OUR SALES are always genuine. You know that. Every price and every article is always found to be exactly as advertised, and we cannot, with our honest prices and honest, guaranteed values, have a sale every now and then, as some stores do, but twice each year, every August and February--then and then only--we conduct our great Clean-up Sales to clear out the odds and ends of the season's business, and we cut prices to the lowest possible limit. You know what our past sales have meant to you in the way of genuine bargain giving. We promise you as much and even more at this one.
