

MANY OF DOWIE'S HOSTS LEAVE GOTHAM

Others to Take Their Places From Zion City.

LEFT BY HIS SPECIAL TRAIN.

Prophet Dowie Has Received About One Hundred and Fifty Letters Threatening Him With Murder or Kidnaping.

New York, Oct. 23.—At least 150 members of Dowie's "army" left today on a special train of five coaches over the West Shore road for Zion City in Illinois, in charge of Deacon J. W. Cray and Daughters Wilhite, Lander, Ely, Pettinger, Peterson, Knapp, Stevens and Pung.

According to Deacon Nowcombe the Zionites were bound for Zion because others wished to come to New York. As many as leave will be replaced by new recruits, said the deacon.

Many of the party were suffering from colds brought on by exposure in the work of house-to-house visitation, and the many changes from the heated atmosphere of the Garden to the piercing air.

While his lieutenants were looking after the excursionists at Weehawken, Dowie was left almost alone to conduct the early morning service at the Garden.

During his address he said that he had received about 50 letters during his stay here, all of which either threatened him with murder or kidnaping. Some of them were signed "Committee." He said he was not afraid. He said that he expected 200 more of his followers to arrive here on Monday with a fresh supply of provisions.

In talking of the visitation work done here by the "hosts" he said that 75,000 houses were visited yesterday. Estimating that each house contained about eight persons, he said that 600,000 persons had received the "divine message."

It is said that the departing members of the host had returned to Zion City because so many of the heads of the departments had left their places there vacant that the management of the city was suffering. He said that there was no feeling of discouragement of those going away. Many members of the "host" received a severe shock today when they were informed by the railroads that their tickets would have to be used during the early part of next week. It has been understood that all the tickets were good for two weeks, but now it is said that most of them will have to return several days sooner or lose their transportation.

FAMOUS LIBRARY AUCTIONED.

Most Remarkable Collection of Books in Existence. Philadelphia, Oct. 23.—One of the most remarkable libraries in existence has been put up at auction here. It was collected by Howard T. Goodwin, confidential clerk of a banking firm, who committed suicide when confronted with evidence of a shortage amounting to nearly a million dollars.

Goodwin's hobby was book collecting, and to gratify this desire he is said to have speculated with money not his. It is estimated that he spent over \$50,000 on his library and the books offered include some of the most beautiful specimens of the printer's art and the finest sets of nearly all the great authors. The bidding was remarkably slow, however, and 200 lots brought \$6,289.

HAD TWICE BOUGHT FREEDOM.

Former Georgia Slave Dies at Age of 103 Years. Santa Cruz, Cal., Oct. 23.—Daniel Rogers, a negro, who died in San Francisco yesterday, aged 103, as the result of an accident, was raised as a slave in Georgia and was brought to California in 1849 by his master.

In time he bought his freedom. He went back to Georgia to free his wife but was sold into slavery again through the treachery of his old master. Again he saved enough money to purchase the liberty of himself and wife.

Wants Will Set Aside. Chicago, Oct. 23.—A bill to set aside the will of Morris Reiman on the ground that at the time he executed the instrument he was of unsound mind and under undue influence, was filed by his daughter, Mrs. Elbech. The will contained among other bequests, one of \$1,000 to the Boston "Investigator Company" for the purpose of distributing Robert Ingersoll's lectures among Christians in order to civilize them.

Costly Blaze in Montgomery. Montgomery, Ala., Oct. 23.—The large furniture store of B. Wolff was damaged by fire and water here last night to the extent of \$25,000. The fire originated in the fourth floor and was difficult to manage. The building was only partially destroyed. Several firemen were injured, but not seriously. The furniture was not fully insured. There was about a \$40,000 stock in the store.

Fatal Fireworks Explosion. Valtola, Island of Malta, Oct. 23.—A fireworks explosion at a workmen's club in the village of Balzan has resulted in a woman and four men being killed and the injury of 14 other persons.

It Keeps the Feet Warm and Dry. It today for cheap at a price. It cures Chills, Swollen, Swarting, Sore, Aching, Limp Feet. At all druggists and shoe stores.

Many Mothers of a Like Opinion.

Mrs. Pilmer, of Cordova, Iowa, says: "One of my children was subject to cramps of a severe type, and the giving of Chamberlain's Colic, Cholera and Diarrhoea Remedy always brought relief. Many mothers in this neighborhood think the same as I do about this remedy and want no other kind for their children." For sale by Pickens Drug Co.; Pickens Drug Store; T. N. Hunter, Liberty.

WEAK LUNGS

Afflict Many Men and Women and Lead to Pneumonia, Grip and Consumption, if the System is not Kept in Healthy Condition Strengthened with Duffy's Pure Malt Whiskey.

Throat and lung troubles cause more deaths in this country than all other diseases combined. At least one-half would be cured if taken in time.

STOPPED HEMORRAGES

"Gentlemen—My lung trouble is two years old. I had about eight or ten hemorrhages, which broke me down in weight and strength. The last, in February, was the worst of all, so that I honestly believed I could not live to see another summer. When I commenced to take Duffy's Pure Malt Whiskey my weight was 117 pounds; today I weigh 123 pounds, and have made good improvement in every respect. I feel stronger from day to day and have had no hemorrhages since I commenced to use 'Duffy's.'"

CURED

"Dear Sirs—Having suffered with weak lungs, severe cough and loss of appetite, I tried nearly all medicines, but without benefit. A few weeks ago on advice I commenced the use of Duffy's Pure Malt Whiskey. My appetite improved almost immediately, my cough stopped and my lungs are as strong as ever; my strength has returned, and I shall continue to use it as a preventive of all diseases."

THE BUSINESS SITUATION.

Summary of the International Mercantile Agency.

New York, Oct. 23.—Special telegraphic reports on the business situation to the International Mercantile Agency from correspondents throughout the United States are summarized as follows:

Coal judges believe the effort to hold up the price of finished steel through the spring will not succeed. Authorities admit that pig iron works will have to increase the extent of the movement to restrict output. Pig iron given in exchange for coke overhangs the market. Soft coal prices are being held up only through combination. Present plans contemplate the laying off of nearly 50,000 railway employes this winter.

Trust company and national bank disasters at Baltimore and Pittsburg were caused by special conditions, and at these cities it is expected the weakness in the financial situation has been eliminated.

Advices point to about 160,000,000 bushels of wheat for this year's domestic crop of wheat available for export, whereas European continental estimates are that importing countries will need 180,000,000 bushels.

General jobbing trade is dull in New England, but the value is nearly equal to that of one year ago. The movement of lumber there is fair, except for the southern. Sales of wool have been small, consumers awaiting lower prices. Some cotton mills are storing goods. The less favorable commercial features are in smaller sides of clothing at St. Louis than expected, and backward collection south and southwest.

On the other hand, the general business outlook in the southwest, except in Texas, is bright. New Orleans anticipates a heavy winter and spring trade and Texas trade prospects are tied up in the cotton yield there, which has been somewhat underestimated.

HER HEAD ALMOST SEVERED.

Notorious Woman Murdered in Mountains of Kentucky.

Middlesboro, Ky., Oct. 23.—Alice Lamb was killed last night at the Keg house, her head being nearly severed from her body by knives. Joe Brill and a man named Nelums were arrested. The Lamb woman was notorious in the mountain districts and had been in fights and feuds for many years.

Chinese Merchant Ordered Deported.

New York, Oct. 23.—Zing Wong, a Chinese merchant of Newark, N. J., has been ordered deported after having fought the efforts of the immigration officials since August. Wong's lawyers declare they have proof that he was born in San Francisco, and never lived in China, except while being educated. Wong lived in Newark for years. He has an American wife and a son three years old.

TELEGRAPHIC BREVITIES.

Two survivors of the schooner J. T. Williams have arrived at Newport News, Va. Out of 14 men on board these two were saved. The vessel was sunk during last Friday's storm.

Union machinists in Lonsdale, Tenn., shops of the Southern railway quit work because non-union men were allowed to dismantle engines.

Addressing the Pan-American conference of bishops, Bishop Gallor said the Episcopal church should change its name, eschew Anglicanism and become an American church.

Speaking of the race problem before the American Missionary association, Dr. Gladden declared that the south deserved great credit for what it had done for the negro.

The second class protected cruiser Denver failed to make her contract speed in the government trial off Cape Ann.

W. S. Love, of Savannah, who has been missing several months and who it was feared was drowned, has been found in Denver, Colo.

Sir Ian Hamilton, the distinguished British soldier, witnessed the war game in Kansas.

Dan Patch lowered the world's pacing record in his trial against time at the Memphis Trotting association track. He not only lowered his own record of 1:59, but clipped three-quarters of a second from the world's record, held by Prince Albert, making the mile in 1:56 1/4.

There has been no change in the far eastern situation. War between Japan and Russia seems probable.

Charles Kratz, the alleged St. Louis hoodler who jumped his bond for \$20,000, has been captured in Mexico.

Sigurd Ibsen, son of the famous dramatist, has been named for a position in the new Norwegian cabinet.
