At a meeting of the board of governors of the Rose Hill club, held at the country club house yesterday, the board unanimously decided to tender honorary membership in the organization to Rev. and Mrs. Wither spoon Dodge.

Electric City Sparklets

Items of Interest and Personal Mention Caught Over the Wireless On the Streets of Anderson.

An event being anticipated with much pleasure on the part of the students of the schools of the city and the young people generally of Anderson, is the basketball game to be played on the grounds of the West Market street school next Saturday afternoon.

Patsy Reiss, advance man for the Tropical Amusement Company, blew into Anderson last night and has started to painting the town with his bill board and literature matter relative to the coming of his carnival, which is booked for Anderson for a week, beginning with next Monday.

C. W. McGee, county treasurer for Anderson county, said yesterday that for the most part the people were paying their taxes pretty promptly but that he was expecting a decided increase in his business within the next few days, since the one per cent. penalty time expires on the last day of this month and after that time the two per cent penalty will be in force.

The Owl Drug store, located on Main street, will shortly be renovated and improved in a number of respects.

W. C. Marchbanks, one of Anderson's prominent business men, left Sunday for Baltimore where he goes to consult a specialist at Johns Hopkins hospital.

Fifteen cases appeared on the police docket at police headquarters yesterday morning and Escorder Russell gave some of the offenders a very bad half-hour.

People of the city are looking forward with pleasure to next Friday evening when an informal entertainment will take place at the home of General M. L. Bonham on Greenville street.

Indulging in the chief delight of the average dusky dandy, "skin", a party of negro gamblers were rounded up Sunday afternoon by Officers J. W. Williams and W. P. Dreinan.

According to the report of the Standard Warehouse Co., made public yesterday, the receipts for this year in Anderson are increased materially over the record for last year.

Reports from the two Anderson county chaisngang squads are to the effect that both camps are doing splendid road work.

Williamston people in Anderson yesterday chronicled with regret the serious illness of Dr. W. W. Wilson of that place.

Owing to the fact that two important events are scheduled for Anderson for tonight, the lecture of Frank Dixon at Anderson College and the opening of the Missionary Conference at St. John's Methodist church, in order to prevent a conflict in these events, it has been decided that the conference will open at seven o'clock at the church.

order to carry all those who care to go, to the college. In this manner it will be possible for he people of Anderson to attend both events with little or no inconvenience.

Sheriff Ashley left yesterday for Chickasha, Okla., to secure one S. T. Evans, a white man, who had escaped from the Anderson county chaisngang.

LAST CALL FOR LEAGUE BALL

ALL TOWNS SEEM TO BE WILLING TO ENTER THE PROPOSED LEAGUE

WHAT COBB SAYS

If present indications count for anything there will certainly be league base ball in the Piedmont section of South Carolina and if Anderson wants to have a hand in the affair it is there for her and if she doesn't take it will be the fault of the fans and with them will rest the blame.

Both Greenville and Spartanburg are more than anxious and it goes without saying that Columbia and Augusta will be glad to entertain any proposition if they fail to get into the Sally.

Tyrus Raymond Cobb, the Georgia peach, is quoted by the Augusta papers as saying that "such a league as the proposed Georgia-Carolina would be a go."

Ty Cobb, who knows just what the territory is worth as a baseball prospect, having covered it with his own little independent club, expressed the opinion yesterday afternoon that the Georgia-Carolina League will be a go from the jump.

LEGISLATIVE GRIND.

Special Correspondence. Columbia, Jan. 25.—The coming week in the general assembly will probably be signalized by the passage of the Harper compulsory school attendance bill in the house and the Nicholson primary election reform bill in the senate.

In recognition of its paramount importance, the house took the Harper bill up out of its order last week and made it a special order for next Tuesday when debate on the bill will be opened.

A Local Option Bill. Then the bill says that if a majority of the citizens declare for a compulsory school attendance for white children between a certain age, who are not weak in mind or body and who do not live more than 2 miles from a school house, the parents or guardians of such children must put them in the nearest school and keep them there for 12 weeks in each year.

A Heavy Program. Aside from actual legislation, the general assembly has a heavy program ahead of it for the week Monday afternoon at 4 o'clock the general assembly has invited Congressman Lever, Dr. Riggs of Clemson, and Dr. Nighbert and Rawl of the bureau of animal industry of the department of agriculture to address it on the cattle tick problem in South Carolina.

To Sell Ayman? Another important bill which is now a special order in the house is by Messrs. Kibler, Belsler and Robinson. It provides for the sale of

Last week's Shoe Selling convinced us our timely reductions on high shoes are fully appreciated. Shoes like CLAPP'S and NETTLETON'S for men and UTZ & DUNN'S and WICHERT'S for ladies, sold in all the larger cities for much more than we ask are cheap at these city prices—they're reduced now, so low you can't help but see the difference.

Table with shoe prices: \$6.00 MEN'S SHOES \$4.95, \$5.00 Women Shoes \$4.00, \$3.00 Growing Girls \$2.45, etc.

ASK TO BE FITTED THE FOOTOGRAPH WAY. GEISBERG BROS. SHOE COMPANY. UNDER MASONIC TEMPLE. SHOES THAT SATISFY...

the present State Hospital for the Insane and the transfer of the plant to State Park. It is probable that the consideration of this bill will be deferred until after the report of the special legislative committee to be appointed to investigate the management of the State Hospital for the Insane.

Stevenson Resolution. Following the reading of the message from the governor in the house, Mr. Stevenson introduced a resolution providing for an investigation "of the matters relating to the State Hospital for the Insane referred to in the governor's message, and any other matters concerning the management of the same and the welfare of its unfortunate inmates and the conduct of the State Hospital Commission and all officers, agents and employees of the same institution, and of the property known as State Park."

The resolution along the lines recommended by the governor in his message, passed the house without opposition. In the senate, however, although the governor had recommended an investigation, his friends opposed the passage of the resolution from the house carrying out the governor's expressed wishes.

The members of the committee of six, three senators and three representatives, to investigate the State Hospital have not been announced. They are to be appointed by the speaker of the house and the president of the senate. The personnel of the announcement of the investigating committee, which is to report to the present general assembly, is being awaited with interest.

Monday afternoon at 4 o'clock the general assembly has invited Congressman Lever, Dr. Riggs of Clemson, and Dr. Nighbert and Rawl of the bureau of animal industry of the department of agriculture to address it on the cattle tick problem in South Carolina.

Monday afternoon at 4 o'clock the general assembly has invited Congressman Lever, Dr. Riggs of Clemson, and Dr. Nighbert and Rawl of the bureau of animal industry of the department of agriculture to address it on the cattle tick problem in South Carolina.

Galvanized Metal Roofing and Siding Material

Modern Progress demands more and better buildings. As good timber becomes more scarce and masonry more expensive, naturally the investigative mind is looking for a better and more economical building material that not only will give the maximum of protection at a minimum cost, but will also carry with it those additional features desired in such better buildings, but lacking in so many of the materials being used at the present time.

CORRUGATED SHEETS are the strongest and most used of all forms of Sheet metal Roofing or Siding. Sheathing is not essential; Corrugated Sheets are easily and rapidly applied. These V-Crimped Roofing Sheets are very much superior to the V-Crimped Roofing generally sold. It is very much stronger, and much less liable to leak.

FULL WEIGHT SHEETS—This is an important feature and a decided advantage to every user of roofings. Many unscrupulous manufacturers have put on the market products very much lighter than standard weights. The results have been unsatisfactory service, and criticisms of Metal Roofings and Sidings.

In the purchase of this material QUALITY IS OUR CHIEF AIM. Two cars of these roofing sheets just received. We are offering this material at reduced prices.

Sullivan Hardware Co. Anderson, S. C. : Belton, S. C.

DR. BABCOCK QUOTED. Columbia, Jan. 24.—A significant statement in Governor Blaise's message denying that he was trying to "oust" Dr. J. W. Babcock is the following statement from Dr. Babcock to the board of regents last December: "As superintendent of the institution, if your board will bear with me, I want to be brief. Personally and officially I want to thank Governor Blaise for his very sensible and appropriate remarks. Nobody in this room appreciates them more than I. There has been no governor of South Carolina who has given more attentive care to the appeals made by the superintendent of this hospital, in behalf of the insane. I say that now before the governor. I have said that behind his back, and I say it to the world. If any act or word of mine has ever given one moment's offense to this board of regents, it has been wholly unintentional, and I humbly apologize. Whenever the board has called upon me, I have done my level best to respond. If there has been any lack of harmony between us, I fear it is more my fault than yours. I certainly have meant to refer upon you. The lack of harmony is of long standing, Mr. Chairman, and again, I make no claim to be free from blame. Nevertheless, as I have talked it over—I believe, Mr. Chairman, that he has talked it over with you gentlemen, for a long time, that there is friction here. Now, I do not wish to avoid any of the onus of that friction—I take my part of it—but I believe these physicians have done the best they can." etc., etc.
