

HOW WE STAND.  
As viewed by other sections of the state, this is the way Pickens county is classed.  
May she always stand head in her class.  
"Will Newberry county align itself with the dispensary counties of the low country or with the anti-dispensary counties of the Piedmont belt? We are not encouraging sectionalism—but Newberry county is a part of the up country along with Greenwood, Greenville, Spartanburg, Cherokee, Oconee, Pickens, Union and Anderson—the most progressive section of the state."—Newberry Observer.

STIMULATION WITHOUT IRRITATION.  
In case of stomach and liver trouble the proper treatment is to stimulate these organs without irritating them. Orino Laxative Fruit Syrup aids digestion and stimulates the liver and bowels without irritating those organs like pills or ordinary cathartics. It does not nauseate or grip and is mild and pleasant to take. For sale by Pickens Drug Co., and R. F. Smith Easley.

In Pickens County, we are united on one proposition: We want that quality of progress which means that every man shall share in the increase from his labors in proportion to his contributions to the general advancement. This means equal rights.

MAKES THE LIVER LIVELY.  
Orino Laxative Fruit Syrup gives permanent relief in case of habitual constipation. It stimulates the liver and the natural action of the bowels. It contains no harmful pills or cathartics. Does not nauseate or grip and is mild and pleasant to take. For sale by the name ORINO at the Pickens Drug Co., Greenville, S. C.

We give this for Senator Tullman's guidance and careful consideration and hope that he will take it in the spirit in which it is intended and profit by the lesson it teaches.  
A watchman's neglect permitted a leak in the great North Sea dyke, which a child's finger could have stopped, to become a ruinous break, devastation an entire province of Holland. In like manner Kinloch McVey, of Vanaboro, Me., permitted a little cold to go unchecked until a tragic flush was only averted by Dr. King's New Discovery. He writes: "Three doctors gave me up to die of lung inflammation, caused by a neglected cold; but Dr. King's New Discovery saved my life. Guaranteed best cough and cold cure, at Pickens drug store. 50c and \$1.00. Trial bottle free."

With one action will build and in operation is...  
Try a little KODOL FOR DYSPEPSIA after your meals. See the effect it will produce on your general feeling by digesting your food and helping your stomach to get itself into shape. Many stomachs are overworked to the point where they refuse to go further. Kodol digests your stomach the rest it needs, while its reconstructive properties get the stomach back into working order. Kodol relieves flatulence, sour stomach, palpitation of the heart, belching, etc. Sold by Pickens Drug Co.

CHOLERA INFANTUM.  
Child Not Expected to Live from One Hour to Another, but Cured by Chamberlain's Colic, Cholera and Diarrhoea Remedy.  
Ruth, the little daughter of E. N. Dowey of Agnewville Va., was seriously ill of cholera infantum last summer. "We gave her up and did not expect her to live from one hour to another," he says. "I happened to think of Chamberlain's Colic, Cholera and Diarrhoea Remedy and got a bottle of it from the store. In five hours I saw a change for the better. We kept on giving it and before she had taken the half of one small bottle she was well." This remedy is sold by Pickens Drug Co. and T. N. Hunter, Liberty.
