

THE QUESTION -- Where Shall I Insure?

Has ever been a burning one. The discriminating, now, as of old, answer it thus: In the old

Mutual Benefit Life Insurance Company

OF NEWARK, N. J.

WHY? Because its membership is composed of over 250,000 satisfied men and women who insured in it in answer to its appeals to their faculties of discrimination.

SIXTY-NINE YEARS OF STEADFAST FAITH in there being a large and discriminating public that would patronize only the best company has enabled the Mutual Benefit to achieve its present magnificent proportions without sacrifice of its traditional business ideals, which entitle it to distinction, and upon which it seeks patronage.

IT IS THE BEST COMPANY because bound to thrifty methods of management by low rates, high surrender values and large annual dividends; because its liberal policy contracts contain special and peculiar advantages which it is the prerogative of a company of mature age and slowly hoarded experience to write; because our competitors class it as second best and it is a maxim that "those to whom everyone allows the second place have an undoubted title to the first."

IF YOU WANT SECURE INSURANCE for its own sake, in a company which has gone strength to strength, and has a record which its management will have a pride in maintaining, is sure in the MUTUAL BENEFIT.

THE CONSERVATISM AND STRENGTH OF the Mutual Benefit have influenced many letters of personal endorsement from leading professional men and women throughout the country.

Two Teams Will Play the Rub.

The manager of the Anderson High School basketball team announced last night that he had closed a game for tomorrow afternoon with the Bailey Military Institute, this game to be played on the field at the Central High School on West Market street in this city. This is the third game of a series and will decide the championship as regards these two schools. The first game, played in Greenwood, went to the cadets by a score of 31 to 15; the second game, played in Anderson, was won by the local boys, the score being 16 to 15. The rub will be the most brilliant game of the series and the High School boys say that they will teach the soldier boys a thing or two about how the game should be played. The local aggregation was slated for a set-to with the Westminster High School yesterday but could not make the trip on account of the inclement weather.

Music by The

Second Regt. Band.

Announcement was made in Anderson yesterday to the effect that the music for the great Bible Class parade, which is to take place in Anderson next Friday night in connection with the Sunday School Convention, will be furnished by the Second Regiment band, National Guard of South Carolina. This band is located in Anderson and is fully as good as any in the State, being superior to many. The director of the Second Regiment band, R. W. Hembree, told an intelligencer reporter last night that his men were making preparations for doing better than they had ever done before and that the people of the city would have a chance to hear some really splendid music. Those who have this feature in charge feel that they were fortunate in being able to secure Mr. Hembree and his excellent musicians for this occasion.

First Practice

Monday Night.

The first practice of the great choir of 200 voices, selected for the Sunday School Convention, will be held tomorrow night. The meeting is to be held in the Sunday School rooms of the First Baptist church, and Mrs. W. H. Nardin, chairman of the committee for the musical program, has urged that every one who will compose the choir be in attendance, as even the loss of one night will mean much. Both Prof. Lowden, the celebrated director, and Mr. Hager, the pianist for the occasion, will be present tomorrow night and will assume charge of the choir.

Little Doing

In Courts.

Only two records appeared in Magistrate Broadwell's blotter yesterday and neither of these came to trial. R. H. Bice of Pelzer was charged with false representation, but this case was settled out of court by the defendant paying the cost of the case and the amount involved, which made a sum of \$5.50. The other case on the record was that of T. H. Davenport, charged with disposing of property under mortgage. The defendant had been arrested in Greenville and he gave bond there before Magistrate J. B. Bonner, in the sum of \$200 and waived preliminary. He will be tried at the next term of the Court of General Sessions for Anderson county.

Important Meeting

Of Baraca Class.

The meeting of the Baraca class of the First Baptist church, which will be called to order at 10 o'clock this morning, will be most important in every respect and the officers of the class are urging that every member be present. Plans are to be made at the meeting this morning for the great men's Bible parade, which is to take place in connection with the Sunday School Convention and it is imperative that every member lead his support and cooperation in planning to do creditable things for the Baraca class.
