

THE WAR!

Starts Friday Morning, August 21st

While the people of Europe are trying to annihilate each other and are trying to make a slaughter pen of their respective countries, we are going to have some slaughtering done in Anderson, and have "DECLARED WAR" but

"THE PEOPLE WILL BENEFIT"

As Our War Is Against High Prices, and Believe Us, It Will Be Some Battle

We have received orders from Headquarters to do more business and to do it on credit, there is no restrictions of how deep we can cut and slash prices. Now if you want to see some fun, come to the WRECK STORE on Friday Morning. Little money with you, "OF COURSE" and we will show you how cheap goods can be sold without actually giving them away. We can promise you this that profit is no consideration with us this time, it's mere business, and if cutting prices will do it, we are going to do some business.
