

### A STEADY DRAIN.

**Sick Kidneys Weaken the Whole Body--Make You Ill, Languid and Depressed.**

Sick kidneys weaken the body through the continual drainage of life giving albumen from the blood urine, and the substitution of poisonous into the uric acid that goes broadest through the system, sowing the seeds of disease. Loss of albumen causes weakness and languor, depression. Uric poisoning causes rheumatic pain, nervousness, nausea, cricks in the back, gravel and kidney stones. The proper treatment is a kidney treatment and the best remedy is Doan's Kidney Pills. Here is good proof in the following testimonial:

H. P. Lane, Marion, S. C., says: "For more than a year I suffered from backache and sharp pains through my loins. In the morning on first arising I was so lame and stiff that I could scarcely get around and some days I was unable to work. My kidneys were sluggish and the secretions very unnatural. I heard so much about Doan's Kidney Pills that I concluded to give them a trial and procured a box. After a brief use I felt better than I had for years. My back became stronger, the lameness and soreness disappeared and my kidney secretions were regular in passage. You may use my testimonial if it will prove of benefit to any other person suffering from kidney troubles."

For sale by all dealers. Price 50 cents. Foster-McMillan Co., Buffalo, New York, sole agents for the United States. Remember the name--Doan's--and take no other.

### News from Wampee.

Mr Editor: Will you allow me space in your valuable paper for a few words? The union at Union Valley church was quite a success. It was attended by a large crowd from far and near and all seemed to enjoy the occasion.

Mrs Wm Stanley and daughter, Miss Florrie, called on Mrs Thompson last Sunday afternoon.

Prof Willis Watson, who is teaching near Louis, was in this section last week. Uncle Sam Todd, father of Prof H R Todd, who is manager of several colleges owned by Prof Droughon, attended the union last week.

Misses Lyda and Marie Fennell spent last Saturday afternoon with Misses Thefts and Annie Suggs.

Misses Blanche Vaught and Clara Watson were in this section recently.

Mrs B M Harrelson, of Tabor, N. C., is visiting her daughter, Mrs J A Bell.

We have no marriages to report this time, but we are listening for the wedding bells to ring every day.

### Deafness Cannot be Cured

by local application, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Halls Catarrh Cure. Send for circulars, free.

### Children's Day.

Dear Editor: We are expecting to have a children's Day at Grassy Bay Sunday school on Sunday, July 4th. The exercises will open at 2 o'clock p. m., by the Superintendent reading some selected Scripture suitable for the occasion. There will be some appropriate singing by the Sunday school choir, then the general programme will be carried out after which there will be an intermission of 15 minutes. The congregation will reassemble when addresses will be made by prominent speakers in the following order: Bro S Q Floyd from Pleasant View, Sunday school and Sunday school work, Rev P B Carter from Pleasant Meadow, the profit there is in Children's Days toward a young Sunday school, Rev J P Coleman from Honey Camp, the mission work of the American Baptist Tabernacle Society. A liberal offering for same is expected.

We want good attention and must have good behavior, we will use the law for protection, but no trouble is wanted neither expected, so lets have good order and a good time and a great deal of benefit is guaranteed. We wish to extend an invitation to the following Sunday schools to be with us and participate in the exercises, Honey Camp, Pleasant View and Mt Olive.

J H Causey, Superintendent.

### A Thrilling Rescue.

How Bert R. Lean, of Cheny, Wash. was saved from a frightful death is a story to thrill the world. "A hard cold," he writes, "brought on a desperate lung trouble that baffled an expert doctor here. Then I paid \$10 to \$15 a visit to a lung specialist in Spokane, who did not help me. Then I went to California, but without benefit. At last I used Dr King's New Discovery, which completely cured me and now I am as well as ever." For lung trouble, Bronchitis, Coughs and Colds, Asthma, Croup and Whooping Cough its supreme! 50c. and \$1.00. Trial bottle free. Guaranteed by Norton Drug

### Correction to Some Fine Beef.

Mr Editor: In the Herald of May 27th an error was published with some purpose favorable to the stock law. The beef cattle was represented as pasture fed. They were raised in the woods at large on the range without feed or pasturing and not raised by C B Newton. Neither was extra price received for the beef nor did it weigh more than 1020 pounds live weight.

What do we want with the stock law when cattle can raise themselves on our stock range?

Mr Editor, to have the beef correctly represented is my motive for this correction. Respectfully, &c., C B Newton.

Stalvey, S C.
