THE GREATEST DISASTER IN THE HISTORY OF JAPAN

CITIES IN THE FLOWERY KINGDOM COVERED TO A DEPTH OF SIX INCHES WITH ASHES FROM A VOLCANO MILLIONS HOMELESS

Nagasaki, Jan. 14.—It is believed that ten million people will be in need of food on account of the earthquake, tidal wave and volcanic eruption.

Tokio, Japan, Jan. 13.—A tidal wave added its horrors to earthquakes and volcanic eruptions which struck Kagoshima, in Southern Japan, Monday, according to official advices. It is believed here that the Kagoshima disaster will prove to be one of the most serious in Japan's history. The loss of life and property increases with fuller news from the scene.

Sakura-jima has been quiescent for more than a century, although it rears its cratered peak in a vertiginous land of volcanoes.

Ashes to the depth of six inches have fallen in the seaport of Kiyasaki on the east Kiushiu. A postal employe who fled from Kagoshima states

that the big postal building there collapsed and that a great number of residences were ruined, killing many people and animals.

Nagasaki, Japan, Jan. 13.—Reports here today were that the death list around Kagoshima will run into the thousands.

Kagoshima, which is almost completely buried in volcanic ashes and stones, had a population of 60,000, at the last census. The population of the adjoining island of Sakura, the center of the disturbance, in give as 15,000. On this island hundreds are reported to have perished beneath the streams of lava.

NOT GUILTY OF MURDER CHARGE

Verdict Directed by Judge Wilson in the Smith Case

MANY PLEAD GUILTY

Another Murder Case Is Now Occupying the Attention of the Court

The attention of the court of general sessions for Anderson county, now in session, was taken up yesterday for the most part with the hearing of pleas of guilty entered by the defendants in a number of cases of minor importance. At the time of adjournment last night at six o'clock the court was engaged in the trial of Bill Hooby, et al, charged with murder. This case will be completed today, probably during the morning session and in the hands of the jury by noon.

In the case of Garrett Dodson, a negro who was on trial for the killing of another negro, Zeke Bradley, the jury returned a verdict of guilty of manslaughter and the defendant was sentenced to four years in the penitentiary. Dodson was arraigned Monday, his trial consuming the better part of the day and a short time yesterday morning. The jury deliberated about four hours before rendering a verdict.

A verdict of guilty was directed by Judge Ellison in the case of Charles Smith, charged with the murder of E. E. Scatterfield in Pezler during the month of December. This action was taken with the consent of the collector after a number of witnesses were examined. From the evidence it appeared that the shooting grew out of a misunderstanding or a wrangle which began in a Pezler cafe on the night of December 12. Some one in the place shoved a boy against Scatterfield, throwing him against a stove. He blamed Smith with having done it and hot words were passed between the two men. It is said that Smith then left the store but the evidence was to the effect that he was followed by Scatterfield and that the latter began to shoot. Smith returned the fire and Scatterfield sustained mortal wounds from which he died on December 16th. The defendant set up a plea of self defense and it was on this ground that the verdict was directed by the court.

John Bolden entered a plea of guilty of housebreaking and was sentenced to one year in the negro reformatory.

Hubert Carter pleaded guilty to a charge of assault and battery of a high and aggravated nature and was sentenced to nine months imprisonment.

Ed Lock was sentenced to two years, following a plea of guilty to the charge of larceny.

Feaster Walker entered a plea of guilty to a charge of forgery, but sentence has not yet been passed.

Henry Thomas drew a sentence of two years when he entered a plea of guilty to the charge of larceny.

George Sims was sentenced to pay a fine of \$100 and to serve for three months, following a plea of guilty on the charge of violating the dispensary law. A similar sentence was also passed on Ernest Keys, who also pleaded guilty to a charge of violating the liquor law.

Jerome Sloan entered a plea of guilty to a charge of bigamy and was sentenced to three months imprisonment.

Four additional jurors were selected yesterday to take the place of four who were excused at Monday's session. The four new jurors are: Ernest Johnson, C. M. McClure, R. L. Griffin and L. P. Gable.

ANDERSON OVER-CHARGES

Traffic Manager Makes Report of Money Returned

The report of the work done by D. A. Henning, traffic manager, during the month of December, has just been received. In this report it is shown that there were only three instances of over-charge by the railroads in handling freight during the month and these were small amounts. The entire amount of the over-charge amounts to \$13.75 and this amount was in shipments to Lizza G. Ledbetter, Sullivan Hardware Company and H. C. Townsend.

The traffic manager goes on to say in his report that the small amount of over-charge may be due to some extent to the fact that the railroads knew of the checking that follows them and therefore more care is exercised in order that no errors may occur.

His makes the additional statement in his report that the rate on cereals has been reduced from 52 cents per 100 pounds to 33 cents per 100 pounds.

THE CHARRED BODY OF GEORGE YOUNG

Found in the Ruins of a Cottage On His Laurens Farm

Laurens, Jan. 13.—That George F. Young, a prominent planter, was murdered in his home last night, and the cottage burned to cover the crime, was the verdict of a coroner's jury here late Tuesday. Young's charred body was found among the ruins of the house at Stamp Springs, near here, this morning.

He was the father of J. Stebo Young and uncle of John T. Garlington, who were convicted in connection with the "Seminole" cases. Garlington Monday received a full pardon from the governor.

Two negro suspects are in jail. Young owned an extensive tract of land and spent much of his time alone at his plantation home, his family remaining at the city residence here.

J. Skelton Williams Gets Appointment

Washington, Jan. 13.—The President sent to the senate Tuesday the nomination of John Skelton Williams of Virginia, to the comptroller of the currency and ex-officio member of the Federal Reserve Board, which will administer the affairs of the new currency system.

It may be some time before the nomination is confirmed. Mr. Williams is now assistant secretary of the treasury in charge of the fiscal bureau and Secretary McAdoo's first assistant in matters of government finances.

It is said that the so-called great financial interests were opposing Mr. Williams.

"No Dark Pictures," Says Mr. Underwood

Washington, Jan. 13.—An industrial awakening "that will put the paucity of preachers to shame," was promised today by Democratic Leader Underwood after Republicans in the house had painted dark pictures of ruin, the result of Democratic legislation.

"The Democratic party," declared Mr. Underwood, "has achieved for the American people more than has been accomplished in the history of our government. I look forward to unusual prosperity throughout the country in the next year."

DIDN'T ACCUSE BLEASE PARTY

Mr. Richard I. Manning States That Charges Had Been Made

GOVERNOR BLEASE REPLIES

Matter Growing Out of the Message of the Governor to the General Assembly

Columbia, Jan. 13.—Special Correspondent.—R. I. Manning of Sumter, candidate for governor, Tuesday afternoon gave out a statement in reply to the criticism made of him by Governor Blease in his annual message to the legislature today, the basis for the criticism being the fact that Mr. Manning introduced in the late Democratic convention of 1912 a resolution—originally an investigation of the primary election following charges of fraud and corruption.

The Governor's statement was published in full in The Daily Intelligencer.

"I did introduce a resolution of investigation and did it because I was unwilling that charges of wholesale fraud should remain uninvestigated. These charges were made by friends of both sides," says the statement of Mr. Manning, who quotes the Governor as having charged his opponents with fraud. "As a member of the executive committee, I acted in the capacity of judge, not a partisan. I felt that the surest way to put an end to these charges was to ascertain if possible, whether or not they were true."

Mr. Manning states that he supported Judge Jones for governor, but when charges of corruption were not sustained, he later introduced the resolution declaring Governor Blease the nominee of the Democratic party of this State.

The statement concludes with the assertion by Mr. Manning that he had done what he considered his duty and did not believe that he would be censured for his conduct.

When shown the statement of Mr. Manning this afternoon Governor Blease made the following statement: "I will take care of Mr. Manning and his record on the stump in 1914 if he runs for governor or for United States senator just as I did in 1906 when I retired him from the governor's race and Governor Ansel was elected. He may offer excuses but while men in South Carolina who voted for me will never forget that he charged them with being perjurers and corruptors and that when he was appointed on a committee dodged the issue and threw the responsibility on others." PRINCIPAL SPEAKER FRIDAY

Harry C. Coles to Address the Meeting of Secretaries.

Those who have in charge the meeting of the South Carolina Commercial Secretaries, which is to take place in Anderson next Friday, were jubilant last night over the announcement that Harry C. Coles, general field secretary of the Chamber of Commerce of the United States, had been selected to deliver the principal address at the Anderson convention.

The invitation to attend the meeting here Friday was extended to Mr. Coles by A. V. Snell, secretary of the Charleston Chamber of Commerce and his acceptance has already been received. This will be another delightful feature of the interesting day and Secretary Whaley and those who are assisting him feel that the event will be one of profit and pleasure for Anderson and for the secretaries of the State who attend.

NO CHANGE IN CONDITION

Officer Hughes Still in the City Hospital

Enquiry last night at the Anderson County Hospital, revealed the fact that little change was to be expected in the condition of Officer Hughes of Honea Path. It will be remembered that Mr. Hughes was found in an alley in Honea Path Saturday, suffering from a fractured skull and an air of mystery surrounds the entire affair. Two men are now confined in the Anderson jail to await the time when Mr. Hughes recovers sufficiently to tell of how the assault was made and by whom.

ANDERSON MEN GOING

Several Anderson architects have received invitations to be present in Columbia next Tuesday, Jan. 20, at which time the Columbia architects will entertain the South Carolina chapter of the American Institute of Architects and the South Carolina Association of Architects. Elaborate preparations are being made for showing the visitors a good time while they are in the "Square Meal Town."

START VOTING ON THURSDAY

For Places to Be Filled By the South Carolina General Assembly

Dr. Wyche Elected Speaker Pro Tem; Quite a Number of Absentees

Columbia, Jan. 13.—Special Correspondent.—Promptly at noon Tuesday both branches of the South Carolina general assembly convened in their respective halls and immediately got down to business, disposing of a number of routine matters. The message of the Governor was read and its various sections referred to the committees to which they properly belonged. The Intelligencer was the first paper in the State to publish the message.

Seven new members were sworn in the house, these taking the places of deceased and resigned members. In the house 108 of the 123 members were present. In the senate eight members were absent.

Dr. C. T. Wyche of Newberry, was elected speaker pro-tem of the house by unanimous vote. Representative Lyles of Drakesburg, was nominated but withdrew in favor of Dr. Wyche, who fills the place of former member Whaley of Charleston (now a member of congress) of different political views from his son, C. U. Wyche of Newberry, a Blease man.

In the house a concurrent resolution by Mr. W. H. Nicholson was passed setting Thursday at noon as the time to begin balloting to fill the various vacancies on the bench, directorships, boards of trustees and the like. In the senate the resolution was referred to the judiciary committee which will likely report tomorrow.

Mr. Welch introduced a bill in the house providing for a board of trustees of State Library, which shall have the duty of selecting its librarians, etc. If this bill becomes a law the legislature will not fill the position for which more than a score of ladies have applied.

HONEA PATH'S NEW MAYOR

Follows the Example of Neighboring Towns of Pendleton and Belton

L. L. WRIGHT IS CHOSEN

Annual Meeting of Stockholders of the Citizen's National Bank Shows Good Results

Special to The Intelligencer:

Honea Path, Jan. 13.—Special.—During the past week a great deal of interest has been manifested in the approaching municipal election. There were two avowed candidates for mayor, Mr. McKenzie, who has served as mayor for the past two years, standing for re-election, and Mr. L. L. Wright entering the race. This was rather an unusual situation for this community and was the cause of much spirited work being done for the rival candidates. The election was held Tuesday with the following results:

L. L. Wright, mayor, and the following wardens, Messrs. J. R. Callahan, J. F. Allen, E. P. Donald, J. B. Benham, W. E. Gilbert and Joe W. Clement. Mr. J. W. Abercrombie was elected to fill the vacancy on the board of commissioners of public works.

The annual meeting of the stockholders of the Citizens National Bank was held Tuesday at noon in the bank building. The report of the president showed the bank to be in a splendid condition. The usual dividend was declared with a nice surplus set aside. The following officers were elected for the year:

Brook vice president, J. W. Callahan, cashier, and O. N. ... assistant cashier. All of the directors were re-elected.

The high school basketball team of this place met the Anderson team at Belton last Friday afternoon and received their first defeat this season. The game was hard fought throughout, but finally resulted in a victory for Anderson, 22 to 20. The girls are trying to arrange a game for Friday afternoon with Williamston to be played on the local grounds.

Capt. J. B. Humbert of Princeton, was in town today for the bank meeting.

Dr. E. R. Donald, D. L. Allison and Mr. Gordon Brock went to Greenville last night to see "Within the Law."

Mr. C. E. Moore, editor of the Honea Path Chronicle, went to Columbia yesterday to be present at the convening of the general assembly. Mr. Moore has held the position of journal clerk of the senate for the past 10 years.

LAWYERS TO COLUMBIA

Practically all Members of the Local Bar Going.

Association will go to Columbia on January 15 to attend the State Bar Association which is in session there throughout the 15th and 16th. Anderson county is always well represented at these annual events, doubtless to the fact that the county bar association has been so well perfected and is so well organized.

The meeting of the association in Columbia is one of the most important events of the year with the attorneys of the State and is always full of interest.

J. Clyde Green, of Belton, was among the guests registered at the Chiquola hotel yesterday.

BIG MEETING BEING PLANNED

United Missionary Campaign to Meet Here January 27th and 28th

WILL ENTERTAIN DELEGATES

With Characteristic Hospitality Homes Will Be Provided For Delegates

The United Missionary Campaign, a laymen's movement, is creating much enthusiasm and favorable comment is heard everywhere the promoters hold conference. Two days are usually taken at a conference, and Anderson is indeed fortunate in being included in the cities where these workers will come. Prof. Gains, of Richmond college, will have charge of the services, and such well known speakers as Dr. E. M. Pocat and Prof. J. G. Chalkscaler will address the meetings.

The sessions are to be held in the St. John's Methodist church and will embrace the 27th and 28th of January. The conference is interdenominational, and every church in Anderson county is urged to have a good live delegation present, and in addition as many other members as care to come. Homes will be assigned all delegates who send in their names to Dr. J. R. Young by the 20th inst.

THE EXPRESS COMPANY PROMOTES BOOZE SALE

According to announcements made at the Anderson office of the Southern Express Company yesterday, sweeping changes in the present express rates to all points and on all packages will soon be in effect. It is understood that the changes are to take place on February first at which time the rate to many points on some goods will be lowered, while to other points on other articles it will be raised.

One significant fact that will doubtless call for much attention from the thirty citizens of the community, is the change on liquor refreshments. The rate on whiskey has been materially lowered and that beverage will now come to Anderson at a cheaper rate while that on beer has been increased and the keg will not come as low as at present.

H. B. Johnson, manager of the local office of the express company, in discussing the matter with a reporter of The Intelligencer, said that he did not know what effect, if any, the parcel post might have had and did not know if that feature of the mail service had anything to do with the changes in the rates, which are mentioned as changes which are soon to be seen which it soon to be made.

Some of the more interesting follows: From Anderson to Atlanta, now \$1.40 per hundred pounds, \$1 per hundred, from Anderson to Chi-

SPLENDID REPORT OF MAGISTRATE

Anderson Official Has Collected Sum of \$4,030.60 in Fines and 1303 Days in Labor

Worthy of more than passing notice is the splendid report which has just been made by Magistrate Broadwell concerning the discharge of his duties during the last year. The report was compiled on January 1, 1914, and dated from the same date of 1913. During that time many cases have come before Magistrate Broadwell and he has discharged his duties in a most able manner.

During the year this magistrate has tried 370 cases from which he collected the sum of \$4,030.60 in cash. The total number of days to which prisoners have been sentenced amounts to 1,305. He has sent 94 cases to the Court of General Sessions and in 53 cases he rendered a verdict of not guilty. In 140 cases a compromise was effected and the costs of the action paid by the defendants. These facts go to show that Mr. Broadwell has been conscientious at all times in the discharge of his duties.

His complete and detailed report by months shows that in the month of January he tried 49 cases from which fines amounting to \$224 were collected and prisoners sentenced to 324 days; in February 50 cases were tried, resulting in fines of \$451 and 70 days' labor; March showed fines of \$954 and 80 days' labor; April, \$97 and 90 days' labor; May, 25 cases netting \$354.80 in fines and 60 days' labor; in July there were 62 cases resulting in fines 20 in five; and 60 days' labor; in July there were 44 cases totaling fines of \$182 and 60 days' labor; in August there were 62 cases amounting in fines of \$644.80 and 270 days of labor; 41 cases were tried in September, resulting in fines of \$125.60 and 120 days' labor; in October there were 50 cases tried with fines of \$308.60; in November he heard 37 cases and collected fines of \$208.20 with 60 days' labor; in December there were 52 cases tried, resulting in fines of \$335.20 and 111 days' labor.

This is a splendid record and one that Mr. Broadwell has a perfect right to feel proud of. When the courts so ably administer the laws, as in this case, lawlessness will soon feel the effect.

REED MILLER COMING

Anderson's Song Girl to Give a Concert Here.

Mr. and Mrs. Reed Miller who are so pleasantly known in Anderson, will be heard here Monday evening, January 19th under the auspices of the Anderson College Association. Mr. and Mrs. Miller have so many friends here who will be glad of an opportunity to hear these splendid singers.

The first subscriber from a distance for The Daily Intelligencer was Secretary B. R. Fillman. The first subscriber in the city was Mr. Sam B. Moore, who has had the paper to date.

Chicago, now \$4.50 per 100 pounds, \$2.95 per hundred pounds; from Anderson to New York, now \$3.75 per 100 pounds, \$2.55 for the same package. It is estimated that the change in dealers, although they will share the rates will be of more benefit to the larger shippers than to the small somewhat in the gain of better rates.
