Besides these things it that both of the vegetables are doing is said there has been incompetency, finely. The potato roots, he claims, described to one crop, while the free.

A girl worker laughed in Philadelphia, and was discharged, in consequence of which there is a strike. A puzzling question is, why should a girl have laughed in Philadelphia?

A Pennsylvania preacher the other day declined to permit a gifted young somen to sing in the choir of his shurch because of her connection with a theatrical company and the fact that she "sings for money and the applause of men and not for the glory of God."

Philadelphians may now resume their dying. The strike of grave dig gers in North Laurel Hill Cemetery has collapsed because it was impossible to get all of the grave diggers in iting to the Keowee Courier under all of the cemeteries to demand and insist on interments only in union-

> That vanity may go beyond the grave was illustrated a few days ago, when a New York woman made the dying request that her age be not revealed, no inscription of it even being placed on her coffin or tombstone. No doubt she will rest easier because of having her great secret buried with
