

SPECIAL SESSION OF LEGISLATURE

Governor Blaise Thursday night issued a proclamation calling an extra session of the general assembly to meet on the 9th of October to pass remedial legislation with reference to the cotton situation

Sam M. Wolfe Elected To The General Assembly

After expending all day in counting the vote cast for W. W. Scott and Sam M. Wolfe for the general assembly, the county democratic executive committee Thursday evening at 6 o'clock completed and reported that by a majority of 31 votes Mr. Wolfe had received the nomination. This was one of the most interesting races in the history of the county. Tuesday night it appeared quite certain that Mr. Wolfe would be the nominee, but two belated boxes on Wednesday morning gave Mr. Scott a lead of 21 votes, which appeared to be final.

When the executive committee met yesterday the vote was tabulated and the Corner box showed a discrepancy. Scott really received 13 votes there although he had been credited in the unofficial returns as were put down on the tables with 48. This pulled Mr. Scott down 35 votes, giving Mr. Wolfe a lead of 6 votes in the tabulation.

Whole Vote Recounted. As the result of this announcement, Mr. Scott requested a recount of the whole vote, ballot by ballot. This required a long time and the result was that Mr. Wolfe received a majority of 31 votes. He gained 49 and lost 4 and Mr. Scott gained 28 and lost 4, a net gain of 25, which added to Mr. Wolfe's lead of 6 votes left the latter the nominee for the sixth place on the ticket by 31 votes.

In only 16 boxes in the county were no errors found. In the remaining 28 boxes there were errors in the tally sheet kept by the managers of the boxes. It was a long tedious process, but seemed to show the need of absolute accuracy as to each individual ballot. The changes were as follows:

- Gains Wolfe—Ward 1, 3; Ward 5, 1; Belmont Mill 2; Broadway 1; Cedar Grove 1; Cox Mill, 1; Fork, 4; Fork No. 2, 1; Friendship 1; Hones, Path 1; Hunter's Spring 1; Ina 5; Long Branch 1; Martin 1; Orr Mill 2; Pelzer 1; River, side 2; Rock Mills 2; Sandy Springs, 5; Starr, 3; Three and Twenty, 2; Toney-Creek 1; West Savannah 2. Total 49. Scott—Ward 2, 1; Ward 4, 2; Belmont Mill 3; Campbell's Store, 2; Cox Mill, 2; Fork, No. 2, 1; Long Branch 1; Pelzer 1; Orr Mill 2; Piedmont 1; Pierceland 1; Rock Mills 1; Sandy Springs 1; Willaunston No. 2, 1. Total 28. Losses Wolfe—Brogan 1; Craytonville 1; Five Forks, 1; Gluck 1. Total 4. Scott—Ward 5, 1; Broadway 1.

COUNTY COMMITTEE COMPLETED DUTY

FINAL SESSION FOR NEXT TWO YEARS TO PAY MANAGERS

Executive Committee Yesterday decided On Pay for Election Managers, and For Secretary

The Anderson county Democratic Executive committee held its final session yesterday afternoon and at 5 o'clock took an adjournment. The work of this committee is completed and unless there should be a death or resignation of some county officer, the committee will have no more duties to perform until 1916.

The committee met yesterday morning in the office of the superintendent of education at the court house to hear the returns from the various boxes and to declare the official returns, which was quite a task without itself. When this work was completed it was found that all candidates were satisfied except one candidate in the race for the general assembly. The unofficial returns indicated that W. W. Scott had defeated Sam M. Wolfe for a seat in the lower house, but when the official returns were added up yesterday morning it was found that Mr. Wolfe had a lead of 6 votes over Mr. Scott. When that fact was ascertained Mr. Scott asked for a recount of the votes and thus began a hard day's work. The committee worked until 5 o'clock yesterday afternoon at which time the recount was finished and it was found that Mr. Wolfe was elected by 31 votes. Mr. Scott thanked the committee for its labor and said that he had no further protest to make.

The executive committee then went into session to consider finances. It was found that the committee had on hand about \$940 and deducting the cost of printing, election tickets and newspaper advertisements, it was found that there was a remainder of about \$640. It was therefore moved and carried that the managers of election be allowed \$6 for each box, to be divided equally.

The next question taken up was that of paying Leon L. Rice, the county secretary, and the committee voted that this officer be paid the sum of \$150 for his services. The chairman, J. Dean Pearman, declined to accept any remuneration. When the question of pay for the executive committee came up, it was decided to pay only those members in attendance and assisting with the recount, both in the first primary and in the second primary. It was decided to pay these members the sum of \$1 per day and 10 cents per mile each way for their travel.

When this business was concluded it was found that the committee had discharged all its duties and the chairman declared the session adjourned.

Making Old Building New Movement Is Gaining Ground

The "Buy A Sale" movement recently launched in Anderson in an effort to help the cotton farmers of this community with their cotton crop, seems to be gaining ground every day. It is understood that a large number of bales were bought in Anderson yesterday by local business men, each of them paying 10 cents per pound for the heavy staple. The first bale to be sold here yesterday morning, so far as is known, was purchased by B. O. Evans from A. L. Maljeski of Anderson R. F. D. He paid \$15.30 for the bale.

Anderson County To Hear Singing

F. L. Bannister, secretary of the Anderson County singing convention issued notice yesterday that the convention will meet with the Six and Twenty church on the fourth Saturday and Sunday of this month, September 26 and 27. Mr. Bannister says that he expects more good singers to be present at this convention than have ever attended a similar event in this country and he believes that every minute of the entire two days will be enjoyable.

Small Blaze Did But Little Damage

The fire alarm sounded yesterday afternoon at 2:30 o'clock and the department made a quick run to the Coneross Rope Mill on Erie street near the Blue Ridge station. The fire originated in the opening room, where the bales are torn apart by the machinery and the machine teeth struck either a nail or some other metal, causing a spark. This ignited the cotton and in a few minutes the fire was beyond control of the employees of the mill. When the fire department arrived the blaze was extinguished with but little difficulty and small damage.

More Activity Along All Lines

On the very day that the month of September was ushered in, travel into Anderson began to increase and to a noticeable extent at that. There is no surer way to judge business conditions in a town than by the amount of travel to and from a city, and a hotel register is a sure indication of whether the town is going forward or backward. The people around town report that business conditions in Anderson are almost normal and that almost as much buying and selling is going on in Anderson as at this season of any year.

Mr. Carpenter Has Resumed His Duties

A. M. Carpenter, at one time editor of the Anderson Daily Mail but for the last few years an attaché of the Congressional Library in Washington, has returned to the capital to resume his duties. Mr. Carpenter has been spending part of the summer in Anderson, taking a vacation, and before he left he said that his day here had helped him wonderfully and that he felt very "fit" indeed.

October Brings Teachers' Examination

Notice has been issued by J. E. Fenton, superintendent of education for Anderson county, to the effect that the next teachers' examination will be held in the court house on the first Friday in October. The examination held in October always attracts a large number of applicants than at any other time. Probably because a majority of the county schools will just be beginning to open at that time.

Directors Had Pleasant Time

Anderson people returning yesterday from Chick Springs say that the meeting of the Piedmont and North Carolina railway directors, held in the magnificent Chick Springs hotel Tuesday evening, was a most pleasant occasion. A large number of the 25 directors were in attendance, and after the business meeting had been disposed of, they spent the remainder of the evening around the banquet table. The selection of officers was the most important part of the evening.

Wesley Class To Work Saturday

The Wesley Philanthropic Class of the St. John's Methodist church will conduct a "parade party" next Saturday, beginning at noon. The party will take place in the store room recently vacated by the Citizens National Bank and ice cream and cake will be served throughout the afternoon. The class is anticipating a liberal patronage.

Holiday Says His Friends Were Kind

J. M. Holliday, one of the candidates for county commissioner in the second race, and defeated Tuesday, was in Anderson yesterday and while here said that he did not mind his defeat so much, since he found that he had more good friends in the county than he had ever possessed before. Mr. Holliday says that he appreciates everything that any voter did for him.

RACING RESULTS

Hartford, Conn., Sept. 9. There were only about two events on the card, but the third day of the Grand Circuit at Charter Oak Park developed the finest racing and the most exciting finishes thus far. The capital city stakes for 2:08 trotters went to New Zell, but it required six heats. New Zell won easily in the first two and after resting up for three heats, took the lead in the sixth and won easily when Atlantic Express broke in the stretch. Oakdale being distanced and New Zell winning first and third money. Zalda won the 2:16 pace.
