INTERESTING BUDGET OF NEWS AND NOTES FROM BUSY BELTON

CLAUDE A. GRAVES, Correspondent.

Belton, March 23.—Mrs. R. L. Ches- shire, one of Anderson's best women, was among those who were in Belton yesterday. Mrs. Cheshire was here in the interest of Anderson county veterans. She is getting up data from as many of the old soldiers as possible for future publication.

Mrs. Albert S. Fahit and little son, George Albert, who have been on a ten-day visit to relatives in Spartanburg, have returned to their home in Belton.

The many friends of Kenly Clayton will learn with regret that he is ill at his home on O'Neale street with typhoid pneumonia.

A. S. Fant, one of Belton's prominent brokers, attended the banquet given by the T. P. A.'s in Anderson Friday night.

T. K. Roper, manager of the Anderson Intelligence Job Office, passed through Belton Saturday afternoon en route to Columbia, where he goes on business.

Belton, March 21.—On last Friday after the first recess the tenth grade entertained very pleasantly with a dialogue. Both pupils and teachers enjoyed it to the fullest extent.

The following teachers attended the teachers' meeting at Spartanburg: Misses Covington, Wardlaw, Scott, Wright, and Prof. Watkins.

The high school girls and boys are very busy now preparing for their orations for the preliminary contest which takes place early in April.

On account of examinations this month, we did not have a program arranged for our literary society.

The trustees decided to give us next Friday a holiday, as Field day will be celebrated at Anderson on that day. All the pupils of Anderson county are urged to be present.

PENDLETON SOCIAL

(From Sunday's Daily.) The friends of Mrs. Lou McBeth of Pinebluffs, Berkeley county, will be grieved to learn of her death of only a few hours' illness. She was stricken with paralysis on Tuesday and died on Wednesday. She had many friends at this place and will be greatly missed by all.

Miss Louise Simpson returned to Clemson college Sunday after spending several weeks here with relatives and friends.

Mrs. T. V. Tribble has returned.

Did you Know?

That the Read Phosphate Company, established over forty years ago, by Southern men, and still owned and controlled by Southern men, has spread its business from the Ohio to the Gulf, from the Mississippi to the Atlantic and now has factories in Indiana and Ohio?

Did you Know?

That no fertilizer manufacturer in America has had larger and wider experience in laboratory and field than the Read Phosphate Company?

Did you Know?

That the Read Phosphate Company now offers fifty-eight different brands of goods to suit your soil and crops, no matter what you are planting nor where you are planting it?

Did you Know?

That you can get any of these goods in any quantity?

PATTON'S Sun-Proof PAINT

THE SUN NEVER SETS ON PATTON PAINTS

It is an honest, practical paint, entirely free from water or other adulterant. The paint is composed of oxide of zinc for durability, lead for body and silica (ground quartz) for a filler and elasticity. This base is thinned with pure linseed oil and turpentine driers—no water or chemicals at all in the Patton proportions.
