**Changes of Residence.**  
Judge W. F. Russell and family are now occupying the house on upper Main Street recently vacated by Mr. and Mrs. W. T. Latham, the latter taking the house on Mill street out of which the former moved.

**Another Fire.**  
Mr. Henry Ray of West Water, had the bad luck to lose his home and contents by fire last week. We learn that his friends and neighbors have rallied to his assistance very handsomely.

**To Rent.**  
I offer the Camden Hotel for rent. Most desirably located, and a good thing for the right party. For particulars, apply to W. A. SCHROCK, Agt. Camden, S. C.

**Preaching at Mt. Zion.**  
The sermon at Mt. Zion church last Sunday evening by Bro. W. S. Walters was said to have been very fine and greatly enjoyed. We regret very much the breaking of our engagement, but the weather was too hot entirely. Wait until Jack Frost takes a hand and give us another trial.

**For Sale.**  
A very desirable building lot just outside of the city limits. Situated in one of the best locations we know. There is but one price for this lot, so whoever is interested had better call quick for full particulars at the office of The People.

**A Genuine Curiosity.**  
We were shown a genuine curiosity last Saturday in the shape of a twin watermelon, weighing forty-six pounds. It was grown by Mrs. J. F. Smith, on her plantation, just below Camden. The melon to a casual observer, appeared to be a slightly flattened specimen of a melon, but closer examination shows it to be a real twin.

**Mr. Self's Misfortune.**  
Mr. Stephen Self, who lives just above DeKalb, had the misfortune to have his house with all its contents destroyed by fire a few days ago. In his effort to save some of his property, he was himself severely burned on arm and back. Mr. Self is a one-armed Confederate veteran, and all join in sympathy for him. How much are you sorry?

**Chromo Awarded.**  
The splendid chromo we offered to the party first correctly pronouncing the longest word in the world was won by our friend and subscriber, Mr. W. Geisenheimer.

This is a matter of congratulation to the whole community, as we had mailed a copy of the paper containing the word to G. Cleveland, Esq., and A. B. Parker, and were somewhat fearful that one or the other of these parties would have captured the prize.

The word itself is too long for re-publication, but Mr. Geisenheimer says that the correct pronunciation is "Insulttothebodyofmagistrate-joorjasmdcwall". Well done Mr. Geisenheimer!

**The Pickens Rifles.**  
The News and Courier of the 4th inst has a well written article on the Pickens Rifles, commonly known as "the Boy Company" of South Carolina. The company was organized and volunteered at the very beginning of the war. It was principally composed of boys between the ages of 14 and 16 years of age, and they performed valiant service for the State as a company, and its members afterwards for the Confederacy as individuals, and members of other companies. What makes this letter of peculiar interest to our people is the fact that on the roster of the original membership, we find the names of two of our fellow-townsmen, Dr. I. H. Alexander, and Mr. W. F. Reed.

**Court House Site Selected.**  
The County Board of Commissioners met as per schedule on Tuesday, the 19th inst., and after nearly all day of hard, and we believe, conscientious work, fixed upon a site for the building of the new court house. The site selected is the property lying West of the Presbyterian church on North DeKalb Street, the same being commonly known as the Salmon lot. The land embraced in the purchase by the Commissioners however takes in parts of other property lying West of that. The price to be paid by the county for the site is \$2,000, for the bare lot, the present owners to remove the buildings at their own expense, and to give a clear title to the property by August 3d, 1904. The dimensions of the site are 200 x 300 feet.

**For Sale.**  
One 7 months old Grade Jersey and Shorthorn Bull calf. The calf is a very fine animal, and is sired by a registered Shorthorn Bull, the dam being a Registered Jersey cow with a fine milk and butter record. For further information and price, apply to Maj. A. S. White, at the Workman House, Camden, S. C.

**FROM THE GOLDEN STATE.**  
Whittier, Cal., July 11, '04. Editor "The People," Dear Sir: Noting your request for letters, I will write you a few lines in regard to this country. California is made up of mountains and valleys. The soil in this section is sandy along the rivers, and out from the river, it is a heavy black clay soil, very rich, that will grow anything if you will give it water and work.

We raise a great variety of grain here, and it grows to perfection, wheat, oats, corn, and barley. Also all the different kinds of vegetables grow here the year round. We raise two and three crops a year without any fertilizer, the land being rich enough without it. The land must be well irrigated, and as soon as it is dry enough, we plow and plant. Some kind of crops must be irrigated two or three times. Our winters are one long, green season. Everything looks lovely here during the winter months, all the beautiful flowers being in bloom, and the grasses green. The winter is the season in which all the different kinds of vegetables are raised for the eastern markets. Alfalfa is raised very extensively for hay, and it is cut six or seven times a year. It makes fine hay, and will keep stock fat without grain.

Labor is high, \$1.50 to \$2.50 per day being paid for ordinary labor, they furnishing their own board and lodging. Carpenters are paid \$2.50 to \$3.50 per day. Living is higher here than in the East, but it is in proportion to other things. We get better prices for our produce than you do, and other things are more equal.

This is a beautiful valley, with its fine orange and lemon groves, and splendid english walnut ranches. The walnuts pay the best as they are less expensive to raise, and are not perishable fruit, and always command good prices. We irrigate them once, plow once, and harrow two or three times, so you see that it requires little work to raise them.

When they are ready to gather, the hulls open, and the nuts drop out on the ground. They are then picked by the sack at 25 cts. per sack holding 50 to 60 pounds. They are then washed by machinery, put in trays and dried in the sun about three days. They are then passed through a grades to take out the small nuts, sulphured and sacked, and are ready for sale. The price is based on the September market, and the nuts are gathered in October and November.

Many owners of walnut ranches clear annually as much as \$200, per acre. The price per acre is \$1,000 and within a short time the same land will bring \$2,000 easily.

We have another source of income that I had almost forgotten to mention, and that is, the oil wells. They bring lots of money to the men who own them. Oil was discovered here only a few years ago, and now the hills are dotted all over with derricks. Whittier lies on a gentle slope on the hill side below the oil wells and faces South and West. Sixteen years ago it was a wild mustach patch, and now we have four thousand inhabitants, and a car line running to Los Angeles. Now, Mr. Editor, come out and pay us a visit. We will be glad to show you over this beautiful valley which flows with milk and honey, a valley of sunshine, fruit and flowers: God's beautiful land.

Wishing you every success with the paper, I remain, Very respectfully, J. W. II.

—Miss Clara McCook left on Saturday to spend a short holiday with relatives at Newberry.

—Mr. Dick Barfield, a popular young type, is here for a few days on a visit to his mother. We are glad to see him again.

—Mr. — Bailey, a typo in The State office, paid us a call on Saturday. He is an old Kershaw boy, son of Mr. Walter Bailey.

—Mrs. H. G. Brown, accompanied by her daughter, and niece little Miss Minnie Belle Doar, has returned from a pleasant visit to Charleston.

—Mr. Edwards, Architect and Builder was in the city on Tuesday, awaiting patiently, as were many others, the action of the Court House Board.

Mr. Geo. T. Little has returned from his summer trip to Asheville and Hendersonville, N. C. He appears to us to be even a better looking man than when he left us.

—Mr. E. J. Gaskins, of Westville, another old friend, feels much better now as he gave us his subscription on Saturday, and is assured of good reading for the next twelve months at least.

—We were pleasantly surprised to meet an old friend, Mr. Noah Williams, now of Cheraw, on Sunday, he is under the wing of The People, and naturally looks well. All our paid subscribers do. Mr. Williams returned to Cheraw on Sunday night.

—Mr. Julien Weinburg accompanied his friend, Mr. Zemp to Sumter where he will spend Sunday with ———, doubtless passing the pleasant hours away in making comments on the weather. From Sumter Mr. W. will go to Manning to spend a few days with his mother and family.

—Our young foreman, and job printer is making a record in Columbia among the soldiers as a heavy shooter with a rifle. He broke the record so far on Saturday with a score of 22 out of a possible 25. Hold on, hold on.—The other fellow made 22 and he made 15.

—We had the somewhat mixed pleasure of meeting Mr. W. M. Bostwick, of Charleston, on Tuesday. The mixed part consists in the sad assertion by him that he had not received his People since March. Our report to this effect has gone forward to the great and only "Teddy," who will look into the matter.

—Mr. W. Johannes Arrants, of Charleston, well known in this community, is spending a short holiday with us. Honest life insurance agents will give Jo a wide berth during the next year, as we insured him for that length of time, and none of our paid subscribers die as long as they keep up their dues to The People.

—Our popular young fellow-townsman, Mr. Francis L. Zemp, Jr., left us on Saturday to take a high position with the Sumter Ice, Light and Power Co. Frank leaves heavy hearts and tearful eyes among the fair sex here, but these hearts will be lightened, and tears quickly dried with a copy of The People containing this notice. We hear that he has a girl in Sumter.

# BREVITIES.

—Okra is our favorite vegetable, but we found it hard to grow this season. We think the boll weevil got into it.

—The "Parker-Davis Liquid glue" ought to have a run. It sticks. Mends any grade of plate matter. Call on D. Ben Hill.

White Knight cigar, a splendid smoke, call for them at the Camden Drug Company, and take no other.

Anyone desiring fine pasturage for their stock will do well to read carefully the ad. of DePass and DeLoache.

—When you help The People, you help yourselves. In feeding the body, you feed the brain, and our body wants feeding.

—We want to be the first to advertise the new brand of soap: "Esopus." Full page space reserved in our coming supplement.

The White Knight forever. Call for no other cigar. For sale at the Camden Drug Company.

—Which is the most expensive, Teddy's smile, or Alton's bath? The bath of course, for Teddy is not smiling now, that is, not any to speak of.

Smoke White Knight cigars. For sale at the Camden Drug Company.

—The daily speed and time trials by the real team are enjoyed by the spectators. The team is now in good practice, and ready for any contest.

—The laying-by season is now on us, with good prospects of full returns to the farmer for work well done. So mote it be.

—Ben Tillman in an auto wreck. The story does not go. Whenever B. R. runs into anything, it is always the other thing that gets wrecked.

—Where was Parker when he was nominated? In E-soup-us. Do not shoot, we will come out, and never do it again. That river is mighty handy though.

—"Blood and Iron" for run down politicians. Best thing out. Call before the rush at Cortelyou's Pharmacy. Ask for "Teddy's Patent" and take no other.

Ask for the White Knight, the best smoke on the market. For sale by the Camden Drug Company.

—We will now all proceed to take "the Gold Cure." A very little of it will go a long way with us. What we want to do is to rub with the bottle and pocket the shiners.

The White Knight Cigar is strictly a first-class smoke. For sale at the Camden Drug Company. Call for them.

—City councils are elected by the people to spend the money of the people in needed improvements and repairs. This squib is not written in our easy chair, but in one about as hard as that we occupied for four years when serving as an Alderman.

—Have you seen a specimen of the new watermelon, "The People"? It is said to be the finest, scrub specimen of it often weighing more than fifty pounds. You may see a sample of it at this office.

—We want to corner the meat market, and need help. A good country ham or so sent in on subscription will be a good starter, so do not be bashful, but step right up.

—Those three chickens promised us about three weeks ago have not materialized. It is too soon for cholera, and we have not heard of a distracted, or camp-meeting.

—Who was that said we did not advertise patent medicine? Read only this column and be convinced that we do and that largely.

Anything found in our columns of that nature is the real stuff. The White Knight; no smoke to compare with it. For sale at the Camden Drug Company. Try them, and be convinced.

—"Uncle" Henry Davis, our candidate for Vice-President is all right. He is 81 years old, worth \$30,000,000, all of which he made honestly, and is as spry as a young kitten. Let us all hope that he will leave to round out an honorable career in the Vice-Presidential Chair.

# Timmerman for Solicitor.

Read Carefully These Words of Commendation.

Running Unopposed from Lexington.

The readers of the News this week have Captain George Bell Timmerman as the first and only candidate who asks for your suffrage as a candidate for Solicitor of the Fifth Judicial Circuit to succeed Solicitor Thurmond, who is not a candidate for re-election. He is an old Edgefield County boy, born and raised here, and is running unopposed from Lexington County, which has never had a Solicitor, but has helped to elect Edgefield men for thirty-two years. He is the son of that good old Confederate soldier, Dr. W. H. Timmerman. He has had experience with the Solicitor's work, having acted in that capacity at five terms of the court while the present Solicitor was unwell, for which he received no compensation. He is capable in every way of making the District a good Solicitor, and his habits are the best and he can be depended upon at all times to be at his post of duty. He asks for your support and promises: "An honorable campaign and a faithful and fearless discharge of the duties of Solicitor, if elected."

**A Youthful and Extremely Worthy Scion of the Clan.**  
The Timmermans are two-thirds of Edgefield. A youthful and extremely worthy scion of the clan is running for the office of Solicitor of the Fifth Circuit. This man is Mr. George Bell Timmerman, of Lexington, a son of "Dr. Hodge," "old Hodge," "uncle Hodge," "cousin Hodge." Now is the time for Edgefield and the Timmermans to keep the faith.

**Will Make an Efficient Solicitor.**  
Geo. Bell Timmerman, Esq., candidate for Solicitor of the 5th judicial circuit, was in town last Saturday. Mr. Timmerman is a rising young lawyer and will make an efficient Solicitor if elected.

**Possesses a Fine Legal Mind.**  
Geo. Bell Timmerman, Esq., of Lexington, is in the city. Mr. Timmerman is a candidate for Solicitor in the 5th district, and is receiving a good deal of encouragement from all parts of his district. He is a graduate from the law department, South Carolina College, and possesses a fine legal mind.

**A Young Man of Unimpeachable Integrity**  
Col. George Bell Timmerman, son of Gen. W. H. Timmerman, and a prominent member of the Lexington Bar, announces his candidacy for Solicitor of the Fifth Judicial Circuit. Being a young man of unimpeachable integrity and well equipped intellectually, Mr. Timmerman is rapidly coming to the front in his chosen profession. He would render faithful service should the people choose him to serve them in the capacity of Solicitor.

**For the Legislature.**  
We desire to announce as a candidate for re-election to the House of Representatives the Hon. M. L. SMITH, subject to the rules of the ensuing Democratic primary. No greater tribute can be paid to his ability than the fact that he was overwhelmingly elected Speaker of that body after only one term's service, and we feel justified in asserting that his record is one in which the whole State has an interest and pride.  
MANY VOTERS.

**For County Treasurer.**  
Mr. W. R. Hough having announced his intention not to stand for re-election, we hereby place in nomination as most worthy successor, Mr. W. F. MALONE for the office of County Treasurer. Mr. Malone needs no introduction to the voters of Kershaw County, as he is home born and home raised. We must have a good man to succeed Mr. Hough, and W. F. Malone is the man.  
ALL KERSHAW.

**For Clerk of Court.**  
Believing in that good old Democratic principle of "rotation in office," we, friends of Hon. G. W. MOSLEY, present, with much pleasure, his name to the voters of Kershaw County as a candidate for Clerk of Court. Mr. Mosley is a tried man, honest and capable, who will give satisfaction to all the people if elected. Everybody cannot be a Sheriff, but there are a number of good men who would make good Sheriffs, and out of that number the friends of Mr. W. W. HUCKABEE have concluded that he is the man, and hereby place him in nomination for that office.  
VOTERS.

**For Sheriff.**  
I hereby announce myself as a candidate for Sheriff in the approaching primary election of the Democratic party. As I have previously filled this office, extended mention of my capacity to give the people the best service is unnecessary. I rest fully on the support of the voters of Kershaw county.  
JAMES L. HAILLIE.

**For Sheriff.**  
Mr. Editor: Please announce that Mr. J. S. TRANTHAM will be a candidate for re-election to the office of Sheriff, subject to the Democratic Primary.  
Friends.

**To the voters of Kershaw county:** At the earnest solicitation of my friends, I am presenting myself as a candidate for the office of Sheriff of our county. I deem it unnecessary to say anything in relation to my administration of said office during the terms that I served. My record is before you, and I cannot resist the temptation to thank my friends for the support they have given me in the past, and pledge myself to do my utmost to fill the position so that they will have nothing to regret if they again elect me, and I pledge myself to abide the result of the Democratic Primary election.  
R. B. WILLIAMS.

**For County Supervisor.**  
Mr. D. F. DIXON is hereby announced as a candidate for Supervisor of Kershaw County in the coming primary election. Mr. Dixon needs no words of commendation from us. He has served us well in the past, and is well qualified to do so in the future.  
MANY FRIENDS.

Please allow me space in your paper to present the name of Mr. B. M. PEARCE as a suitable candidate for the important position of Supervisor of our County. In asking the people of Kershaw county to vote for Mr. Pearce for this important position, we feel that we are making no mistake, as he is fully qualified to fill the position; and, besides, our section has had no representation in a county office in twenty-five years. Signed,  
MANY VOTERS.

We, friends of good county government, hereby place in nomination for re-election to the office of Supervisor of Kershaw county, Mr. JAMES M. SOWELL. **For County Treasurer.**  
We hereby announce Mr. Geo. P. Logan as a candidate for Solicitor of the Fifth Judicial Circuit and respectfully solicit your support of him in the coming Democratic primary election. Mr. Logan is a gentleman of talent and ability, and will, if elected, make a most satisfactory Solicitor.  
FRIENDS.

The Fifth Judicial Circuit wants none but the best in its Solicitor, and in presenting the name of Capt. N. GEO. EVANS for the position, we think we are offering you the best. Captain Evans is a fine lawyer and gentleman, and will worthily fill the shoes of Nelson and Thurmond.

**For the Legislature.**  
We desire to announce as a candidate for re-election to the House of Representatives the Hon. M. L. SMITH, subject to the rules of the ensuing Democratic primary. No greater tribute can be paid to his ability than the fact that he was overwhelmingly elected Speaker of that body after only one term's service, and we feel justified in asserting that his record is one in which the whole State has an interest and pride.
