The Horry Exemption Board Calls Three Hundred More--- Half Called for next Tuesday, and Half for Wednesday

SOME NOT EXEMPTED FROM FOLLOWING LIST May Soon be Needed to Fill Gaps Caused by Exemptions by District Board on Appeals.

The local exemption board of Horry County, last Thursday morning decided to call for examination three hundred more of the young men registered for military duty.

These extra 300 men are not called to form part of another quota which will of course be needed some time in the future for another increment of the new national army; but from this three hundred to be examined next Tuesday and Wednesday, the board will take any that may be needed to fill the present quota of 233.

The three hundred are to be examined as follows: the first 150 whose names follow are notified to be here for physical examination on next Tuesday, Sept. 11th, the last 150 in the following list are notified to be here on Wednesday the 12th, and the hour is 8 o'clock in the forenoon.

Do not confuse this list of 300 with the first list of 466 examined. This present list of 300 come next in order after 466 first examined. If your name appears in this list of 300, you may be called to take the place of some man exempted out of the first list of 466; but if you are not needed for filling such a vacancy, then you will not be called until probably some time in 1918 when the government goes to make up the second increment of 657,000 men for the national army.

This second list of 300 called for medical examination was not decided upon by the local board until after the Herald went to press this week, hence in order to place the news among its subscribers at the earliest possible moment regarding this second call, the Herald decided to run half of its edition (four pages) as a special edition under date of Sept. 8th, and give its readers advance information of the action of the local board.

See if the name of your son, your nephew your brother, or your friend, appears in this second list: "Notices mailed Thursday says: "The following-named persons are hereby notified that, pursuant to the Act of Congress approved May 18, 1917, they are called for military service of the United States by this Local Board. The serial number and the order number of each of such persons is shown below. They will report at the office of this Local Board for physical examination on the 11th day of September, 1917, at 8 o'clock a. m. Any claim for exemption or discharge must be made on forms which may be procured, or the form of which may be copied at the office of the Local Board, and must be filed at the office of this Local Board on or before the seventh day after the date of posting of this notice. Your attention is called to the penalties for violation or evasion of the Selective Service Law approved May 18, 1917, and of the Rules and Regulations which may be consulted at this office."
