Solicitor, Remberts and Timmerman. Finley has been re-elected to Congress. Mabley and Earle will make the second race for Railroad Commissioner.

A CARD.
I wish to extend my thanks to the Democratic voters of the county for the support they gave me in the first primary election, and assure them that I shall greatly appreciate their support in the election to be held next Tuesday. Should I receive the nomination for Sheriff I renew my pledge to discharge the duties of the office to the best of my ability.

I wish also to say in this connection that I did not intend my remarks at Westville to be construed in the broad sense in which I understand they were by some. What I intended by my remarks were that negroes were allowed to vote at the Shaylor's Hill box against me, notwithstanding it was understood that no negro should be allowed to vote in the independent primary ordered by the executive committee. These negroes voted last Tuesday for my opponent, and I suppose the managers will allow them to vote again next Tuesday, although it ought to be a well known fact, that under the Democratic rules they can not vote, for where is the negro to be found who voted for Hampton in '70, and has continued to vote the Democratic ticket ever since and can get at least ten white men to certify that he has done so?

Again assuring the Democratic voters of my appreciation of their support, and trusting that they will see fit to bestow their suffrage upon me next Tuesday, I am

Sincerely yours
R. B. Williams.

Endorsement of M. B. Rabon by those who know him best.

We, the undersigned, know M. B. Rabon well, and have always known him to be a sober, honest and industrious young man. We heartily endorse his candidacy for Auditor, and recommend him to the voters of Kershaw County.

To the People of Kershaw County.

I desire to thank the whole people of Kershaw County for the kindness and attention paid me during the progress of the campaign for the nomination of County officers in the first primary, and I especially thank those voters who stood by my back in that election. In this connection I want to say that if any report reaches your ears as coming from me, which affects in the slightest degree the private character, or mode of life of my opponent, Mr. D. K. Hough, in the second primary on the 13th inst, I brand the same as a deliberate falsehood. My feelings towards Mr. Hough personally are of the kindest nature, but I hope that, with your assistance, I will succeed in beating him for the nomination.

Let me urge you all to come out as fully in the second primary as you did at the first and record your vote for me if you consistently can.

Again thanking you, and hoping that through you, I will be your next Treasurer, I am

Yours truly,
D. M. McCaskill.

Card of Thanks.

Mr. W. W. Huckabee request us to extend his thanks to those who supported him in his recent race for Sheriff, and to tell them to be of good heart as he expects to stand for the same office again, and he hereby advises all prospective competitors to stand aside.

Respectfully Signed,
W. W. Huckabee,
