### Fire Alarm System.

The city is having the Gamewell Fire Alarm system put in. The complete system will cost us about \$2200, payable \$400, annually, with interest at 5 per cent per annum on all unpaid balance. If the system is what it should be, the price is little enough.

### Death of Baron von Treskow.

After a protracted and painful illness, Baron Egmont C. von Treslow breathed his last at his home in Kirkwood in the early morning of Oct. 18th. His remains were interred in the old Quaker cemetery here on Saturday, the 15th inst. The Baron was Prussian by nativity, but a thorough American in thought and sympathy, and we regret to lose him. His wife and one son survive him to whom we extend condolence.

### Death of Stephen Self.

Death, the grim reaper, has claimed for his own another land-mark of the county, and a gallant old Confederate soldier. Stephen Self, well known to all the survivors of the most mortal struggle of modern times has answered to the last roll call, and has passed over the river to rest with Jackson "Under the shade of the trees." Though but a private in the ranks, he now equals in position his leaders in the gigantic struggle in which the man behind the gun decided the destiny of a nation. Stephen Self was all of a soldier, fearing his God, and serving his country. Peace to his ashes. We cannot give the exact date of his death, it not having been given to us. It occurred however during last week or the week before.
