### Jesse Ellis.

Whereas, on the 16th of August, last, and since our last quarterly conference for this circuit, God, in His in infinite wisdom has seen proper to call from the scenes of the Church Militant to the scenes of the Church Militant to the so far. Fall oats are practically gone realalties of the Church Triumphant our and wheat sorry. One good, big crop venerable brother, Jesse Ellis, and, of cotton and the farmers will be goners whereas, by his death, the community has lost a most worthy citizen whose example was uplifting and inspiring to all people of his acquaintance, and the church has been deprived of a faithful, zealous worker and his faithful companies to the companies of the compa ion has lost a devoted husband and his children, a loving father, while we have all lost a friend, and

Whereas, we desire to give some testi-mony of our appreciation of the excellent character and exemplary, christian walk of our deceased brother.

Be it Resolved by this the Fourth Quarterly Conference of Pickens circuit, that in the death of Brother Jesse Ellis, we are admonished of the uncertainty of life, yet by his example we are assured of a true and lasting reward for the faithful.

Resolved further: Tkat it is the sense -Mr. Jerre Looper has sold his fine of this conference that, by his death, the horse; it will be difficult for him to find church has lost one of her most consecuted members and the community one of this conference that, by his death, the crated members and the community one

of her most exemplary citizens. Resolved further: That the sympathics of this conference be extended to his widow and children and to his other relative, and that a copy of these resolutions be spread upon the minutes of this

Done in Conference this 25th day o October, 1901. J. B. WILSON,

J. L. O. THOMPSON, Sec'y.

## LIBERTY.

February came thundering in and went thundering out with heavy rains, high winds and hail. Hail covered the ground here but no damage was done.

That one mud hole is still very much in evidence, very much enlarged and Monaghan Mills, Greenville.

—A good many people who onght to be fairly good judges say that the amount of commercial fertilizers that will be used this year will be a great

squatter described to the Arkansas traveler; he said "there was a slough just over there with a fust rate road about eix feet under there boggy enough to mire a saddle blanket, etc." and just sawed on his old fiddle.

Something will have to be done soon or people can't travel if the rain continwill do more good in the mud holes than in the cotton patches.
