#### DEATH OF MRS. THOMSON.

Death is alarming, even when expected day after day. It was so with the pass ing away of Mrs. Margaret M. Thomson, which occurred at her residence in this town, on Monday last, at two o'clock, a. m., in her sixtieth year.

Mrs. Thomson was a Miss Goumillion, and born in Edgefield County. She was married first to Mr. Hollinsworth, of Edegefield, and then to our distinguished and lamented Judge Thomas Thomson, whom she survived. For weeks the shadow of death was athwart her troubled path, for months she had been a keen sufferer, all of which she bore with Christian resignation and fortitude. The funeral servi-ces were conducted in the Presbyterian Church by the Rev. W. R. Richardson, who preached a truthful and comforting sermon, at the close of which there was scarcely a tearless eye in the congregation. Then the procession wended its slow way to Long Cane grave yard, where the sod was closed upon a matronly woman, gone to reap the reward of a pure and generous life.

#### The Cedar Springs Rioters.

Trial Justice DeBruhl issued warrants on Monday last, for the Cedar Springs rioters, and on Tuesday they were brought before him for preliminary hearing.

From the evidence it seems that Henry Adams, Frank Patton, Stony Brown, Ben Henderson, Watt Ramey, Bob Wardlaw, W. W. Frazier and Sol Martin with a number of others were armed at Cedar Springs precinct, and shooting off pistols and brandishing clubs, made it extremely unpleasant for the people, quietly collected there to vote. first five were admitted to bail, and will answer an indictment for riot at the next term of Court. Bob Wardlaw was sent to jail for further investigation. W. W. Frazier, the instigator and ring leader bought a ticket at Verdery Sat- and bore off the premium. urday and has left for parts unknown. Sol Morton is hiding out.

Twenty-five negroes besides those mentioned had clubs and swore vehemently that they would stand by Frazier. This is an outrageous affair and the ring leaders should be taught a lesson they will not forget.

All the Pastors. Elders and Deacons of the churches within the patch. County are cordially invited to attend, as matters of great importance will be considered. All who expect to attend will please notify James Gibert, Abbeville, ed from the jollification meeting on S. C., by postal card. The meeting will include the 5th Sunday in November, when Dr. J. O. ### Horse Stolen.

Horse stealing is evidently on the increase. Mr. Jason Simpson, living at Mrs. Barksdale's, about three miles from town, had his big horse stolen from his stable last Sunday night. How any man could be fool enough to steal such a horse we cannot imagine-it would take at least an acre of pine tops to hide him. Mr. Simpson thinks that the store. (Special Dispatch to the News and Courier.) New York, November 10.-The Blaine men are dying hard but are dying They are still keeping up their game of bluff, but the whole concern is going to pieces from the inside. The day after the election when Blaine telegraphed here for his men to claim everything all agreed to obey his order. Since then the desertions daily from the ranks of the Blaine managers have been arge and on the increase: and now it s said that there are only a few prominent men here who will lend their aid to keep up the fight. Elkins and Jones, lowever, persist in going on, and, it is said are receiving financial aid to carry out their schemes from Jay Gould and his friends.

To-day they suddenly determined to endeavor to capture the electoral votes of Virginia and West Virginia, and tonight a gentleman prominently identi-fied with the Pacific Railroad left here for Petersburg, Va., carrying with him a large amount of money. The scheme was known to the Democrats before the gentleman started, and when he gets to Petersburg he will find that the avenues through which he expected to work have been effectually closed.

Pension Commissioner Dudley did not stay here, but went right through to Washington. Between Indianapolis and this city he was told of the feeling iere, and telegraphed to Steve Elkins that public opinion ran too high to attempt to do anything now for Mr. Blaine outside of the returns, and for his part he wished to be excused. William M. Evarts, however, intends to keep up the fight and to-night said it would take a week or ten days to get the actual count. Clarence A. Seward, Benj. F. Tracy and The only casualty of the Democratic George Bliss have been retained with him as counsel in this city. Ex-Senator Roscoe Conkling has come o the front and openly declared his determination to stop the contemplated fraud of the Blaine men. To-night he was in consultatation, at the Hoffman House, with Aaron J. Vanderpool, Jas. E. Carter, Francis C. Burton and other lawyers, who also will represent the Democratic National and State Commitces should occasion repuire. Mr. Conk-

ling will act as senior counsel.

The Democratic National Committee are in daily receipt of letters from all quarters in this State and also from other states which give the details of attempted frauds on the part of the Blaine men. The following, written by a prominent citizen of Indianapolis, and who is in a position to know of what he writes, is a air sample of those received :

"On Wednesday afternoon I made the startling discovery of of a conspiracy on he part of John C. Lew and Steve Elkins to have the returns altered and raised in some of the counties of this State. I took immediate steps to checkmate it. On Thursday, at the the meetng of the county board of couvassers in the various counties, vigilant men on our side appeared armed with certified copes of the vote in each precinct as it had been counted on election night, and no attempt to carry out their design was made, except in one county in which the figures were raised some hundreds."

### THE WAY IT LOOKS NOW.

New York's Laws too Perfect to! Admit

of Any Counting Out. WATERTOWN, IN. Y., November 10.— Attorney-General O'Brien, a member of the State canvassing board, in a speech to the Democrats here said; "I have no fears that the wishes or judgment of the people, as expressed at the ballot box, will be falsified or defeated. No party or set of men can steal the electoral vote of the Empire State. The laws of the State in regard to elections and the counting of votes are too perfect to admit of fraud, and the people of New York are too much in earnest to tolerate fraud, even if it were possible. The votes given by by the people of this State, I have no-doubt, will be honestly counted, and the result truthfully declared.

#### A Single Fact is Worth a Ship-Load of Argument."

Mr. W. B. Lathrop, of South Easton, Mass., under date of Jan. 7, 1884, says: "My father had for years an eating cancer on his under lip, which had been gradually growing worse until it had eaten away his under lip down to the gums, and was feeding itself on the inside of his cheek, and the surgeons said a horrible death was soon to come. We gave him nine bottles of Swift's Specific and he has been entirely cured. It has created great excitement in this section."

Twisted Bones.

Mr. J. R. Stewart of Macon, Ga., a well known and trustworthy gentleman, makes the following statement: "My son who was between three and four years old, was all drawn up with rheumatism. His bones were twisted and he was all doubled out of shape. He suffered intense pain. Had lost his appetite, was cross and fretful. He was reduced to a mere skeleton, and had to be carried about on a pillow. As these cases of rheumatism, where the bones were twisted and the joints were all crooked, had for years baffled the skill of the most eminent physicians, I determined to use Swift's Specific, as I had seen testimonials from men whom I knew to be trustworthy, of similar cases it had cured. I used two large bottles of S. S. S. according to directions, with the most sat-S. according to directions, with the most sat-isfactory results. My son commenced im-proving with the first dose of the medicine-His sufferings diminished daily and his appetite increased; he became cheerful and in good spirits. Gradually he regained use of his limbs, the twisted bones and joints straightened out and in less than two months

straightened out and in less than two months he was entirely cured, and could walk and got about as well as any child of his age.

Beware of imitations of Swift's Specific, gotten up by unprincipled parties to deceive the public; some of these frauds bear the lie on their faces purporting to be vegetable remedies, when they are really nothing but strong solutions of mercury and potash.
