Delicious Biscuits and Muffins

Housewives who have tried many kinds of flour know they can get the most delicious and appetizing bakings of all kinds when they use the famous

SENSATION SELF RISING FLOUR

Feathery biscuits and muffins that rouse the dullest desire are certain to result when made with this brand. Sensation is made only from best wheat and the capacity of the mills is 1,000 barrels a day, thus assuring an ample supply to meet the increasing demands that are coming from all parts of the South.

An important factor is that no baking powder, soda nor salt is required, all of the ingredients that are needed being so exactly mixed in the flour that it cannot fail in baking.
