Only Makes a Bad Matter Worse
 Perhaps you have never thought of it but the fact must be apparent to every one that constipation is caused by a lack of water on the system, and the use of drastic cathartics like the old fashioned pills makes a bad matter worse. Chamberlain's Stomach and Liver Tablets are much more mild and gentle in their effect, and when the proper dose is taken their action is so natural that one can hardly realize it is the effect of medicine. Try a 25c bottle of them at Pickens Drug Co., Earle's Drug Store, Pickens, and T. N. Hunter, Liberty.

 Chamberlain's Cough Remedy is Pleasant to Take.

The finest quality of granulated loaf sugar is used in the manufacture of Chamberlain's Cough Remedy, and the oats used in its preparation give it a flavor similar to maple syrup, making it pleasant to take. Mr. W. L. Roderick, of Poolville, Md., in speaking of this remedy says: "I have used Chamberlain's Cough Remedy with my children or several years and can truthfully say it is the best preparation of the kind I ever saw. The children like to take it and it has no bad after effect. For sale by Pickens Drug Co., Earle's Drug Store, Pickens and T. N. Hunter, Liberty."
