

THE PICKENS OIL MILL COMPANY

NOW READY FOR BUSINESS

Our Ginnery has been running on full time this season and we thank our Patrons for their Patronage. Our Mill is now ready for grinding and you can get plenty of hulls and meal after this week.

Bring your SEEDS and exchange them for meal and hulls, or we will pay you the highest market price for all of your seed, just as you prefer.

Come to us and see how well we can treat you. We are not governed or controlled by outside prices, but will pay as much, or more, for your seeds than any other market.
