Kidney trouble is no respecter of persons. It takes hold of the young and old, rich and poor, and often fastens its clutches upon the most delicate women and children. Do you realize that more than one-half of the deaths reported are caused from kidney trouble in some form? Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, backache, kidney, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

They have a complete line of shelf ware and can fit you up with anything you want that is usually carried by a first class hardware firm. —The Educational Conference that was in contemplation for Pickens on July 4, at which it was hoped Governor Heyward and Supt. O. B. Martin would be present, will have to be postponed until a little later in the summer. They have an engagement in Florence July 2, and it would be a very hurried trip to reach Pickens on the Fourth. It would necessitate the absence of these important executive officers for about four days in succession—which they prefer not to do. They have assured Supt. Hallum, however, that they will favor Pickens with a visit some time during the summer, and the postponement has been made at the suggestion of Supt. Martin, in order to suit the convenience of the Governor.

—Mrs. Lillie Porter, nee Jenkins, wife of Arthur S. Porter, of Piedmont, died at the home of her father-in law, James H. Porter, of "Portertown" on the evening of the 20th inst., after a week's illness from continued fever with involvement of the brain. She had came up to Mr. Porter's on a visit and was taken sick there. Her remains were laid to rest in the cemetery at Porter's Chapel on Sunday afternoon by the side of her sister, Daisy Jenkins. She leaves a father, T. N. Jenkins, and brother, W. A. Jenkins, both of Piedmont, and a husband and four children, besides a host of relatives and friends to mourn her loss. She was a good mother, a true woman and consecrated christian, a member for a long time of Porter's Chapel. To the stricken husband and motherless children and brother and father, the sympathy of friends goes out in this their hour of despair.

"I have been troubled for some time with indigestion and sour stomach," says Miss Sarah W. Curtis, of Lee, Mass., "but have been taking Chamberlain's Stomach and Liver Tablets which have helped me very much so that now I can eat many things that before I could not." If you have any trouble with your stomach why not take these Tablets and get well? For sale by Dr. G. W. Earle, Pickens, and Dr. R. F. Smith, Easley.

Mrs. Minnie Lee Boggs.

Mrs. Minnie Lee Boggs, the devoted wife of Julius E. Boggs, passed quietly away at her home in Pickens on the morning of June 23d, after a continued illness of many months.

Mrs. Boggs was the daughter of Sidney and Emma Bruce, formerly of Elbert county, Georgia, and was about 40 years of age.

After the death of her father, the family removed to Pickens about the year 1878 where they have lived ever since.

In 1882, Mrs. Boggs, then the oldest surviving child of the family, was happily married to Julius E. Boggs, a lawyer at the Pickens bar, and this union has been blessed by three sons and one daughter, all of whom, with their father, survive their mother. Besides these, Mrs. Boggs leaves surviving one brother, Mr. J. McD. Bruce, of this place, and a sister, Mrs. L. C. Thornley, also of this place, as her nearest relatives.

Friends without number all over this country, and wherever she was known, will be grieved at so great a loss, for the taking away of so good a woman is a distinct loss to the whole community, and the sympathy of all the people go out to the stricken household and to all her people in this hour of great bereavement.

The interment took place at the grave-yard at the Presbyterian church in Pickens on Wednesday evening, Rev. J. T. Wade conducting the obsequies.

Easley Locals.

Easley, S. C., June 22, 1903.

Refreshing showers fell last night and everything seems to have taken on new life.

Baseball is still the rage here. The Easley team went down in bitter defeat before Piedmont last Saturday. Score 8 to 4. Batteries for Easley were Werner and Davis; Piedmont, Cleveland and Pool. While Piedmont was doing the stunt to the first nine, the second nine was rubbing it in to an aggregation from Mills Mill to the tune of 24 to 13. How is that for running up the score? At the same time the team composed of town boys were walloping the Glenwood team; score 13 to 16 in favor of the city lads. The second nine from Easley Mill goes to Pickens this afternoon.

Alexander Robinson, son of W. W. Robinson, who has been very low with appendicitis is some better, and his many friends will be glad to see him on the streets again soon.

The friends of Mr. Ed. Hamilton will be sorry to know that he is very low with typhoid fever and is not expected to live.

Dr. Sterling, of Greenville, was in town yesterday.

Miss Queen Johnson is visiting her sister, Mrs. Merritt, at Pelzer this week.

Well! Dr. J. N. Hallum, of Pickens, spent the day in Easley yesterday.

Max Williams, of Greenville, was here yesterday.

Quite a number of our young people attended the Martin-Pickens wedding last Wednesday.

The Standard Oil Company is contemplating the erection of a tank and relay station at this point; and Mr. Bobler, their agent, has been here for a few days seeing just what could be done. Should they fully decide to operate here it would be a great convenience for the people here and surrounding towns and we hope they will decide to locate a station here.

Mr. Editor for fear we take too much of your valuable space I will do up the budget for this time.

Dull Needle.

Looper Notes.

Allow me space in your valuable paper to give the people a few dots from this section.

The people of this section are in better hopes since the rain. Those who had their cotton thinned before the rain have a good stand in the row and also in the middle.

The health of this section is very good at present, except Thomas T., the little son of Mr. and Mrs. T. T. Hughes. He has been very ill. Dr. Milton Ponder is attending on him.

The union meeting at Peter's Creek the last fifth Sunday was almost a failure; but we heard an able sermon preached by Rev. J. E. Foster, that was interesting. After the sermon had intermission of one hour and a half for dinner. In the afternoon there was some good singing by the choir.

The Sunday school at Peter's Creek is progressing nicely with Mr. J. E. Friddle as superintendent and J. B. Stephens as assistant.

The County convicts have been working out the roads between Peter's Creek church and the Hagood bridge.

If this don't find the waste basket you will hear from me again. Success to The Sentinel Journal.

Mountain Boy.

From Olga.

Mr. Tom Burns, of this place, and Miss Lizzie Pace, of Mayfield, were married Sunday afternoon at the residence of Mr. William Hughes, of Looper. Many good wishes to the happy couple.

Rev. and Mrs. J. E. Foster have returned from a very pleasant visit among friends at Locust.

Mrs. Mary Anderson, of Greenville, is visiting friends here.

Mr. and Mrs. Russell Kelley, of Monaghan, visited relatives here Sunday.

Mr. and Mrs. Charlie Foster and son visited relatives and friends here last week.

Mrs. Harriett Raines died Monday morning at her home in Dacusville and was buried Tuesday morning at 11:30 o'clock at Peter's Creek church.

Six Mile Items.

The little grab grass has been quite a man for us, although we have been conquetor over it.

Born unto Mr. and Mrs. Jake Merck on the 14th inst., a fine son.

Miss Ada Mauldin, of Dalton section, was the guest of her cousin, Miss Sophia Mauldin, Sunday.

Mr. Lawrence Smith's little son had the misfortune of getting bit by a rattlesnake Friday last.

Married, on the 21st instant, Mr. Dock Reeves to Miss Lizzie Stone, Rev. Seabrook Atkinson officiating. We wish the young couple a happy life.

C. W. Garrett had the misfortune of getting one of his fingers seriously mashed last week.

Mrs. Robt. Mauldin, who has been quite sick has recovered.

Girls, if you see or hear of boys wearing gloves in the field you may know that they won't do to make the hoe-cake.

Henry B. Bowen, of Norris, passes through our section very often in his new tip top buggy.

Mrs. W. A. Hendricks visited relatives at Liberty the past week.

All of our farmers are done cutting their wheat. Very soon we will have new biscuits.

Rev. J. T. Lewis filled his regular appointment third Sunday afternoon at Mt. Olivet and preached an excellent sermon.

Be sure and don't forget the picnic at Birch's Ford next Saturday. Let all go and carry well filled baskets. A most enjoyable day is expected.

As we haven't seen anything in the paper about Prof. Garrett's lecture on the first Sunday, we will mention and say it was grand. You would enjoy going to Six Mile and hear Prof. J. C. Garrett sing 'Ha k, the Song of Jubilee."

Blackberries are bountiful now and will make a nice dessert for a midday meal. Don't you know it suits that fellow that we spoke of.

Several of our citizens are talking of going to the reunion at Pelzer the Fourth of July. If it is just only half as nice as the Memorial Day was at Pickens, I know people would enjoy going.

We enjoyed eating June peaches at Mr. Bob's Sunday afternoon. We will not mention their names. Uno and Ino, guess?

Mr. Charley Dalton, a promising young man of Dalton section, visited our section Sunday. His best girl wasn't at home.

The ground is very dry and hard, but we hope for rain soon.

Our anonymous writer is blank of news at this writing but if forgiven, will try and gather up more by next writing.

Many best wishes to Sentinel Journal readers. M. S.

and embroidery with insertions to match! A man who makes it his business to scrape up bargains in goods sent me a lot of fine laces, embroideries and insertions with instructions "to sell"; that means as long as this lot lasts you can buy it for less than half the usual price; along with the lot is some extra fine lawns; were it not for the ridiculously low price he made on this I would ship it back. Several pieces organdies and other up to date dress goods; you will be interested in the prices on this stuff. A few pairs very nice oxfords, hardly enough to mention, 45c. for your choice. Last year a house shipped me about 10 times as many cotton hoes as I bought; it is a good thing I kept them, as they are much higher. I can sell you cotton hoes for less than they can be bought at wholesale, and still make a little profit, and I am willing to do it.

Produce always wanted.
