They bought 43 barrels of excellent flour at \$4.80; 14 1/2 pounds good coffee for \$1.00; 20 pounds granulated sugar for \$1.00. This is a neighbor co-operation and beats the Alliance. This is a good business example for other communities to follow. They traded with William Nimmons. Duff and William Bolding worked up this scheme. The farmers in the western part of the county are buying about all of their goods at Seneca. Can't our Pickens merchants sell as cheap as the Seneca merchants.

"Chamberlain's Pain Balm is considered the best liniment on the market," writes Post & Bliss of Georgia, Va. No other liniment will heal a cut or bruise so promptly. Give this liniment a trial and you will never wish to be without it. Sold by Pickens Drug Co., Easley Drug Store, Pickens and T. N. Hunter, Liberty.

Chamberlain's Cough Remedy is Pleasant to Take.

The finest quality of granulated loaf sugar is used in the manufacture of Chamberlain's Cough Remedy, and the roots used in its preparation give it a flavor similar to maple syrup, making it pleasant to take. Mr. W. L. Roderick, of Poolville, Md., in speaking of this remedy says: "I have used Chamberlain's Cough Remedy with my children for several years and can truthfully say it is the best preparation of the kind I ever saw. Not a Sick Day Since.

I was taken severely sick with kidney trouble. I tried all sorts of medicines, none of which relieved me. One day I saw an ad of your Electric Bitters and determined to try that. After taking a few doses I felt relieved, and soon thereafter was entirely cured, and have not been sick a day since. Neighbors, mine have been cured of rheumatism, neuralgia, liver and kidney troubles and general debility. This is what B. F. Bass of Fernmont, N. C. writes. Only 50c at Pickens Drug Co.

Only Makes a Bad Matter Worse.

Perhaps you have never thought of it but the fact must be apparent to every one that constipation is caused by a lack of water on the system, and the use of drastic cathartics like the old fashioned pills makes a bad matter worse. Chamberlain's Stomach and Liver Tablets are much more mild and gentle in their effect, and when the proper dose is taken the action is so natural that one can hardly realize it is the effect of medicine. Try a 25c bottle of them at Pickens Drug Co., Easley Drug Store, Pickens, and T. N. Hunter, Liberty.

Liberty Locals.

This winter set in unusually early and we have had winter straight on the past month. Snow has fallen four times already.

Owing to continued cold wheat is not coming up much. Cotton crop being short and weather favorable, a fair crop of wheat has been sown with unusual care and good preparation of land.

Cotton picking continues and will soon be all picked out, with favorable weather. Yellow as it is, it is bringing a better price than the first good white cotton sold this season.

Wood has gone up to \$2.00 a cord and is much in demand.

There is a great rush here for cotton seed meal and hulls.

Building material is hard to get here these days and comes high.

Mumps and whooping cough is much in evidence in this section at present, besides lagrippe, pneumonia, etc.

Good many people moving. Some from the factory to the farms. Good.

The horse swappers' convention was held here last Thursday, Friday and Saturday. There was a good turn out and considerable interest manifested in the "Ruff Ruff" and many of them were turned or some thing of the kind they call it a conventional term with which we are not yet sufficiently familiar to give its full significance. C. D. c. 19, 1903.

Disastrous Wrecks.

Carelessness is responsible for many a railway wreck and the same causes are making human wrecks of sufferers from throat and lung troubles. But since the advent of Dr. King's New Discovery for coughs, consumption, colds, and even the worst cases can be cured, and hopeless resignation is no longer necessary. Mrs. Lou Gregg of Dedchester, Mass., is one of many whose life was saved by Dr. King's New Discovery. This great remedy is guaranteed for all throat and lung diseases by Pickens Drug Co., 50c and \$1.00. Trial bottles free.

SCRUGGS' SIEGE OF NECKTIEPHOID

THOMAS SCRUGGS, on Christmas day, Got packages galore, Until he wondered if there could By chance be any more.

He opened each one when it came And slowly grew enraged, And not a package held a thing That his great wrath assuaged.

For each one, be it long or short Or slim or thick and fat, Contained, in varied shape and form, A gaudy new cravat.

"TIS EVER THUS!"

"Tis ever thus!" moaned Thomas Scruggs. "In every Christmas wreck I am the sufferer who gets it always in the neck."

The ties were green and red and blue and black and pink and blue. With stripes and dots and funny of truly awful hue.

At last he fretted so about The things that he felt ill. And then, to add to all his woes, There was a doctor's bill.
