IRON FINE FOR BLEEDING GUMS

If Troubled With Sore, Bleeding Gums, Use This Mouth Wash the Dentist Uses

GOOD FOR CUTS AND OLD SORES

Any person troubled with sore bleeding gums, which oftentimes are almost too sensitive to touch, will be relieved after rinsing the mouth with a half-and-half solution of water and natural iron, known as "Acid Iron Mineral" which may be secured at most every drug store.

Dentists use it to stop bleeding and as a mouthwash when extracting teeth and it is perfectly harmless. It acts as a germicide and antiseptic as well as a splendid healing agent.

For cuts, this same natural iron fine, pouring a little on the spot, stops bleeding and prevents soreness and festering. Thousands of people troubled with old sores never healing have found the solution in Acid Iron Mineral, which being a highly concentrated form of natural iron makes a superb external remedy.

Go to the nearest drug store and ask for a bottle of Acid Iron Mineral. If druggist hasn't it, send \$1 to the Ferrodine Chemical Corp., Roanoke, Va., for a large bottle.

NOTE: For piles, ulcers, sores and skin affections, the Ferrodine Chemical Corp. has perfected an ointment consisting of this highly concentrated natural iron and soothing medicinal elements, which combined makes this ointment unexcelled. Ask your druggist for a fifty cent jar of "A-I-M Ointment" or send direct.—adv.

A FAMILY MEDICINE

In Her Mother's Home, Says This Georgia Lady, Regarding Black-Draught. Relief From Headache, Malaria, Chills, Etc.

Ringgold, Ga.—Mrs. Chas. Gaston, of this place, writes: "I am a user of Theford's Black-Draught; in fact, it was one of our family medicines. Also in my mother's home, when I was a child. When any of us children complained of headache, usually caused by constipation, she gave us a dose of Black-Draught, which would rectify the trouble. Often in the Spring, we would have malaria and chills, or troubles of this kind, we would take Black-Draught pretty regular until the liver acted well, and we would soon be up and around again. We would not be without it, for it certainly has saved us lots of doctor bills. Just a dose of Black-Draught when not so well saves a lot of days in bed."

Theford's Black-Draught has been in use for many years in the treatment of stomach, liver and bowel troubles, and the popularity which it now enjoys is proof of its merit.

If your liver is not doing its duty, you will suffer from such disagreeable symptoms as headache, biliousness, constipation, indigestion, etc., and unless something is done, serious trouble may result.

Theford's Black-Draught has been found a valuable remedy for these troubles. It is purely vegetable, and acts in a prompt and natural way, regulating the liver to its proper functions and cleansing the bowels of impurities. Try it. Insist on Theford's the original and genuine. E 79

CALOMEL SALIVATES AND MAKES YOU SICK

Acts like dynamite on a sluggish liver and you lose a day's work.

There's no reason why a person should take sickening, salivating calomel when 50 cents buys a large bottle of Dodson's Liver Tone—a perfect substitute for calomel.

It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can not salivate. Children and grown folks can take Dodson's Liver Tone, because it is perfectly harmless.

Calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today, and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tone instead and you will wake up feeling great. No morbiliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says, if you don't find Dodson's Liver Tone acts better than horrible calomel your money is waiting for you.—adv

NO INFORMATION AS WHO GOES ON 19TH

The call for the 40 per cent. of the quota for Sept. 19th, will be composed entirely of white men, according to a letter received by the local board on the 10th. Up to the time of going to press with this issue, the local board had not received the names of those who will constitute the 40 per cent. to leave on the 19th, and hence we can give no information as to who they are in this issue. There will be no negroes in the crowd and that is all we know. It was also stated that the district board might have to call more than 40 per cent from this county to make up a shortage existing in some others.

Safeguards Health of The Children

Constipation, or inaction of the bowels, is a great menace to health. Cathartic or purgative remedies should never be given to children as the violence of their action tends to upset the entire digestive system. The standard laxative is far preferable, and the combination of simple laxative herbs with pepsin known as Dr. Caldwell's Syrup Pepsin, and sold in drug stores for fifty cents a bottle, is highly recommended. This preparation contains no opiate, narcotic or habit-forming drug of any description, is mild and gentle in its action, and brings relief in an easy, natural manner. Its pleasant taste appeals to children and they take it readily. Thousands of mothers have testified to the merit of Dr. Caldwell's Syrup Pepsin, and in countless homes it is the standard family remedy. A trial bottle, free of charge, can be obtained by writing to Dr. W. J. Caldwell, 456 Washington St., Monticello, Illinois.

CARD OF THANKS.

I desire to thank Dr. A. D. Lewis, Dr. J. A. Stone and Dr. J. S. Dusenbury, for valuable services rendered to the board this week in examination of registrants; I also appreciate the aid of Thurman Sparks and Andrew Johnson as clerks.

—Dr. H. H. Burroughs.

LEMONS WHITEN AND BEAUTIFY THE SKIN

Make this beauty lotion cheaply for your face, neck, arms and hands.

At the cost of a small jar of ordinary cold cream one can prepare a full quarter pint of the most wonderful lemon skin softener and complexion beautifier, by squeezing the juice of two fresh lemons into a bottle containing three ounces of orchard white. Care should be taken to strain the juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whitener and beautifier.

Just try it! Get three ounces of orchard white at any drug store and we lemons from the grocer and make up a quarter pint of this sweetly fragrant lemon lotion and massage it fully into the face, neck, arms and hands. It is marvelous to smooth rough, red hands.—adv.
