Miss Mary Howard Elwell accompanied her aunt, Miss Lorena Thigpen, to her home in Burgaw, N. C., and will remain there some time with her grandmother.

Some silly editor, the other day thought that there was now a less number of stills in South Carolina because less than usual had been reported as captured. It is too hot to hunt stills now in the thick bays where they usually are set up and conducted, and that is doubtless the reason, or one of them, why no more have been reported as caught within the last two or three weeks.

Dr. Clifton, specialist, diseases, eye, ear, nose and throat at Conway Drug Co., after Tuesday, 24th. Glasses fitted. No charges to the poor. adv.
