

A SHOT GUN IS AN UNSAFE PLACE IN WHICH TO PUT MONEY

The other day the papers told of a man who had hidden his money in the barrel of a shot gun for safe keeping. A boarder, annoyed by the barking of a dog, put a shell in the gun and fired.

Since then the owner of the gun has been hunting for the dog, hoping to get back some of his money. If he had planted that money in real estate both his time and money would have been saved.

If you, Mr. Reader, will acquaint us with your desires, in either the purchase or sale of real estate, we will endeavor to serve you profitably.

Very respectfully yours,

Frank & DeCamps Realty Co.

FAMOUS SPEAKERS HERE NEXT MONTH

World's Most Famous Speakers to Participate in Great S. S. Convention

Some of the most prominent names in the United States will be among the speakers on the program for the State Sunday School Association which convenes in Anderson next month. This statement was given yesterday by Fred H. Burnett, following the receipt of a letter from Miss Grace Vandiver, General Secretary of the South Carolina State Sunday School Association.

The chairman of the various committees, recently appointed, say that they are working earnestly in an effort to have all arrangements completed by Feb. 11, the date on which the association will convene.

Anderson people should understand that they have a big undertaking on their hands in the handling of such an association as this. All indications are that there will be from 60 to 750 people in the city for the three days and every part of the State will be represented with many distinguished visitors from sister States.

One feature being especially stressed on the program for the 37th. Con-charge of this branch say that the tion is the music. Those who have local choir will be greatly augmented by some splendid singers and will be composed of the best of all the churches of the city.

As has already been announced, the most spectacular feature of the occasion will be the parade of the Men's Bible classes which will take place on the second night of the convention. Those in charge of this feature hope that they will be able to have several thousand men in the line who will inter participate in the services at the several churches on the same night.

Miss Vandiver in her letter of yesterday, said in part:

"We have secured Dr. L. N. Caley of Philadelphia, one of the greatest Sunday school men on the continent; also Dr. William J. Williams of St. Louis; John C. Carman, general secretary of the Colorado association; D. W. Sims, general secretary of the Georgia association and have a telegram from E. O. Excell, saying that he will let us know within the next few days. Everything points to the biggest convention we have ever had. We will have at least 600 people there and I think even more. am having cuts made from photographs sent me and will have a special issue of our paper, which I am going to send broadcast all over the State."
