Thaw's Petitions for Admission to Bail Now Ready for Hearing

(By Associated Press) Concord, N. H., Feb. 19.—Final preparations were made tonight for the hearing of Harry K. Thaw's petitions for a writ of habeas corpus and for admission to bail before Judge Edgar Aldrich. Chief interest centered in the question of bail for whatever the decision in the matter of habeas corpus is made by the United States Supreme Court. Most of Thaw's legal advisers in his fight against extradition to New York on a charge of conspiracy in connection with his escape from Matteawan were here tonight. Former Gov. W. A. Stone of Pennsylvania, chief of his counsel, spent many hours in consultation with his New Hampshire associates, Judge Wm. M. Chase and George F. Morris of Lancaster. Mr. Stone probably will make the argument tomorrow for the defendant. It was not known tonight who would argue for the state of New York, although it was believed it would be William T. Jerome. Mr. Jerome would be in charge. Mrs. Mary C. Thaw, Harry's mother, arrived here from Pittsburgh.

CHARGED WITH EMBEZZLEMENT

Former City Treasurer Indicted For Diverting Funds of St. Louis

(By Associated Press) St. Louis, Feb. 19.—A bill of particulars was filed today specifying the charges against Gerold, city treasurer of East St. Louis, Ill., who is under indictment charging embezzlement. Gerold is accused of having diverted \$20,000 on the pretense that he had paid this amount to redeem street improvement coupons. It is also stated that Gerold retained \$11,500 in excess of legal commissions due him, and that he paid \$10,000 to teaming contractors, although the work really was done by his own firm and to his profit. It is charged that he retained \$4,000 which he falsely claimed had been paid an interest on improvement bonds.

A jury awarded Maj. W. Augustus Adams, formerly of the Royal Irish Lancers, \$10,000 damages against the War Office in his capacity as permanent secretary of the war office.

Comments on Trial Sentences

Orangeburg Times. The Barnwell People says: "Governor Blaise has commuted the sentences of ten negro convicts from this county and they have been brought back to finish their terms on the county chain gang. Nine of them were convicted of murder with recommendation to mercy and were serving life terms. The tenth was convicted of manslaughter and sentenced to twenty years in the State penitentiary. Among the number are Ferdinand Grubb and Quitman Johnson, who were convicted of the murder of Mr. W. Barry Usery. The two negroes who murdered Usery were and murdered him by mistake. This shows the number of times two negro assassins should find favor in the eyes of Gov. Blaise is something we can not understand. And yet the governor tries to make the poor white man believe that he is a negro-hater. His acts belie his words. These negro assassins did not even have the poor

Excuse that Mr. Usery had wronged

excuse that Mr. Usery had wronged them for the commission of their cruel assassination. They were simply paid assassins, who would have assassinated any one they might be hired to assassinate. There can be no worse criminal than the paid assassin, and instead of having their sentence reduced so as they will be free in a few years, they should have been put to death when they were convicted. This is what Grubb and Johnson do cry, but Gov. Blaise thinks otherwise. He has commuted their sentence of imprisonment for life in the penitentiary to a few years on the chain gang. In a few years they will be free and ready to assassinate some other white man if any one wants him assassinated and will pay them to do the murderous job. Say it Now.
