When the first mine crossed bats with the old men of the place. By the "old men" we do not mean to reflect upon the hoary sires of Tatum. We mean only those whose remarkable records have grown old in Base Ball circles. The veterans were represented by some of the best talent Tatum has ever produced. Although they were defeated by a score of 10-0 the boys of olden times made it real interesting for the amateurs. The main feature of the game was Covington's spectacular work for the veterans in left field.

LIQUOR INTERESTS

Said to be Using Money in This State

Senator Blease's home paper, the Newberry Observer, which is opposing his election as governor, said last week:—"If reports from various sources are true, there is a good deal of money being sent into South Carolina in the liquor interest. What the wholesale liquor manufacturers and liquor dealers want is that South Carolina shall again be the field for their wares that it once was, and they are willing to spend piles of money to make it so.

"To our thinking there is only one real issue involved in state politics in South Carolina—the issue between liquor-selling and prohibition—the issue upon which the campaign was fought two years ago; the issue upon which it will probably be fought two years hence, and every year until the people shall bury this issue so deep by their votes that there shall be no resurrection for it. The talk about extravagance and mansions and immigration does not amount to a row of pins, in our estimation, in comparison with the overwhelming issue whether the state of South Carolina shall engage in the business of liquor-selling or whether it shall prohibit the sale."

"I have found Bucklen's Arnica Salve to be the proper thing to use for sore feet, as well as healing burns, sores, cuts, and all manner of abrasions," writes Mr. W Stone, of East Poland, Maine. It is the proper thing too for piles. Try it! Sold under guarantee at

DONALD McCOLL, JR.

Candidate for Re-election to the House of Representatives.

Delay Has Been Dangerous in Bennettsville.

Do the right thing at the right time.

Act quickly in times of danger. Backache is kidney danger. Doan's Kidney Pills act quickly. Cure all distressing, dangerous, kidney ills.

Plenty of evidence to prove this. D. R. Norris, living one and one half miles north of Darlington, S. C., says: "I am pleased to recommend Doan's Kidney Pills and give this testimonial in the hope that some sufferer may be benefited thereby. I have to drive several miles every day and I believe that the constant jarring of the rig caused my kidneys to become affected, at any rate, my back became very lame and sore and ached nearly all the time. Mornings after arising, it would be quite awhile before I could get about with any great degree of freedom, and though I used plasters and rubbed my back with liniments, I did not get any better. When the kidney secretions began to act regularly and contained a sediment, I concluded that the trouble arose from my kidneys, and as I had been told about the merit of Doan's Kidney Pills, I bought a box. I had taken them only a short time when the backaches ceased, the kidney secretions became regular and I felt better in every way."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

McColl for the House
The card of D. D. McColl Jr., announcing his candidacy for re-election to the house of representatives, appears in this issue. Mr. McColl needs no introduction to the people of Marlboro. He has thrice been elected to the house from this county at the head of the ticket. After his last election he came very near being elected speaker of the house, being defeated by a very narrow margin by Mr. Whaley of Charleston.
