

WEAK KIDNEYS MAKE WEAK BODIES

Kidney Diseases Cause Half the Common Aches and Pains of Conway People.

As one weak link weakens a chain so weak kidneys weakens the whole body and hasten the final breaking down.

Overwork, strains, colds and other causes injure the kidneys, and when their activity is lessened the whole body suffers from the excess of uric poison circulated in the blood.

Aches and pains and languor and urinary ills come, and there is an ever increasing tendency toward diabetes and fatal Bright's disease. There is no real help for the sufferer except kidney help.

Doan's Kidney Pills act directly on the kidneys and cure every kidney ills.

No need to take the statement of some one living far away as evidence. Here's a case right here in this locality:

Mrs E J Olsen, 817 E Evans St., Florence, S. C., says: "I have used Doan's Kidney Pills and they have helped me wonderfully. I suffered severely from backache and had distressing pains through my loins. Occasionally my back became so lame that I could not stoop or lift. My kidneys were weak and the secretions from these organs caused much annoyance. I doctored for these troubles but received no relief until I procured Doan's Kidney Pills. After I had taken the contents of one box, my back became stronger and my kidneys were normal. I am now feeling better, am able to rest well and know that I owe my present good health entirely to Doan's Kidney Pills."

Gone but Not Forgotten.

On Sunday, April 24th, 1910, the blessed Lord sent his summons, the death angel, to the home of Mr and Mrs J J Anderson, near Conway, S. C., and took from it its only joy and pride, our little Dora. She was sick but a short while. Little Dora was a bright and loving child and was only one year and three days old when God saw best to take her to live with him in heaven. She was loved by all who knew her. All that parents and friends could do could not stay the hand of death but the good Lord knew best and in his matchless love and unerring wisdom saw fit to pluck the tender flower and transplant it in the beautiful garden of eternal love. She was laid to rest on the following day in the cemetery at Centenary M E Church and was funeralized at the home on Monday morning at 10 o'clock by the Rev Mr Goldfinch, of Conway. While we feel that we have lost a prize we know that little Dora is in the arms of Jesus around the great white throne in heaven.

Marvelous Discoveries

mark the wonderful progress of the age. Air flights on heavy machines telegrams without wires, terrible war inventions to kill men, and that wonder of wonders—Dr King's New Discovery—to save life when threatened by coughs, colds, la grippe, asthma, croup, bronchitis, hemorrhages, hay fever and whooping cough or lung trouble. For all bronchial affections it has no equal. It relieves instantly. Its the surest cure. James M Black, of Asheville, N. C., R. R., No 4, writes, that it cured him of an obstinate cough after all other remedies failed. 50c and \$1.00 A trial bottle free. Guaranteed by the Norton Drug Co.

Gurley Dots.

Mr Editor: Please allow me space in your valuable columns for a few lines. Health of the community is generally good at this writing. Crops are generally good considering the cool and dry weather. Some of the young folks attended the unveiling ceremonies of Andrew Fletcher Prince's monument at Loris recently. Among those who attended were Mr Edward Prince and his sister, Miss Rosella, and Mr Herbert Anderson and his sister, Miss Maude. Mr S P Elliott, of Zoan, was seen on our streets several days ago. Mr Elliott has some warm friends here. Messrs S O Hughes and Whaland Stanley, of Loris, attended preaching here recently. Rev Wilson D Pridgen held a revival meeting here recently and it was a grand success. There were six added to the church and sixteen conversions. Miss Mattie Mishoe has returned home after spending some time with her sister, Mrs Lula Sullivan at Bethune, and reports a grand time. I will close for this time with much success to the dear old Herald and its many readers. Blue Eyes.

The Conway Chapter of the noble order of the Sons of Rest will soon organize for the summer.

A Woman's Great Idea

is how to make herself attractive. But without health it is hard for her to be lovely in face, form or temper. A weak sickly woman will be nervous and irritable. Constipation and kidney poisons show in pimples, blotches, skin eruptions and a wretched complexion. But Electric Bitters always prove a God send to women who want health, beauty and friends. They regulate Stomach, Liver and Kidneys, purify the blood; give strong nerves, bright eyes, pure breath, smooth velvety skin, lovely complexion, good health. Try them. 50c at Norton Drug Co.
