

# \$30 IN GOLD TO BE GIVEN AWAY FEBRUARY 18 HAS AROUSED INTEREST

The Candidates are Making a Game Fight And Activity Increases on Every Side As The Votes Climb Higher and Higher

## • DEMONSTRATE TO YOUR FRIENDS YOU ARE DETERMINED TO WIN

In view of the immense amount of interest that has been engendered in this contest the management has decided to offer \$30.00 in gold to be given Feb. 18th, 1914 for the largest number of votes turned in between the beginning of the contest and the 18th of February. At nine o'clock p. m., we will give \$10.00 in gold in each district. For the second largest number of votes turned in from each district we will give \$5.00 in gold. The vote will be reckoned as follows: One year to The Anderson Daily Intelligencer will be counted as twelve months. For instance if you get two subscriptions to The Anderson Daily Intelligencer for one year, you would have 24 months; one for six months would add to your total making it thirty months, and so on, getting as many as possible.

It is well to turn in subscriptions as soon as you get them so that the paper may be started at once. It is not necessary to have all of your votes published. We will give you a special vote ballot which you may hold until the close of the contest if you wish. It is very important that you send in the subscriptions as soon as you get them. We are already hearing complaints and upon investigation we find that the subscriptions have not been turned in.

Here is an opportunity to make a little money on the side, to win a golden gold piece. Get started now. It is not necessary to be a subscriber to The Anderson Daily Intelligencer in order to enter the contest. If your name is not on the list, call the Contest Manager and enter your name and get all the information necessary about the way to go to work to win one of the prizes. You may be well as come one of them to see them at the contest office. Any subscription that is given to one is only good for one. Now is the time to get started, not when the contest is nearly over. Organize a system of canvassing interest all of your friends and friends and make the work done as far reaching as possible.

### "WITH A RING IN THE NOSE."

Mrs. S. O. Major Claims That People Are Halted Led.  
Editor The Intelligencer:  
Col. L. Blease, termed as governor, in a message to the Legislature, asked for an investigation of the Hospital for the Insane. I notice he dictates to the investigating committee as to when he will appear before the committee to testify.

If I understand the complaint, he calls for the investigation. If I were on that committee I would either put him up first, or he would not testify at all.

How long, oh, how long will our State put up with such a man as Col. L. Blease as governor of South Carolina? And as have as enough sense and ballers last to lead voters to the polls to vote.

I will ask this question: Is a man a competent voter who will allow himself to be led to the polls by a ring in the nose, with a halter attached? I will be glad to get an answer to this question from any one who has not been led by the ring in his nose with halter attached. If you answer, furnish your proof. More anon.  
S. O. MAJOR.

No City in the State has ever had such a stock of agricultural hardware as Sullivan Hardware Co. now has in their warehouse. It is a revelation to those familiar with their stock to see the immense quantities carried in stock. It will give this company pleasure to have you visit them and see for yourself the different departments.
