Sanders, who is policeman at Pendleton, came to the city last Tuesday and surrendered himself to the sheriff to answer the charge of murder. The next day he went before Judge Dantzer, at Walhalla, and was granted bail in the sum of \$1,000. Some time ago Jim Williams, who was wanted in Laurens on a criminal charge, was located at Pendleton, and Mr. Sanders put him under arrest. The negro was placed in the guard house, and one morning while Mr. Sanders was giving him his breakfast the prisoner got out and started to run away. The policeman shot at him to make him stop. One of the bullets took effect, but the wound in itself was not considered fatal. The negro's relatives begged to be allowed to keep him until his wounds healed. Permission was granted, but in a few weeks the negro died. An inquest was held over the body, and physicians testified that in their opinion Williams came to his death through the neglect of his kinsmen and not by reason of the wound. The verdict of the coroner's jury was rendered in accordance with the statement of the physicians who examined the negro's body. Mr. Sanders will, of course, be acquitted, but for the sake of having the matter settled once and for all by the courts he voluntarily surrendered himself to the sheriff.—Anderson Intelligencer, 18th inst.

—A 12-year-old son of Mr. William Brisley, of the Equality section, met with an unfortunate accident last Monday morning. He attempted to get in a wagon, when one of his legs was caught in a wheel. The leg was broken and so badly injured that amputation was necessary. Doctors Shelton and Allgood took the limb off above the knee, and the little fellow is now doing as well as possible. —Anderson Intelligencer. —T. O. Allgood is a good farmer and lives at home and boards at the same place. He has a farm of about fifty acres that he has in a high state of cultivation and raises everything he needs at home. He is somewhat of a speculator, buying cattle, hogs, corn, fodder, produce, etc., in the fall, from the sale of which, later on, he makes a good profit on the money he has invested. Such farmers as he is are not only the backbone of the country but are the coming men of the nation. Others can do well by following his example. —Christmas is almost here and you will miss a great treat if you fail to visit W. H. Johnson's 5c and 10c department store, his counters are piled up with bargains on top of bargains. Other merchants wonder how such articles can be sold for the money, nevertheless, they are going for 5c and 10c. Lots of Christmas things coming in every day and being placed on the counters, also other Christmas presents from 10c to \$10.00. The finest lot of musical instruments we have seen in Pickens. Don't forget that this is the place to get your sewing machines; prices and terms to suit everybody. Chamberlains Stomach and Liver Tablets are becoming a favorite for stomach trouble and constipation. For sale by Pickens Drug Co., Earles Drug Store and T. N. Hunter, Liberty. Liberty Dots. Liberty, S. C., Nov. 24, 1903. One month more brings Xmas. There is to be Thanksgiving service at the Presbyterian church at 11 a. m., Thanksgiving day conducted by Rev. Lewis. The oil mill is not running much of late for want of seed. Farmers are not selling them as heretofore. The thread mill promoters have decided to build a 5,000 spindle mill instead of a 3,000 spindle mill, as first proposed and will make a finer grade of goods. Their intention is to commence building about Jan. 1, 1904. As Mr. Orr, of the Slabtown section, was coming to town with a load of cotton yesterday, his mules ran away, striking a tree and throwing him from the wagon and injuring him internally and very seriously. He was unconscious for a time. "Bad lickie" was circulated in town Sunday, and as a result the town coffers were recruited considerably yesterday. Sunday, a young man stepped off train No. 12, having a quiet young American about six weeks old. He was from Atlanta, he said. Two women soon appeared and took the child and went toward Anderson county. The young man was not very communicative and did not satisfy all the curiosity. He continued his journey north on the next train. The parties were all strangers around here. C. Disastrous Wrecks. Carelessness is responsible for many a railway wreck and the same causes are making human wrecks of sufferers from throat and lung troubles. But since the advent of Dr. King's New Discovery for coughs, consumption, colds, and even the worst cases can be cured, and hopeless resignation is no longer necessary. Mrs. Lois Cragg of Dorchester, Mass., is one of many whose life was saved by Dr. King's New Discovery. This great remedy is guaranteed for all throat and lung diseases by Pickens Drug Co., 50c and \$1.00. Trial bottles free. Liberty R. F. D. 3. Johnnie Madden of Clemson College visited his uncle Thomas Gasaway last Saturday and Sunday. Z. C. Smith and three youngest daughters visited brother W. A. Smith of Anderson county several days last week. Gates school is progressing nicely though they have not a full attendance yet. Grey Eyed Girl. "Tie a string around your finger." Get that bottle of Rheumacide today before your rheumatism gets a firm hold and becomes dangerous.

Lucian Hendricks' last Sunday. S. C. Chapman visited his parents Mr. and Mrs. W. J. B. Chapman last week. Miss Eva Hendricks was the guest of her sister, Mrs. J. J. Anthony last week. Messrs. Ed. Garrick and James Mauldin spent one night last week at J. L. Hendricks. Messrs. Frank and James Chapman spent last week with their brother S. C. Chapman of the Leuhardt section. Blue Eyed Girl. Doesn't Respect Old Age. It's shameful when youth fails to show respect for old age, but just the contrary in the case of Dr. King's New Life Pills. They cut off maladies no matter how severe and irrespective of old age. Dyspepsia, Jaundice, Fever, Constipation all yield to this perfect Pill. 25c at Pickens Drug Co. News From Dalton. Cotton picking is about over and the farmers are looking sad over the short crop. Born unto Mr. and Mrs. John Tompkins on the 7th inst., twins, a girl and a boy. Each one weighed eleven pounds. The many friends of Mrs. W. E. Curtis will be glad to learn that she is able to be out again. As S. Jewell was writing about attending the Twelve Mile Association and where he stopped on the 7th and 9th night, it seems as if he had no place to stay on the 8th. I know where he stopped. Brothers L. R. Dalton, Robert Stewart, S. Jewell and myself spent the night with Brother A. T. Winchester, where there was plenty of welcome and plenty of good things to eat. I tell you that it was fixed just right too, for sister Winchester knows how to cook good things to eat. R. L. Norris Side Track Dots. We have been having a good deal of rain in this section recently. J. W. Gilstrap says last year he made twenty bales of cotton and this year will only get thirteen off of the same land. Newt James, of this section, says we are going to get rid of the trash pile this year and how the people of this community will rejoice. Garvin Parsons and wife went to Greenville to do some shopping last week. Mr. and Mrs. Frank Barker, of Norris, have changed their minds and have gone to housekeeping. Mr. Barker is station agent at Norris and likes his position very much. I guess in a week or two King Bros. will begin the rebuilding of a bridge at the Robinson bridge place. The community is glad to know that we are going to have a new bridge. Mr. Talley let the bridge some time ago. He is a nice refined gentleman and stands well in this vicinity if he will only remain so. Farmers are very busy gathering their crops and sowing wheat. Stray Lamb. Nov. 3, 1903. Camp Creek Notes. Mr. Editor: This section is in good spirits over ten and eleven cent cotton and the corn crop. There is a great deal said for the good of the body and not much for the soul, but it is common for us to bear for the larger bulk. I want to say to the writers, let's give more of our hearts to the Lord, and our pen will write different, and I think it is our duty, for if the Lord be for us who can be against us, saith the Lord. Let the things pass by that perish, which is the study of making money and getting money; but covet earnestly the best things and that is a forgiveness of all our sins. Rev. M. P. Matheny will be at Camp Creek the fifth Sunday night and will preach until Wednesday night. Everybody come that can. Rev. J. B. Trammel was re-elected to supply Camp Creek church for another year on last meeting day. He has done a good work there this year by the help of the Lord. Let us pray that his work may be more abundantly blessed next year. Big J. Rheumatic pains are quickly relieved by applications of Ramon's Nerve and Bone Oil; try it. 25c at Earles Drug Store, J. D. Moore, Craig Bros. Closing Notice. We, the undersigned merchants of Pickens, S. C., do agree to keep our stores closed Thanksgiving day,—Thursday, November 26, 1903: Heath-Bruce-Morrow Co., Folger & Thornley, Bridges & Hammond, W. H. Johnson, Mrs. K. L. Curton, Craig Bros., Louisa Copel, R. R. Roark, T. D. Harris, J. F. Harris, H. A. Richey, W. T. McFall.

Fortner News. Cold weather is here from morning until night but the farmers are still in good hopes of the frost bitten cotton paying the remainder of their debts. We believe the trouble is we do not plant early enough and are too stingy with our guano. L. J. Clark is very sick but we hope to see him up in a few days. E. A. Cisson and Tell Clark have returned from North Carolina. Mrs. Luo Fortner gets no better. She has not been able to get out of the house in six years, yet we hope to see her recover. Preaching at Grove by pastor J. T. Singleton every third Saturday and Sunday at 11 a. m., and 3 p. m., respectively. Some few days ago a lady not far from here, noticed that the clock was stopped, and trying to start it she noticed it would not run. So after awhile her husband came in and she told him about it. He started it but noticed the pendulum ball would not go but half way, so he taken down the clock to examine it. There was a black snake all wrapped in the clock, and every time the pendulum would start the snake would lick out its tongue just as it got half way. A great lesson we may learn of Satan. He gets right where we don't expect him, to deceive men. Using his tongue that little world of fire, the only untamable of all beings. Watch! Watch!! Watch!!! M. V. A Runaway Bicycle. Terminated with an ugly end on the leg of J. B. Orner, Franklin Grove, Ill. It developed a stubborn ulcer unyielding to doctors and remedies for four years. Then Bucklen's Arnica Salve cured. It's just as good for Burns, Scalds, Skin Eruptions and Piles. 25c, at Pickens Drug Co. Stewart Locals. The White Rose hasn't quite frozen during this cold weather, but guess the many readers of the Sentinel-Journal think I have by my negligence in sending in the news. Cotton picking is about over. It was so late about opening that Jack Frost has visited it and killed all the bolls. B. D. Mauldin is the champion pumpkin raiser of our community. He raised one this year measuring five feet and nine inches in circumference and weighs eighty five pounds. Who can beat that? P. J. Mauldin who has been at Pelzer taking treatment for cancer has returned home. His many friends will be sorry to learn that his condition is no better, but is gradually growing worse. J. B. Craig, of Toxaway, N. C., is visiting his grandmother, Mrs. M. J. Robbins. He and his uncle, Seamore Robbins, visited their mother and sister, Mrs. Minnie Craig, of Catechee, Saturday. Toxaway seems to agree with Johnnie for he is looking well and stout. Mrs. B. C. Mauldin visited the Dalton section last week. Mrs. Mary Tollison visited Mrs. P. J. Mauldin recently. Misses Mattie and Lora Craig, of Catechee, visited their parents, Mr. and Mrs. John Craig Saturday and Sunday last. Mr. Johnson, of Catechee, visited at John Craig's Sunday. Wonder if there is some attraction there for him when the girls come home? A. P. Alexander will soon have his nice and commodious dwelling completed. W. B. Mauldin has the finest turnip patch we have seen. Mr. and Mrs. B. Graveloy, of Pindor, visited at W. B. Mauldin's recently. What has become of "Old Riddle?" We miss her pieces in the paper very much, so try and give us a little of the news from your community. Frank Boroughs, of Prater, passed through our section Sunday en route to Oconee—I guess. Ola Mauldin, of Pickens, visited his parents, Mr. and Mrs. B. D. Mauldin, Saturday and Sunday last. P. L. Mauldin and daughter, Mildred, visited the former's parents, Mr. and Mrs. W. B. Mauldin, last week. The farmers are very busy gathering their crops, sowing oats, rye and wheat; yes, and hauling wood preparing for the cold, bleak winter that is just ahead of us. White Rose. Nov. 10, 1903. Deafness Cannot be Cured by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever, nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous services. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. P. J. CHENEY & CO., Toledo, O. Sold by all Druggists, 75c. Hall's Family Pills are the best.

Coughs "My wife had a deep-seated cough for three years. I purchased two bottles of Ayer's Cherry Pectoral, large size, and it cured her completely." J. H. Burge, Macon, Col. Probably you know of cough medicines that relieve little coughs, all coughs, except deep ones! The medicine that has been curing the worst of deep coughs for sixty years is Ayer's Cherry Pectoral. Three sizes: 25c., 50c., \$1. All druggists. Consult your doctor. If he says take it, then do as he says. If he tells you not to take it, then don't take it. He knows. Leave it with him. We are willing. J. C. AYER CO., Lowell, Mass. Six Mile Items. Hello, here comes Cony again, not that I want to intrude or assist Old Riddle at all. She don't need any assistance I don't think, but I don't know why the editor has to employ any extra help to get her items in or not but we will not fall out about that. Health in our community is not very good at this writing. The farmers are busy sowing wheat at present. Cotton picking is about done for this season, still the farmers are not satisfied with ten and eleven cents for their cotton. Some are holding for 12 1/2 cents. I think that they will make by holding it this time. Mr. and Mrs. William Harper visited relatives and friends at Central this week. Eupha Cochran and wife brought their four-weeks-old son to see its grand parents Mr. and Mrs. Jas. Durham Sunday. Look out girls, Hughey Martin and Aaron Holliday have set themselves up to a new top buggy apiece. They will be around sparking soon. Rev. B. C. Atkinson filled his regular appointment at Six Mile second Sunday. There was a good attendance. He was re-elected pastor for another year. D. H. Woodson, of this section has a fine pig. It is four months old and weighs 100 pounds. It is the O. T. C. stock of hogs. Will Atkinson has opened up a store at the Farmer old stand. Call and see him. Hurrah for Will! Mr. B. at Catechee seems to be against marrying because he is afraid of the lion man and the doctor at the fall. I beg to inform that the lion man and the doctor are both dead, with just the same as the other times, and it is Great God that saved him when the lion man comes and the lion man Mary to take his troubles to his sympathize with him, no one to carry his troubles to but the policeman, but after his married thinks there is as much difference between a married life and a single one as there is between Spring of the year and Fall. Mr. B. is just bluffing you Catechee girls about not wanting to marry some of you. Just say I back you out going by the Squire's house and getting married and I'll bet you a pound of lasses candy he will go, especially if it is that pretty girl I saw him with the other Sunday. Nov. 14, 1903. Cony. CASTORIA. The Kind You Have Always Bought. Bears the Signature of Dr. J. C. Fletcher. ROLLER KING —AND— Magnolia Flour. SEED WHEAT RYE, BARLEY AND OATS.
