HOLDERS OF BONDS TO EXCHANGE NOW!

Holders of Liberty Bonds for which all the coupons have been clipped are requested to take the securities immediately to their banks here which will transmit them to the Federal Reserve Bank of Richmond where they will be exchanged for bonds having coupons covering all interest payments for the rest of the life of the bonds. Word to this effect has been sent out from Washington.

Moreover, whenever Liberty Bonds paying 4 per cent are sent in, new bond paying 4 1/4 per cent interest will be issued.

In the Federal reserve district many Liberty Bonds were bought which when issued carried only six interest coupons. These are known as "temporary" bonds. Their coupons have fallen due. The government now wishes to issue "permanent" bonds in their place.

The additional one-fourth of one per cent interest offered on the unconverted 4 per cent bonds is now being lost by the bond-holders. The higher rate of interest will be paid from the next interest date, however, to all owners of 4 per cent Liberty Bonds in this district, the Treasury Department has announced, who will be able to take advantage of the new plan of Richmond for conversion into 4 1/4 per cent bonds.
