1870 is radically wrong, being much less than the actual population. We have before called attention to United States census of 1870 as giving Orangeburg C. H. a population less than 500 inhabitants which was apparent to all as much below the real population. By the last census we have the credit of having a population of about 1,500 which is probably correct. Orangeburg is a growing county and no doubt presents greater encouragement to immigration than any other county in the State but this increase cannot be thus accounted for.

SCHOOL COMMISSIONER. School Commissioner Phillips has his office days on Thursdays and Fridays of each week. His examinations are on the first Monday of each month. Jan. 30-tf

Fifth Anniversary of the Independent Elliott H. & Co.

Tuesday, 30th November, was the fifth anniversary of the I. E. H. & L. Co., and that company paraded the streets, accompanied by the Young America Fire Engine Co., in full uniform with engine and truck beautifully decorated with evergreens and flowers.

On Tuesday night, at the regular meeting for the election of officers, the following elections were made:

Foreman, W. H. Perryclear; Assistant Foreman, J. W. Cannon; Secretary, L. H. Wannamaker; Treasurer, S. R. Mellichamp; First Director, S. A. Reeves; Second Director, E. L. Salley; Surgeon, Dr. T. A. Elliott.

The election of Solicitor was postponed to the next meeting. An adjournment was then taken to the Hall of the belonging to this enterprising company, where a sumptuous banquet had been prepared for the entertainment of the Company and their invited guests. The Hall had been tastefully decorated, and the tables bountifully spread with everything calculated to tickle the palates and gratify the inner man. After ample justice had been given to this repast, the first toast of the evening—"The Day we Celebrate," was responded to by S. R. Mellichamp. Mr. Mellichamp was in one his happiest moods, as the repeated cheers and uncontrollable laughter fully evinced.

"Our Country" was eloquently responded to by J. F. Izlar, Esq. With impressive silence, the company drank to the memory of our departed firemen.

In response to the toast our worthy patron the venerable and universally beloved Dr. Elliott made a few appropriate and feeling remarks.

"Our Town" was done up in proper style by W. H. Girardeau who gave an interesting sketch of its progress and prosperity. Our sister association received the gallant attention of S. Dibble, Esq., the Foreman of the Young America Fire Engine Company.

"Our City Fathers" were responded to by Mayor Boliver, who guaranteed the co-operation and support of the Town Council in putting the fire department in a more efficient condition, recommending a tax of one mill for that purpose.

To "Our Fire Department" Mr. Riggs responded, whose remarks were rendered especially touching on account of his recent misfortunes. He said it was with great difficulty that he was present, he had been accustomed to meet with them as a able-bodied fireman, still he should endeavor to discharge the duties of chief to which he was recently elected. He knew the wants of the fire department. Its present inefficiency was owing to a want of funds. The money had been expended in constructing new streets to enhance the value of private property to the detriment of the public. He favored the one mill tax recommended by the Mayor, and pledged all his personal influence and efforts to make the fire department efficient.

M. I. Browning, Esq., responded to "Our Invited Guests" in a speech remarkable for its eloquence, beauty of sentiment and elegance of diction. T. B. Boyd paid an eloquent tribute to woman. "Our Adopted Citizens" were referred to by E. A. Webster. J. Felder Meyers, editor of the *News and Times*, spoke for the "Press" in a manner to elicit the applause of all. The exercises of the evening were varied by music from the Orangeburg Variety Troupe.

The company dispersed at a late hour, well pleased with the evening's entertainment, wishing long life and prosperity to the Independent Elliott Hook and Ladder Company, and to its honored patron, Dr. T. A. Elliott.

COMMUNICATED.

ORANGEBURG, C. H. Dec. 3d, 1875.
Mr. Editor:—I have learned from good authority that T. C. Andrews is just now showing how he appreciates honest Republicans by making an effort to get Dr. Webster and yourself removed from the charge of our post office. I am very glad to learn that the people here appreciate your apparent effort to accommodate them and serve the public in your management of the office, and desire no change, as nearly all the business men of the place have expressed

their satisfaction with your arrangements and services. As for the people of this county we wish for no more of Senator Andrews appointees to manage public funds until we can replenish our depleted County Treasury.

It should be known at Washington that the predecessor of Dr. Webster was recommended for the position by Senator Andrews, who had an honest Republican and good Post Master removed to make a place for him. I now learn that Senator Andrews has another opportunity of showing his honest intentions, in his recommendations to this office and signature to his bond to the government, by coming forward like an honest man and paying up in good faith that deficiency in the accounts of our former Post Master appointed by his disinterested efforts as an honest republican official.

Respectfully Yours
A CITIZEN.

COMMUNICATED.

Please state through the columns of your paper that the new Baptist Church (colored) on Sunny-side will be dedicated on the second Sunday in December, the 12th inst. Preaching in the morning at 11 o'clock. The public are cordially invited to attend.

Respectfully,
J. C. GOVAN, Pastor.
