JOINTS PAIN YOU THIS MORNING?

First sign of RHEUMATISM. Dangerous to let it run. Easy to cure now. A single bottle of

Rheumacide

Will probably do the work. Bad cases require more. RHEUMACIDE cures by getting rid of the cause, so that no trace of the disease lingers in the system. It purifies the blood, relieves the inflammation of the kidneys, the chronic constipation and the catarrh that follows such a condition of the system.

Though Mrs. Mary E. Welborn, of High Point, N. C., is 80 years old and had suffered from rheumatism for 20 years, she was completely cured by RHEUMACIDE, and declares she feels "years younger" and is anxious to try RHEUMACIDE and be cured.

REV. J. R. WHEELER, a noted Methodist minister, of Reisterstown, Md., writes enthusiastically of RHEUMACIDE, which cured him. He is 75 years old and has been in the ministry 50 years.
