SOLICITOR COOPER GAINING STRENGTH

Receiving Encouragement From All Sides in Race for the Governorship.

Special Correspondence. Columbia, Feb. 23.—Solicitor H. A. Cooper of Laurens, who has been in constant and continuous attendance upon the opposing department during the present session of the general assembly, and who has been one of the hardest-working solicitors in the department, returned to his home in Laurens on Saturday, to go to Abbeville for the opening there on Monday of the spring term of court in the Eighth circuit.

Solicitor Cooper is one of the best-known and most popular of our public officers. During the last session of the general assembly he stated that it was his intention to make the race. Since the announcement of his candidacy he has been invited to make addresses in many places, and particularly in the Piedmont section, where he is best known, and he has been through a good section of the Piedmont during the past summer and fall. He says that he has received the greatest encouragement in his race, not only from the Piedmont, but from every section of the State, and that he is confident of the result this summer.

In reply to the question, "Do you care to make any statement with reference to your candidacy at this time, Solicitor Cooper, before leaving Columbia on Saturday afternoon, said:

"I am positively in the race, and I will seek the office on my merits, and on my record as a member of the general assembly of this State and as solicitor of the Eighth circuit for the past nine years. Public office, whether it be that of governor or any other office, is a public trust, and the authority vested in any officer should be exercised for the public good. A candidate should be approved on the ground of his fitness for the service, and upon this ground, I shall seek the support of the people of the State. I shall at the proper time state my position on every issue in such way that my views will be known to all."

THOUGHT FOR THE DAY.

They talk about a woman's sphere as though it had a limit. There's not a place in earth or heaven. There's not a task to mankind given. There's not a blessing or a woe. There's not a whisper, yes or no. There's not a life, or death, or birth. That has a feather's weight of worth. Without a woman in it. —C. E. Bowman.

SAGE AND SULPHUR DARKENS GRAY HAIR

Wash this through your hairless locks and they become dark, glossy, youthful. Hair that loses its color and lustre, when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair.

Nowadays we get this famous mixture by asking at any drug store for a small bottle of "Weyth's Sage and Sulphur Hair Remedy," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. Besides, it takes no scrubbing, stops scalp itching and falling hair. You just use a spoon or soft brush with it and draw this through your hair. By morning the gray hair disappears; but what attracts the notice with Weyth's Sage and Sulphur is that besides beautifying and darkening the hair after a few applications, it brings back the gloss and lustre and gives it an appearance of abundance.

LESS MEAT IF BACK AND KIDNEYS HURT

Take a glass of Salts to flush Kidneys, if Bladder bothers you—Drink lots of water.

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked, get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges; nervous headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation. The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the seed of grapes and lemon juice, combined with lithia, and has been used for generations to flush charged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus avoiding bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney diseases.

DON'T YOU BELIEVE IT.

Some say that chronic constipation cannot be cured. Don't you believe it. Chamberlain's Tablets have cured others—why not you? Give them a trial. They cost only a quarter. For sale by Evans Pharmacy.

GEORGE W. SULLIVAN.

(Greenville News.) Anderson county has been fortunate during the past eight years in having as its representative in the State Senate Hon. George W. Sullivan of Williamston. Senator Sullivan is conservative in disposition, judicious in temperament, a man of high character, affability, and a successful man of affairs. His course in the State Senate has been marked by careful attention to the business of the Senate and by wise and judicious counsel and action. It is to be regretted that Senator Sullivan has announced that he will not be a candidate for re-election to the State Senate. It is to be hoped that Senator Sullivan can be induced to change his mind in this respect, as Anderson county and the State can ill afford to lose the services of so valuable a public servant.

During the year 1913 there were 170 strikes in New Jersey, not counting those in silk mills. Twenty-four were successful and sixty-eight were failures. Twenty-four causes were assigned for these strikes.
