All styles, grades and sizes. Not ways the cheapest, but the best that e same amount of money can buy. We make rømpt deliveries, always guaranteeing every piece of work turned out by us.

We have established quite a nice business during the three years spent here in Belton, which speaks for our work.

Come to see us. TABLETIO  Street organization, but for the per-sistency of the attacks made against it. Now a new organization has been forced to light the wigwam. It is composed of Independent Democrats, who call themselves the Committee of Two Hundred and Fifty.
 Bert, Hansons is the head and it is the idea of the founders that their or-ganization will in time supplant Tam-many Hall, which has been demonced as a business, organization of contracas a business organization of contrac-tors. Among the members are some of the bast known and most influen-

of the bast known and most influen-tial democrats in the city. **Dottors Favored by Income Tax**. It seems as if the physicians have come off with flying colors in the de-claration of their income 'ax. The deductions which they are , lowed to make, are numerous enough to make a department store head jealous. For instance, deductions are allowed for "necessary expenses actually paid in Miss Clara Kay of Belton. is among those in Anderson today yisiting her friends. instance deductions are allowed for "necessary expenses actually paid in the carrying on of business." A fair allowance or rent, service expenses, of autom he or horse, telephone or similar expenses may be included in this category, as well as direct ex-pense, he connection with protestional work, such as instrument and office equipments. A physicing is enlitide-to claim a deduction for the cost, wear an tea, of property arising out of its use of, employment in the business. Oh, the juck of the medicos Should women popose? Should they rid themselves of super-fluous flesh. Pendleton, March 7 -Rev. T. L. Smith spent several days this week

Smith spent several days this week at Westminster, Mrs. J. W. Sanders was called to Augusta Wednesday morning on ac-count of her little nephew being very fil with menengitis Her friends are deeply grieved to learn of his illness and hope he will soon be all right. Mrs. T. L. Hanna spent Wednesday Morning at Anderson Should they rid themselves of super-fluous flesh. The one is as reasonable and as devotedly to be wisbed as the other, according to Maria Thompson Davies, author, who having first taught her sisters to be thin, now proposes to teach them to be free h, making their matrimonial choice. The sequence is perfectly logical. First make your-selves lovable, ladles, then pick out a man to love you. To teach the lesson of higher feinlism, Miss Da-vies has been granted a years leave from the more tamiedhic duites of suffrage work by Dr. Anna Howard moraing at Anderson. Mrs. B. H. Sadler spent Thursday Mrs. B. H. Sadler spent Thursday morning at Anderson. Messrs. Allan and Thompson of An-derson were in town Wednesday. The missionary meeting was held at the home of Mrs. T. L. Smith Friat the nome of MIS. 2. D. build day afternoon. Prof. T. L. Hanna spent yesterday at Anderson at the teachers' meeting. On Thurstday the hok Lover Club" met at the home of Mrs. A. Z. Wilson. During a very pleasant aftersuffrage work by Dr. Anna Howard Shaw

noon delicious refreshments were ser-POST D T. P. L. HELD TIS ANNUAL MEETING big meeting of the Masons was

(Continued From Page One.)

A big meeting of the Masons was held here at the Masonic hall Satur-day night. Dr. Bryan, grand master made an address. Oyster supper was served to them at the Farmers' Hall. Mrs. J. C. Stribling is visiting her daughter, Mrs. F. V. Tribble at An-derson.

Sint'anburg, S. C., with Scanches at light Point, N. C., and Greenville. Mr. Kenyon makes a specialty of plano tuning.

MEN YORK LETTER

md. Durfin February, the T. P. A., as a whole reached nearly 50,000 mem-bers and South Carolina for back in the thousands, so let us all work between now and the convention in Definition on these backers in

(By Charles Henry Adams) (By Charles Henry Adams) New York, March 7.—Sensational developments in New York's staft in-vestigation have rol abated by any means. It spers that the detraina-tion of former downers Suiters inference taken from the periods inference taken from the periods work and how whenever Mr. Suiter anness bore District-Attorney with the tent of the inner New York sensitive whenever Mr. Suiter anness bore District-Attorney withman and the grand fury. The former Governor dustares that the more downer below all about the more the state state state and withman is inclined to believe that the more downer is to not set at the of this idea as well as to get at the of this idea as well as to get a the formet fake the witness suid. Mayor Mitchell is getting his first in the come and be in propared to make to come and be in propared to make it to come and be in the propared to make it frankly and Charlessiy. Mr. Michaelt is receiving letters daily com-planting about Street Cleaning Com-minsions rethersion, and also about the attitude he has tors formed be-lieve that all the pender who wells as plan think that he make the witness hours the public balls, drag as make it is to part about the attitude he has tors formed be-lieve that all the pender who wells about the attitude he has tors formed be-lieve that all the pender who wells about the attitude he has tors formed be-lieve that all the pender who wells about the attitude he has tors formed be-lieve that all the pender who wells about the attitude he has tors formed be-lieve that all the pender who wells about the statitude he has tors formed be-lieve that all the pender who wells about the statitude he has tors formed be-lieve that all the pender who wells the proper state of the state and the tors who wells the bar that all the pender who wells the olimbia, and so the convention in olimbia, and go there leading the main, and will the cooperation ar autority of sheh one of you, we can go ending the United States . There are saveral other matters we ave joined with the other Posts in a State with, and things which we ave done here is a state. mayor mitchelt is gotting his first have joined with the other Posts in the single of criticism. Ho says he knew the single of the propared to need not mention, but altogether we have done here in Anderson, which we have done here in Anderson, which we have done here in Anderson, which we have done here in Anderson, withing we are not boast-have lived up to the enlargement of Anderson, and while we are not boast-have the attitude he has toten toward the public bills. Mr. Mitchell does not be and the source, and while we are not boast-have that all the people who write to many thing we have done a great at personaded to believe that he understands the situation, the romothy, however, and while we are ally at resting we have the State Legislature pass the bave the State Legislature pass the bave the State Legislature pass the black, which will make it possible for the Police Poor Tansard.
