Pine Grove News.

Misses Lizzie Gibson and Less Gibson of Rockingham are now visiting Mrs. Ella Fletcher.

Miss Alma Bethea will leave for Hendersonville, Tuesday, 4.

Mr. J H Roper, of Washington, D. C. is visiting his relatives around Pine Grove now.

Miss Boykin is visiting Miss Annie C Delle Fletcher.

Miss Lois Breeden is visiting Mrs. Hugh McColl of Clio, S. C.

Mr. J T Breeden and his family, Mrs. B F Moore, and Miss Sue Fletcher have been spending a few days at Jackson Springs.

Will Breeden, Jim Gibson and Nelse Adams spent a few days at Wrightsville Beach last week.

Miss Anna May McColl, of McColl, is visiting her friends around Pine Grove.

Miss Lee Parker has returned from Dunbar where she has been visiting.

Saturday, Aug. 2, Pine Grove's second nine was defeated in a score of eleven to eight by Gibson's first. The game was a very tight one from the start but on account of the absence of Tom Loving who usually catches for Pine Grove, the Pine Grove players were defeated, but are confident that if they could have had him, they would have won a great victory over the Gibson first team. The line up for Pine Grove was as follows: E Fletcher, C; C Adams, p; D Breeden, 1st b; O Fletcher, 2nd b; H Roper, 3rd b; E Breeden, s s; E Ransom, r f; J Adams, c f; F Adams, 1 f.

The features of the game were: 1. The wild and unsteady pitching of Jim Pate who pitched about half the game for Gibson, but couldn't hold out to pitch all of the game.

2. The good pitching of Carl Adams who pitched the whole game for Pine Grove.

NAMES OF THE FAMILY HEADS

IN THE CAROLINAS AT FIRST CENSUS IN 1790

Can be Obtained From the Census Department for \$1. for Each State.

Bureau of the Census, Department of Commerce and Labor, Washington D C, Aug 1st.

About a year ago your attention was called to the fact that Congress had authorized the Director of Census to publish, during the fiscal year 1907, the names of heads of families with related data secured upon the schedules of the first Census of the United States,

DANIEL T. HARGROVE

The Clio Correspondent of the Democrat.

1790, and that under that authority the Director of the Census announced the publication of the returns for three states, New Hampshire, Vermont, and Maryland, the resources of the Bureau not being sufficient to complete these publications.

During the session of Congress just closed, authority was granted the Director of the Census to continue the publication of the returns for the remaining states for which records are in existence during the present fiscal year. Accordingly the returns for Maine, Massachusetts, Rhode Island, Connecticut, New York, Pennsylvania, North Carolina, and South Carolina have been compiled and are now in press.

In addition to the above, the state records for Virginia for 1782 to 1785 have been obtained from the state government and will be used in lieu of Census returns.

As in case of previous issues, each state will be published separately as a part, or volume, consisting of from 100 to 300 pages, handsomely printed upon laid antique paper, sewed and bound with turned handsome covers. Each part will be fully indexed, and will contain a front piece a map of the state represented, 11 by 17 inches in size, reproduced by lithography from an atlas published in 1796.

In accordance with the law, these pamphlets are offered for sale by the Director of the Census at the uniform price of \$1 for each part. A limited number of sets will be bound up, so that all parts will appear in uniform cloth binding of a substantial character, making approximately four volumes.

No extra charge will be made for the cloth binding in such cases.

As your state is one of the original states enumerated in 1790 for which the returns are being published, as above explained,

I desire to ask your cooperation in making known the publication of these important historical records, since the patronage will of course come principally from persons in the states for which the returns are printed, or from residents of other states who are the descendants of persons included in the enumeration. Inclosed herewith you will find sample pages presenting certain historical and explanatory matter.

Very respectfully,
S. N. D. North,
Director of the Census.

Doings At Dunbar.

Dunbar July 29.—After a hard summer's work the farmers are enjoying a series of holidays while they seem to appreciate to the fullest, from the bright merry faces I see in town every day, and the labor of their hands have certainly been blessed for crops are good in this section, though some complain a little, say it is too wet; human nature must have its way.

Miss Carrie Ausley who has been visiting Miss Myrtle Bohn has returned to her home at Midendor.

Mr D M McQueen and his son Jamie are spending some time at Moores Springs N C.

Miss Ada Wright and Mrs T. Antry have just returned after spending several days at Wrightsville.

Misses E. W. and J. C. Allen, of Latta were visiting in the city Sunday.

Mr and Mrs M A Hunter, of Sellers spent a few days this week with the latter's father Mr D D Campbell.

Miss Ethel Stackhouse, is spending several days in Hebron with her friend Miss Lizzie Parker.

Mr Earle Smith of Dillon is visiting relatives in this section.

Miss Kate Hayes of Little Rock has been spending some time with relatives near Dunbar, and since she has returned to her home, some of the boys are wearing long faces what does that mean Jim?

Miss Lula Wright of Bennettsville is visiting relatives near town.

Politics and picnics are the topic of the day now. The first thing one will ask you, are you going to the picnic Wednesday? The next, who are you going to vote for, for congress? Now lets cut this out, and all go to Sunday school, at Dunbar Sunday P M, at 3 o'clock and see what they do out there.

Campaign Conditions.

Since the Denver Convention Mr. Bryan has been very active. He has talked into a phonograph machine to the value of \$1000. His machine speeches will be used in the campaign. He has organized his system of collecting campaign funds. He does not want the large contributions from predatory wealth, but the mites from farmers, negroes, labor unions, women and all sorts of common people. He has also resigned the editorship of the Commoner and has cleared the decks for battle. His old enemies, Henry Watterson and Senator Daniel have surrendered and will work day and night for him. The fact is Bryan has every thing his own way and is planning for housekeeping on a novel scale in Washington.

On the other hand the Republicans have been very quiet. No collections have been made for campaign purposes. Mr. Taft has been playing golf at Hot Springs, Va., until Thursday when he went to Oyster Bay to submit his address of acceptance. No records of speeches have been made for phonographs. There is little sign of activity along the battle line. There is apparent indifference among the leaders of the party. Such is the condition just three months before the election.—Carolina Spartan.

ANOTHER BIG LAND DEAL

THE H. K. COVINGTON PROPERTY

Will be Divided and Sold at Public Auction by American Realty & Auction Company.

Mr J C Penny representing the American Realty and Auction Company have closed a contract with H Kemper Covington to sell his entire property at public auction where he now resides. The property will be divided and sold in resident lots. This will be a grand opportunity for home seekers and business men desiring to make a safe investment.

Watch this paper for announcement of sale which will take place at an early date. This is a reliable company and will do just as they advertise, and sell lots to the highest bidder regardless of price.

They never allow any by-bidding but sell fair and square to one and all alike, people who attended the sale at the Murchison Park property will attest to this fact. They sell lots at the rate of one a minute.

MARTIN R. PRESTON.

ANTE-BELLUM HOME BURNED

Old Clarence Rogers Residence Destroyed Last Week

Brownsville June 30th.—this community was shocked to find upon awakening this morning the fine old residence of Mrs. Clarence B Rogers reduced to ashes with all its contents.

The inmates, Mr F. E. Rogers and mother, wife and sister, lost all their personal effects except two trunks. this old structure was about one hundred and twenty years old, and it has been said that the builder was ten years in selecting the building material. It was a three story building of colonial style and it was a dear old landmark for this section. The library contained a valuable collection of rare old books covering the choice of various heads of the family for longer than a century. The community feels a personal loss and sympathizes with the owners.
