Tells Why Election Returns Were Held

INDIANAPOLIS, Ind., March 19.—How returns from precinct No. 10, the sixth ward in Terre Haute, were delayed because F. H. Redmond, Democratic candidate for circuit judge, was running behind, was related today at the hearing in federal court of the election case by Sylvester Jordan, Democratic committeeman, and one of the 18 who have pleaded guilty.

"Six of Police Officer" said Jordan, "came down to a precinct and told me to have the returns held back until late, as we might have had a hundred or two votes to save Redmond. I later got word that we wouldn't have to add any votes."

COULD SCARCELY WALK ABOUT

And For Three Summers Mrs. Vincent Was Unable to Attend to Any of Her Housework.

Pleasant Hill, N. C.—"I suffered for three summers," writes Mrs. Walter Vincent, of this town, "and the third and last time, was my worst. I had dreadful nervous headaches and prostration, and was scarcely able to walk about. Could not do any of my housework. I also had dreadful pains in my back, and several times one of those weak, sick, spells would come on me. I would have to get up and lie down, and it wore off. I was certainly in a dreadful state of health, when I finally decided to try Cardui, the women's tonic, and I had

believe I would have died if I hadn't taken it.

After I began taking Cardui, I was greatly helped, and all three bottles relieved me entirely.

I fattened up, and grew so much stronger in three months, I felt like another person altogether."

Cardui is purely vegetable and gentleness. Its ingredients have a mild, tonic effect on the womanly constitution.

Cardui makes for increased strength, improves the appetite, tones up the nervous system, and helps to make pale, sallow cheeks, fresh and rosy.

Cardui has helped more than a million weak women, during the past 50 years. It will surely do for you, what it has done for so many. Write for Cardui today.

WANT OFFICE REFEREE IN BANKRUPTCY HERE

Bar Association asks U. S. Judge Johnson to Reestablish It. An effort is going to be made to have the Federal office of referee in bankruptcy reestablished in Anderson, and a committee of the local Bar Association will be appointed shortly to call upon United States Judge Joseph T. Johnson of the newly created United States district court for the western district of South Carolina and ask him to recreate the office here and appoint someone to fill it.

As generally known, a referee in bankruptcy was maintained here until last summer, when the term of office of the referee, C. H. Gelger, Esq., expired. Following a practice he had established of reducing the number of referees in bankruptcy, by not making reappointments where terms of office expired, Judge Henry A. M. Smith of the U. S. district court for South Carolina, did not make an appointment to continue the office here.

On the contrary, he combined the offices of referee in bankruptcy in Anderson and Greenville counties, and made J. J. Desvane, Esq., of Greenville, referee for Anderson and Greenville counties, together with the counties of Oconee and Pickens. As generally known, Oconee county was within the jurisdiction of the referee at Anderson and Pickens county was within the jurisdiction of the referee at Greenville.

On a previous day the United States district court for the State, and that the Federal Webb-Kenyon act prohibits the shipment of

liquor in a State only when possession of any quantity of liquor in that State is unlawful.

Found Not Guilty. BRIDGEPORT, Conn., March 19.—Mrs. Helen M. Angle was found not guilty of manslaughter by a jury in criminal court here late today. She was accused of having caused the death of Walter R. Ballou at Stamford on the night of June 23 last. The announcement of the verdict was greeted with cheers.
