

THE FIRST DAY GREAT SUCCESS

REUNION VISITORS MUCH PLEASED WITH THE RECEPTION

ALL PROVIDED FOR

There Was Food and Sleeping Accommodations For Every One of Big Crowd

(From Thursday's Daily.)

The annual reunion of the United Confederate Veterans of South Carolina was commenced most auspiciously yesterday.

There was a whole lot of happiness crowded into yesterday. Men who had met each other for a generation fell upon each other's necks and wept tears of joy.

Bunches had been placed in many convenient places and under the great oaks in the rear of the courthouse there were gathered all day hundreds of old soldiers, holding real, genuine reunions.

The trains poured their gray clad freight into the city through the morning hours and there was a busy day at the Chamber of Commerce where Secretary Whaley and Miss Eubank Taylor and the boy scouts and a number of splendid ladies gave every attention to the old soldiers and assistants of physical and itafawow wawow as them to homes.

It was a day long to be remembered in Anderson, and the city is proud of the fact that this is the soberest reunion that has ever been held in this or any other state.

The entertainment last night at Beuna Vista park was one of the happy events of the reunion.

The band music was furnished by the splendid Second Regiment band of Greenville and the civic association served refreshments.

The exercises were opened in a most happy manner by Gen. Teague who represented the sponsors.

A mixed chorus sang "Swanee River" and a male chorus sang "Tenting on the Old Camp Ground" bringing tears to the eyes of many of the veterans.

The chorus then sang "Home, Sweet Home."

Mr. George Miller, of the famous Miller family of musicians, sang "Annie Laurie" so splendidly that he was recalled, and accompanied by a male quartette, he sang "The Old Oaken Bucket."

When the chorus sang "Dixie," there was a scene of genuine feeling and the emotions of the old soldiers ran away with them.

The college authorities to day announced the suspension of 12 members of the junior class for taking part in the hazing.

The freshmen have refused to give the name of the one who fired the shot. They are at liberty on bail.

LT. COL. WHITAKER

Veteran of 38 Years' Service In the Proud English Army Is Sent To Prison For Six Months

(From Thursday's Daily.)

London, May 27.—Bitter arraignment by Justice Darling of Lord Saye, controller of the King's household, occurred at the Old Bailey today in connection with the sentencing of the nine British army officers and eight civilian employes of Lipton's limited, who were charged with conspiracy to offer or accept bribes in connection with the allotment of army canteen contracts.

Lieut. Col. Whitaker of the Second Yorkshire Regiment the highest in rank of the prisoners, was sentenced to six months imprisonment. Whitaker pleaded for mercy.

Justice Darling, referring to Fienes letter, which Whitaker declared had led him astray, said: "The letter shows a decadence from the traditions of a great family. I myself, if I belonged to such a family, would starve rather than get my living by calling for orders for beer."

John Cansfield, general manager and director of Lipton's, limited, and Archibald Hinton, formerly head of the canteen department of the same firm were each fined \$2500.

Epsom, May 27.—The derby, best known of the English classic horse races, today was won by an American horse, Herman B. Duryea's Durbar II.

The winners recent form had been so poor that he was regarded here as a rank outsider and odds of 25 to 1 were freely laid against him in the clubs last night.

The public favorites never flattered their supporters at any stage of the race. Kennymore, who led in the betting, behaved so badly at the post that he delayed the start and when the field finally was sent away he was left in a bad position.

NO VIOLATION OF ARMISTICE

THAT IS WHAT MR. BRYAN SAYS OF LANDING OF THE AMMUNITION

MEXICAN SUMMARY

Progress On Peace Protocol Is Reported To Be Satisfactory —A South Carolina Lawyer

(From Thursday's Daily.)

Washington, May 27.—Ammunition consigned to the Huerta Government in Mexico, which had been kept in the hold of the German steamship Ypiranga since the American occupation of Vera Cruz, was reported to have been landed today at Puerto Mexico, Consul Canada at Vera Cruz cabled this information to the state department.

The state department made it plain that the only way for the United States to have prevented the delivery would have been to seize the customs house at Puerto Mexico as was done at Vera Cruz, which would have violated the armistice.

Robert Lansing, counselor of the state department, made public the reports concerning the delivery of the ammunition, Mr. Bryan being absent. When Mr. Bryan returned to the department later in the day he was informed of the messages.

John Lind Called. During the day John Lind and C. A. Douglass, formerly of South Carolina, an attorney representing the Mexican constitutionalists, called on Secretary Bryan to discuss negotiations which might lead to representation by agents of the Carranza government at the peace conference.

LABOR CLAUSE IN HOUSE BILL

Representative Carlin of Virginia Makes Statement As To Its Force and Effect

Washington, May 27.—Representative Carlin, of Virginia made a statement at the White House today about the compromise agreed upon between the labor leaders and administration leaders on the trust bill's.

"The labor provision of the anti-trust bill as agreed upon," he said, "gives labor the right to exist as an organization, and in the language of the Baltimore platform, declares that they shall not be held to be a combination or conspiracy in restraint of trade."

"This will prevent a bill being filed on behalf of the government for a dissolution of labor organizations. It does not exempt labor from specific acts which would constitute a restraint of trade or a conspiracy in restraint of trade. It is a clear cut, clean statutory enactment of the provisions contained in the Baltimore platform."

BURNS' SLEUTHS FINED HEAVILY

And They Have To Answer the Yet Graver Charges in Other Courts

Atlanta, May 27.—Three detectives, operating as representatives of William J. Burns in an investigation of the case of Leroy M. Frank, were fined \$100 each in the city court here today and bound over to the state courts for further action.

The operatives, W. W. Rogers, C. C. Tadar and L. C. Whitfield, were found guilty of working on the case of the factory superintendent, who is under sentence of death for the murder of Mary Phagan without being approved by the local police board.

During the trial of the cases, Herbert Hass, one of Frank's counsel who was a witness for the detectives, testified that he had told Burns that he believed the police had coerced witnesses in preparing the state's case against Frank.

ALLEGED CURE HOG CHOLERA

U. S. Government Warns People Against Accepting Anything But the Genuine

Washington, D. C., May 27.—Evidence of what appears to be a well organized campaign to delude farmers throughout the country into buying an alleged cure for hog cholera, under the impression that this has been investigated and approved by the United States Government, has reached the Department of Agriculture.

Articles praising this medicine, bearing its name, are being sent out widespread to newspapers. These articles are so worded that it appears as if the Department of Agriculture had received reports from the state of Minnesota showing that the medicine had proved most beneficial.

In connection with this attempt it may be said that the medicine, which is now put forward as good for hogs, was advertised some time ago as a means of killing tuberculosis, typhoid and cancer germs, according to an article published in the Journal of the American Medical Association.
