MOVEMENTS OF DRAFT EXTENDED TO MARCH

Washington.—Movements of men to complete the first draft beginning on February 23, will not be completed within the following five days as originally planned but will extend over into March.

A movement not included in previous announcements will begin March 4 moving 10,077 men to Fort Oglethorpe, Ga., and Camp Funston, Kas.

The following increments of white men will go to Fort Oglethorpe: Delaware, 284; New Jersey, 940; Michigan, 1,500; Ohio, 1,500; West Virginia, 1,520; making a total of 5,741. The following states by the call

issued today, will have on March 4 sent to camp all remaining white men in their quotas: Delaware, New Jersey, Arizona, Colorado, Missouri, Nebraska, New Mexico and South Dakota.

Provost Marshal General Crowder today notified governors that classification of selected men virtually has been completed and that in the future local boards' duties will consist only of supervising of the drawing of units from their respective communities and reclassification of men undergoing change of status.

Easy to Raise Sheep.

Sheep are docile, easily handled, will live on a greater diversity of food, will thrive on pastures earlier in the spring and later in the fall and require less grain than other stock.

STOP! LOOK! LISTEN! —RED CROSS—

The regular meeting of the Red Cross chapter, which should be held Friday afternoon, February 22, has been postponed by the Executive Committee until the next regular meeting March 8, because of the Chautauqua entertainment.

Tuesday, February 12, the Shopping Committee sent to headquarters a box containing the following articles: 40 pr. pajamas, 45 sweaters, 10 pr. socks, 1 helmet, 5 mufflers, 5 pr. mittens, and 10 hospital shirts. This box is the result of the work done during January and is considered by the committee a good result, the best work turned in yet. Let us make the February box equally as large, if not larger.

DEATH OF A CHILD.

It is with the heaviest hearts we have ever known that we attempt to write a short account of the death of our little son, Archie Blake. He was in declining health for several weeks but was seriously ill only a few days. He was the fourth in a family of two boys and three girls. He died on Jan. 30th last, at the tender age of three and was buried at Sweetwater Branch on the following day, where a host of friends and relatives were in attendance. The funeral services were conducted in an interesting and impressive manner by the Rev. D. B. Causey, Mr. and Mrs. H. G. Johnson.
