

**Patent Medicine Ads.**

We have no objection to the introduction of reputable patent medicine advertisements in our columns, and after due investigation, cordially recommend those now running.

**Box Supper.**

There will be a box supper at Sandy Grove church Saturday night Oct. 29 about early candle light for church purposes. The public is cordially invited to attend. Chronicle and Messenger please copy.

**Birth.**

We record with pleasure the delayed announcement of the birth of a fine son to Mr. and Mrs. Henry Eichel on October 9th. We hope the little Eichel will grow up into as good a fellow, and as fine a dry goods man as his father.

**Advertising.**

If an advertisement in The People is benefitting the advertiser we are always glad to hear of it. If it (the ad.) is not paying, we will be equally glad to hear of it. We do not want a dollar of any man's money for which we do not give value received with interest added.

Every reader of the paper who does any trading with any of our advertisers, will confer a special favor on us by mentioning that he, she or they saw the ad. of the merchant in The People.

**At the Opera House.**

The Lovett aggregation of "Boston Stars" which showed in our opera house on last Wednesday night was a magnificent performance. No opera company that has previously performed before a Camden audience can approach this collection of STARS in excellence in the rendering of the various numbers on their program. The audience, while not large, was appreciative, and by numerous encores testified to the fact that a love for good music, well rendered still exists to an at least limited extent in the breasts of our citizens.

**More Cotton Pickers.**

The Anderson Mail gives an account of a record-breaking cotton picker in that county. It says:

"On Thursday Miss Lizzie Pearman, daughter of Mr. John Pearman of the Honea Path section, a young lady still in her teens, picked 600 pounds of cotton. This made Miss Pearman's record for the week, up to Thursday night, over 2,200 pounds, or an average of more than 550 pounds per day. On Thursday a young brother of Miss Pearman picked over 500 pounds. This beats all the records in Anderson county, so far as anybody knows."

In last week's Enterprise appeared the names of two young men in the Dwight section of Lancaster county, W. A. and Jud Lingle, who in one day together picked 1038 pounds, an average of 519 pounds apiece.—Lancaster Enterprise.

**Farmers Meeting.**

The meeting of Farmers on last Saturday, called for the purpose of entering a protest against the edict of our local cotton buyers that only 6 yards of bagging and 6 ties should be used, instead of the customary 9 yards of bagging, was well attended.

The audience was addressed, and the object of the meeting pointed out and explained by Messrs B. H. and L. W. Boykin, their remarks being supplemented by short speeches by Mr. B. C. Cook, Dr. D. L. DeSaussure and the chairman, Mr. W. K. Thompson.

Resolutions of protest were prepared by a committee consisting of Messrs. H. G. Carrison, L. W. Boykin and J. F. West and passed. A permanent organization was effected to be known as the Farmer's Union for the better protection of the Farming Class.
